General admissions policies

School information and admission criteria

The school admissions team try to meet parental preferences for schools where possible, but this isn’t always achievable. Places in schools are limited by the physical space in the school.

Each school has a set number of pupils it can admit which is based on the size of the school. If the number of pupils requiring places at a school exceeds the school’s set number then not everybody will be successful in getting a place at the school. This is what is meant when the school is said to be oversubscribed. When the school is oversubscribed, places will be allocated using the oversubscription admission criteria. These oversubscription criteria differ for different types of schools.

The following tables show how places for reception were allocated at offer day in 2018. This information should be used as guide only as to what may happen in future years.

Community and voluntary controlled primary schools

All Salford schools also have a nursery class. The figures below are for the reception class intake for September 2018. This information should only be used as a guide to what may happen in the future years.

Admission policies for community and voluntary controlled schools

Oversubscription criteria - community and voluntary controlled primary schools.
Where a school receives more applications than places available, the following oversubscription criteria will be applied once places have first been allocated to children who have an education, health and care plan which names the school.

1. Looked after children and previously looked after children This includes children who have ceased to be looked after because they were adopted or became subject to a special residency or child arrangements order or special guardianship order.

2. Children in need as defined by the Children Act (1989), for example, those who are unlikely to achieve or maintain or to have the opportunity of achieving or maintaining a reasonable standard of health or development or a child or children whose health or development would be further impaired without the provision of services by the local authority. Confirmation of the child’s needs will be required from their social worker (see note c).

3. Brother or sister in attendance at the school (reception – year five only, year six children are considered for in-year applications only) at the date when the pupil is to be admitted. This includes stepchildren and foster children living with the same family at the same address. Other children may be considered under the sibling criterion provided proof is available to demonstrate that the children are permanently resident at the same address and part of the same family unit, (The authority accepts that in some family units the children may not be natural brothers and/or sisters).

4. Children living nearest to the school the distance will be measured in a straight line using LLPG (Local Land and Property Gazetteer) information to measure the distance between the address point of the child’s home address and the centre of the school in miles. Those children whose home address is closest to the school will be those who get priority for places (see note e).

Please note
(a) Entrance to reception. No child can automatically transfer from a nursery to a reception class. Where a school is oversubscribed, places in the reception class must be allocated according to the published admission criteria, with children who have attended the nursery being considered on the same basis as those who have not.
(b) Light Oaks Infant School and Light Oaks Junior School. Pupils who attend Light Oaks Infant School in year two will automatically transfer to Light Oasis Junior School at year three.
(c) Children in need. In Salford, children who would be eligible for this criterion are those who are at level three and have ongoing social worker involvement, and all at level four on the 'Thresholds of needs and response in Salford' [www.partnersinsalford.org/sscb/thresholds.htm] For children resident in other local authorities, contact will be made with the child’s social worker to confirm that the child’s level of need falls within these boundaries of the Salford thresholds. Salford City Council must have confirmation of an applicant’s level of need from an appropriate professional before they will be considered under this criterion.
Closing date for applications: 15 January 2019

(d) **St John’s CE Primary School.** As this school operates over a split site, for admissions to all year groups the distance measurement will be made to the centre of the school building on the Daisy Bank Avenue site.

(e) **Tie breakers.** Where there are more children in one particular criterion than the number of places available, places will be allocated to the children whose home address is nearest the school. The distance will be measured in a straight line using the LLPG (Land and Property Gazetteer) information to measure the distance between the address point of the child’s home address and the centre of the school in miles. Those children whose home address is closest to the school will be those who get priority for places.

In the event of a tie, where two or more pupils’ home address is the same distance from the preferred school, and only one place is available, random allocation will be used. This will be carried out by an independent person. Eligible names will be placed in a hat. One name will be drawn from the hat and the remaining place will be offered to that person. This process for random allocation also applies to the waiting list where two or more pupils are eligible for one vacancy and live the same distance from the preferred school. The waiting list will be re-ranked in accordance with the published admission criteria. This means that children can move both up and down the waiting list.

