Communication and Language
As communicators, we will share our news. We will listen to stories and we will retell and if possible record our own stories.
We will be learning new vocabulary and using it.

Expressive Arts and Design
As Artists, we will explore, use and create symmetrical patterns found in nature to create our own artwork.
Using recycling from home and natural objects we will create patterns and prints.
We will compare Van Gogh’s Sunflowers with our own drawings of flowers and sunflowers.
As Musicians, we will learn some rhymes and songs.

Personal, Social and Emotional Development
We will learn how to take care of plants and what animals and humans need to grow healthily.
We will learn about people older and younger than us.

Understanding the World
As Scientists, we will predict and observe what happens to seeds, plant tops and vegetables when we try to grow them.

Physical Development
As physical learners, we will follow Mr Deverall’s PE activities on the school website and/or try the daily physical activities from the menu.
We will develop our fine motor skills by threading, weaving, making collages, manipulating and stacking objects from home.

Creative
We will learn that we can be creative in different ways and with different resources.

Literacy
As readers, we will read non-fiction texts to find out information about plants and animals growth. We will write a diary to follow the journey of something growing at home.
We will follow some Read. Write Inc phonics lessons to improve our reading skills.

Mathematics
As mathematicians, we will find out about symmetry, find symmetry in patterns and pictures.
We will learn the number pairs to 10, count in 1s and 2’s and we will compare lengths, heights and if possible at home, weight.
We will use positional language and explore shapes.

April and May 2020