After 31 December, if a parent wishes their child to continue to be considered for a school place, they will need to reapply for a place using the procedure for in-year admissions.

(f) **Multiple births.** If there is a situation where only one place is available and the next children to be offered are siblings of a multiple birth, all the siblings will be offered places.

(g) **The child’s home address.** The child’s home address is considered to be the child’s parent or carer[s] place of residence, that is to say, where they are normally and regularly living.

If parents are separated and the child spends time at each parent’s address, the address which will be used for admission to schools is that of the main carer. The main carer is determined as the parent who is in receipt of child benefit.

If a child is resident with friends or relatives for reasons other than guardianship, the friend or relative’s address will not be considered.

(h) **Temporary addresses.** The authority may at its discretion consider as genuine a child’s temporary address where, for example, the child is living with his or her parent or carer[s] in temporary accommodation due, for example, to their parent or carer[s] working commitments, while they are seeking a permanent address in the same area.

If the parent or carer(s) main address has changed temporarily, for example where a parent or carer resides with extended family during a period of sickness or takes up temporary accommodation due to building or renovation work, then the parent or carer(s) address remains that at which the parent or carer(s) was resident before the temporary residence began.

(i) **Change of address.** Any permanent change of address must be notified in writing or by email to the admissions team as soon as possible.

Where a change of address occurs after the closing date and before the offer date, the local authority will consider a change of preferences to be on time only where the change of address is over two miles from the previous address (measured from address point to address point in a straight line). Where the change of address is under two miles any changes of preference will be considered as a late application.

(j) **False information.** If you give any fraudulent or misleading information to obtain a school place (for example, if you give the incorrect home address) we may withdraw the offer and your child may lose their place.

If you suspect that someone has given false information to get a school place please contact the admissions team.

Please note that the local authority will take strong action and the place offered will be withdrawn, if any false or misleading information is given, including an address which is not the child’s home address as defined above.

(k) **Admission of children from overseas.** All children of compulsory school age (five to 16 years) in the UK have a right of access to education. However, where a child is in the UK for a short period only, for example less than half a term, it may be reasonable to refuse admission to a school.

Children who hold full British citizen passports (not British dependent territories or British overseas passports), have a passport endorsed to show a right of abode in the UK, or are European Economic Area nationals, normally have unrestricted entry to the UK. An application for a school place will be accepted for such children even though they may not be resident in the UK at the time of application. The application may however be processed on the basis of the overseas address.

Other children from overseas do not generally have automatic right of entry to the UK. An application for a school place will not therefore be accepted until they are resident in the UK. Proof of residency such as an endorsed passport or entry visa will be required with the application.

(l) **Waiting list policy.** Children who are not offered a nursery or reception place for the September intakes at their preferred school will be placed on the school’s waiting list. The waiting list will be maintained only for the statutory period (until 31 December). Should any places become available they will be allocated in accordance with Salford local authority’s published admission criteria.

As children are added to the waiting list, the list will be re-ranked in accordance with the published admission criteria. This means that children can move both up and down the waiting list.

After 31 December, if a parent wishes their child to continue to be considered for a school place, they will need to reapply for a place using the procedure for in-year admissions.

Salford City Council’s policy states that parent or carers should be disallowed from taking two part time places for their child, thus limiting the number of places available.

(m) **Nursery classes only.** No places will be allocated in nursery classes to children who have not reached the age of three by 1 September in the admission year.

The nursery admission criteria will be applied to Salford children initially, and then, if places are still available, to children resident in other local authority areas.

Should a school decide to allocate full and part time places in the nursery class, the decision on how those places are allocated is the responsibility of the governing body. A head teacher however, should be able to justify to a parent the reason for the decision for example, full time places are given to older pupils first.

Salford City Council’s policy states that parent or carers should be disallowed from taking two part time places for their child, thus limiting the number of places available.

(n) **Right of appeal.** If a child is refused a place at a preferred school, they will have the right of appeal for that school. Parents must give their grounds of appeal in writing and will be given at least 20 school days to submit these to the local authority. Further information can be found on the local authority’s website (www.salford.gov.uk/primary-appeal)
The admissions criteria and the way places are allocated for voluntary aided schools are decided by the governors of the school. Parents or carers who wish to express a preference for one of these schools are advised to check the appropriate school’s admissions policy, listed on pages 16 to 78. Some of these schools may require parents to provide a copy of their child’s baptismal certificate or to complete a supplementary information form. Please check with each school you are applying for whether this is the case. This information should be returned directly to the school.

Voluntary aided primary schools and academies admission policies

The admissions criteria and the way places are allocated for voluntary aided schools are decided by the governors of the school. Parents or carers who wish to express a preference for one of these schools are advised to check the appropriate school’s admissions policy, listed on pages 16 to 78. Some of these schools may require parents to provide a copy of their child’s baptismal certificate or to complete a supplementary information form. Please check with each school you are applying for whether this is the case. This information should be returned directly to the school.

Part time, deferred and delayed admission

The admission authority provides for the admission of all children in the September following their fourth birthday. However, where a child has been offered a place at a school the child’s parents or carers can defer the date their child is admitted to the school until later in the school year, but not beyond the point at which they reach compulsory school age, and not beyond the beginning of the final term of the school year for which it was made. Alternatively, where parents wish, children may attend part time until later in the school year, but not beyond the point at which they reach compulsory school age.

Parents wishing to take either of the above options should inform their allocated school as soon as a place is offered, so appropriate arrangements can be made.

Parents may seek a place for their child outside of their normal age group, for example if the child is gifted and talented or has experienced problems such as ill health. Parents should contact the head teacher of the school concerned in the first instance to discuss an application for admission outside of the normal age group.

In addition, parents of children born between 1 April and 31 August (summer born children) may choose not to send that child to school until the September following their fifth birthday. They may request that their children are admitted out of their normal age group – to reception rather than year one, for example, starting reception a year later than those in their age group. This request should be made to the school admissions team in writing giving reasons for the request. This should be done at the time the child would usually be expected to apply for a reception place.

The request will be considered in conjunction with the school and the parent, and the admission authority for the school will decide whether the child should be offered delayed admission or not. The decision, and the reasons for it, will be communicated to the parent in writing. Where a child is offered a place at a school but not in the year group preferred there will be no right of appeal.
All Salford schools have a nursery class. The figures below are for the reception class intake for September 2018. This information should only be used as a guide to what may happen in future years.

*The total number of offers made includes alternative offers. Alternative offers are made to Salford children where an offer of one of their preferences cannot be made.
Broadoak Primary School

Admission policy 2019/2020

Over subscription criteria
For the school year commencing September 2019, the published admission number for Broadoak Primary School is 60. Where Broadoak Primary School receives more applications than places available, the following over subscription criteria will be applied once places have first been allocated to children who have an education, health and care plan which names the school.

1. Looked after children and previously looked after children. The authority accepts that in such cases, the child's social worker will confirm that the child's level of need falls within these categories. Looked after children and previously looked after children whose home address is closest to the school will be considered under this criterion.

2. Children in need. In Salford, children who are eligible for this criterion are those who are at level three and have ongoing social worker involvement, and all at level four on the Thresholds of needs and response in Salford' (www.salford.gov.uk/thresholds.htm). For children resident in other local authorities, contact will be made with the child's social worker to confirm that the child's home address is closest to the preferred school and only one place will be considered under this criterion.

3. Brother or sister in attendance at the school. (a) Natural brothers and sisters. Where there are more children in a family unit, all the siblings will be offered places. (b) Extended family during a period of sickness or inability to care. Where a change of address occurs after the closing date and before 15 March, the local authority will consider a change of preferences resulting from a change of address at 15 March will be considered as a late application. Any change of preferences resulting from a change of address at 15 March will be considered as a late application.

4. Children living nearest to the school. The distance will be measured in a straight line using LLPG (Local Land and Property Gazetteer) information to measure the distance between the preferred school and the children's home address. Where the distance from two or more pupils' home address is the same distance from the preferred school and only one place is available, random allocation will be used. This will be carried out by an independent person. Eligible names will be placed in a hat. One name will be drawn from the hat and the remaining place will be offered to that person. This process for random allocation also applies to the waiting list where two or more pupils are eligible for one vacancy because they live the same distance from the preferred school.

(d) Multiple births. If there is a situation where one place is available and the next child to be offered are siblings of a multiple birth, all the siblings will be offered places.

(e) The child's home address. The child's home address is considered to be the child's parent or carer(s) place of residence, that is to say, where they are normally and regularly living.

(f) Temporary addresses. The authority may at its discretion consider as genuine a child's temporary address where, for example, the child is living with his or her parent or carer(s) in temporary accommodation due, for example, to their parent or carer(s) working commitments, whilst they are seeking a permanent address in the same area. If the parent or carer(s) main address has changed temporarily, for example where a parent or carer resides with extended family during a period of sickness or takes up temporary accommodation due to building or renovation work, the parent or carer(s) address remains at which the parent or carer(s) was resident before the temporary residence began.

(g) Change of address. Any permanent change in address must be notified in writing or by email to the admissions team as soon as possible. It will not be possible to make any changes to the home address for allocation purposes after 15 March as school offers will be finalised. However, please still inform the admissions team of changes of address after this date so that offer information can be sent to the correct address. Where a change of address occurs after the closing date and before 15 March, the local authority will consider a change of preferences to be on time only where the change of address is over two miles from the previous address (measured from address point to address point in a straight line). Where the change of address is under two miles any changes of preference will be considered as a late application. Any change of preferences resulting from a change of address at 15 March will be considered as a late application.

(h) False information. If you give any fraudulent or intentionally misleading information to obtain a school place, for example, if you give the incorrect home address), we may withdraw the offer and your child may lose their place. If you suspect that someone has given false information to get a school place please contact the admissions team. Please note that the local authority will take strong action and the place offered will be withdrawn, if any false or misleading information is given, including an address which is not the child's home address as defined above.

Admission of children from overseas. All children of compulsory school age (five to 16 years) in the UK have a right of access to education. However, where a child is in the UK for a short period only, for example less than half a term, it may be reasonable to refuse admission to a school. Children who hold full British citizen passports (not British dependent territories or British overseas passports), have a passport endorsed to show a right of abode in the UK or are European Economic Area nationals normally have unrestricted entry to the UK.
An application for a school place will be accepted for such children even though they may not be resident in the UK at the time of application. The application may however be processed on the basis of the overseas address. Other children from overseas do not generally have automatic right of entry to the UK. An application for a school place will not therefore be accepted until they are resident in the UK. Proof of residency such as an endorsed passport or entry visa will be required with the application.

(j) Waiting list policy. Children who are not offered a nursery or reception place for the September intakes at their preferred school will be placed on the school’s waiting list. The waiting list will be maintained only for the statutory period (until 31 December). Should any places become available they will be allocated in accordance with Salford City Council’s published admission criteria. As children are added to the waiting list, the list will be re-ranked in accordance with the published admission criteria. This means that children can move both up and down the waiting list. After 31 December, if a parent wishes their child to continue to be considered for a school place, they will need to reapply for a place using the procedure for in-year admissions. Looked after children, previously looked after children and children who come under the fair access protocol will take precedence over those on the waiting list. There are no waiting lists for in-year admissions.

(k) Nursery classes only. No places will be allocated in nursery classes to children who have not reached the age of three by 1 September in the admission year. The nursery admission criteria will be applied to Salford children initially and then, if places are still available, to children resident in other local authority areas. Should a school decide to allocate full and part time places in the nursery class, the decision on how those places are allocated is the responsibility of the governing body. A head teacher however, should be able to justify to a parent the reason for the decision, for example, full time places are given to the older pupils first. Parent or carers will be disallowed from taking two part time places for their child, thus limiting the number of places available.

(l) Right of appeal. If a child is refused a place at a preferred school, they will have the right of appeal for that school. Parents must give their grounds of appeal in writing and will be given at least 20 school days to submit these to the local authority. Further information can be found on the local authority’s website (www.salford.gov.uk/primary-appeal)

(m) Part time, deferred and delayed admission. The admission authority provides for the admission of all children in the September following their fourth birthday. However, where a child has been offered a place at a school the child’s parents or carers can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age, and not beyond the beginning of the final term of the school year for which it was made. Alternatively, where parents wish, children may attend part time until later in the school year but not beyond the point at which they reach compulsory school age. Parents wishing to take either of the above options should inform their allocated school as soon as a place is offered so appropriate arrangements can be made. Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. Parents should contact the head teacher of the school concerned in the first instance to discuss an application for admission outside of the normal age group. In addition, parents of children born between 1 April and 31 August (summer-born children) may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year one, for example, starting reception a year later than those in their age group. This request should be made to the school admissions team in writing, giving reasons for the request. This should be done at the time the child would usually be expected to apply for a reception place. The request will be considered in conjunction with the school and the parent, and the admission authority for the school will decide on whether the child should be offered delayed admission or not. The decision, and the reasons for it, will be communicated to the parent in writing.

(n) In-year admissions. If applying for a place at Broadoak Primary School during the school year, parents should send their applications to the school admissions team at Salford City Council. More information can be found at www.salford.gov.uk/inyear
Broughton Jewish Cassel Fox Primary School

Admission policy 2019/2020
Broughton Jewish Cassel Fox Primary School serves the orthodox Jewish community of Greater Manchester. It seeks to provide a broad and balanced education based on traditional Torah values combined with the national curriculum.

Applications to join the school are dealt with confidentially and are processed as quickly as possible. Prospective applicants are encouraged to look around the school and experience the happy atmosphere in which each child achieves his or her fullest potential.

We are delighted to welcome children whose families are understanding and supportive of the Torah ethos of our school. We emphasise the importance of Shemiras Shabbos, Middos Tovos and Tznius, modesty in every aspect of everyday life. It is crucial that pupils experience no conflict between their school life and their home life. It is therefore important for parents to appreciate our aspirations and work with us for the benefit of our children.

The school caters for children of families who conduct their lives in accordance with the laws of the Shulchan Aruch particularly in relation to Shabbos observance and Kashrut. By applying to the school families are implying acceptance of its ethos and terms of reference. The governors will admit all children who have statements of special educational needs or education, health and care plan in which the school is named.

Admission dates
Most children enter our school’s private pre-nursery, in the school year that they become three years old, or into the nursery in the year they become four. In all cases applications must be made by 15 January for September entries in any year.

Children may join the school later, at any time during the school year upon prior arrangement with the head teacher.

Oversubscription criteria
The admission number for the school is 60. In the event of oversubscription in any one year and subject always to the criteria set out above admission will be applied as listed below:

1. Orthodox Jewish children who are looked after by a local authority under the provisions of the Children Act 1989 and formerly looked after children.
2. Orthodox Jewish children with a brother or sister or step brother or sister residing at the same address as a pupil currently in the school. This includes stepchildren and foster children living with the same family at the same address. Other children may be considered under the sibling criterion provided proof is available to demonstrate that the children are permanently resident at the same address and part of the same family unit. The school accepts that in some family units, the children may not be natural brother or sister.
3. Orthodox Jewish children coming through our own Kindergarten and nursery.
4. Orthodox Jewish children living within a radius of one mile from the school as the crow flies, and adhering to our ethos of Shabbat observance and Kashrut as prescribed by the Shulchan Aruch.
5. Other Jewish children.
6. Other children who are looked after by a local authority under the provisions of the Children Act 1989 and formerly looked after children.
7. Other children.

Please note
(a) Parents of pupils who are refused admission can apply to an appeals committee for the case to be reviewed. In such cases the parent or carer has to contact the clerk to the governing body at the school.

(b) Families may be required to produce independent references as regards their observance of Shabbos, Yom Tov, Kashrus and so on, from the rabbi of their community or synagogue verifying their degree of practical commitment to orthodox Judaism.

(c) Tie breaker: Where there are more children in one particular criterion than there are places available, places will be allocated to the children whose home address is nearest to the school. The distance will be measured in a straight line. Those children whose home address is closest to the school will be those who get priority for places. In the event of a tie, where two or more pupils’ home address is the same distance from the preferred school and only one place is available, random selection will be used.

(d) The child’s home address. This is considered to be the child’s normal place of residence. If parents are separated and the child spends time at each parent’s address, the address which will be used for admission to schools is that of the main carer. The main carer is determined as the parent who is in receipt of child benefit. If a child is resident with friends or relatives for reasons other than guardianship, the friend or relative’s address will not be considered.
Christ Church CE Primary School

Admission policy 2019/2020

Christ Church CE Primary School is a voluntary aided school. Admissions to an aided school are the responsibility of the governors, in liaison with the Diocesan Board of Education and Salford City Council (the local authority). Responsibility for admissions is delegated to the governing body admissions committee.

Admissions arrangements for September 2019

Reception

The school’s published admission number agreed for admission to the reception class is 30. If no more than 30 applications are received for admission to the reception class, all applicants will be offered places.

Nursery

The school also has a nursery and 30 children may be admitted to this. Admission to the nursery class does not guarantee admission to the reception class. A separate application must be made for a place in reception.

Applications for a place in the reception class must be made using the common application form available from the local authority. In addition, applicants seeking a place under one of the faith-based admission criteria (criteria 4 and 5 below) should complete and return the school’s supplementary information form by the closing date for applications.

Children will be admitted to the reception class at the beginning of the autumn term before their fifth birthday, and to the nursery class at the beginning of the autumn term before their fourth birthday. Please see the notes below about requests for deferred admission to reception, and requests for admission outside a child’s normal age group.

The school will admit all children with an education, health and care plan in which the school is named.

1. Looked after children and previously looked after children

A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

2. Children whose medical or social circumstances mean that their needs can only be met at this school.

3. Children who will have an older brother or sister attending the school at the time of their admission.

4. Baptised children and their parent(s) or guardian(s) who are in regular attendance at any of the Eccles Church of England team ministry, for example, Christ Church, Patricroft; St. Andrew’s Eccles; Eccles Parish Church, St. Paul’s Monton; St Mary the Virgin, Eccles.

5. Baptised children from a Church within the Eccles Church of England team ministry, for example, Christ Church, Patricroft; St. Andrew’s Eccles; Eccles Parish Church, St. Paul’s Monton; St Mary the Virgin, Eccles.

6. Children whose parents are in regular attendance of churches which are in agreement with the Churches Together statement of faith.

7. Any other children, with priority based on geographical proximity to the school.

Notes

(a) No child can automatically transfer from nursery to reception class. Where a school is oversubscribed, places in the reception class must be allocated according to the published admission criteria, with children who have attended nursery being considered on the same basis as those who have not.

(b) Where admission is sought under special medical or social circumstances criteria, professional supporting evidence, for example, from a doctor, psychologist or social worker, is essential. Such evidence must set out the particular reasons why the school is the most suitable for the child and the difficulties that would be caused if the child had to attend another school.

(c) Brother or sister includes full, step, half, foster and adopted brothers or sisters living at the same address and full brother or sister living apart.

(d) Regular attendance means a minimum of monthly attendance at church at public worship for the year prior to the application. Evidence of infant baptism or dedication of the child and of regular attendance of the parent(s) or guardian(s) must be provided by a member of the clergy or other designated church officer on the supplementary form provided.

(e) Documentary evidence of a child’s baptism for example, baptism certificate must be produced at the time of application if applying under criterion 4 or 5.

(f) Where there are more applicants for the available places within a category, then distance will be calculated from the address point of the child’s home address to the centre point of the school in a straight line, with nearer addresses having priority over more distant ones.

(g) The child’s home address is considered to be the child’s parent(s) or carer(s) place of residence, that is, where they normally and regularly live. If parents are separated and the child spends time at each parent’s address, the address which will be used for admission purposes is that of the main carer. The main carer is determined as the parent who is in receipt of child benefit. If a child resides with friends or relatives who do not have guardianship, the friends or relatives address will not be considered.

(h) In the event of a tie where two or more pupils’ home address is the same distance from the preferred school and only one place is available, random allocation will be used as a tie breaker. This will be carried out by an independent person. Eligible names will be placed in a hat. One name will be drawn from the hat and the remaining place will be offered to that person. This process also applies to the waiting list where two or more pupils are eligible for one vacancy and live the same distance from the preferred school.

(i) Where there are children of multiple births wishing to be admitted and the sibling is the 30th child, the governors may admit over the published admission number if it is possible to do so, as in such circumstances the child is an exceptional case for the purposes of the infant class requirement.

(j) A map showing the area covered by the parishes of the local Anglican team ministry and a list of churches within the parishes can be viewed at www.achurchnearyou.com

(k) A list of Churches Together in Britain and Ireland, can be viewed www.ctbi.org.uk or by contacting the school office.
Appeals
Where the governors are unable to offer a place because the school is oversubscribed, parents will be informed of the reason why and advised of their right to appeal to an independent admission appeal panel, set up under the School Standards and Framework Act 1998, as amended by the Education Act, 2002. All appeals need to be submitted within 20 days of the date of the offer letter. Parents will have the opportunity to submit their case to the panel in writing and also to attend in order to present their case. You will normally receive 14 days notice of the place and time of the hearing.

Deferred admissions
Parents or guardians of children admitted into the nursery or reception class at the beginning of the autumn term may request that their child attends on a part time basis until he or she reaches compulsory school age. Requests for admission outside a child’s normal age group.
Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year one.

Parents requesting admission out of the normal age group must put their request in writing, addressed to the head teacher at the school, together with any supporting evidence that the parent wishes to be taken into account. The governing body will make decisions on requests for admission outside the normal age group on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent’s views; any information provided about the child’s academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The governing body will also take into account the views of the head teacher. When informing a parent of their decision on the year group the child should be admitted to, the governing body will set out clearly the reasons for their decision. Where the governing body agrees to a parent’s request for their child to be admitted out of their normal age group and, as a consequence of that decision, the child will be admitted to a relevant age group (for example, the age group to which pupils are normally admitted to the school), the local authority and governing body must process the application as part of the main admissions round, unless the parental request is made too late for this to be possible, and on the basis of their determined admission arrangements only, including the application of oversubscription criteria where applicable. The governing body must not give the application lower priority on the basis that the child is being admitted out of their normal age group. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

Waiting list
Where there are more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on the list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible for a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time. Looked after children and previously looked after children along with any in-year fair access applications will take precedence over the waiting list. If a place becomes available, within the admission number, the child whose name is at the top of the list will be offered a place. This is not dependent upon whether an appeal has been submitted. The waiting list will operate until the end of the autumn term only. It should be noted that the length of time on the school’s waiting list is not considered a relevant factor.

In-year admissions
In-year applications received outside the normal admissions for children qualifying under the published criteria will be admitted, if places are available. Applications to the school should be made to the school admissions team. If there are places available but more applications than places, then the published oversubscription criteria will be applied.
Christ The King RC Primary School

Admission policy 2019/2020

Christ The King is a Roman Catholic primary school provided by the Diocese of Salford and is maintained by Salford local authority as a voluntary aided school. The school’s governing body is the admissions authority and is responsible for taking decisions on applications and admissions.

For the school year commencing September 2019 the governing body has set its planned admission number at 30.

Admission to the school will be made by the governing body in accordance with the stated preferences it receives, subject to the following set of criteria, which will be used to form a priority order if there are more applications for admission than the school has places available.

1. Baptised Roman Catholic looked after children and previously looked after children.
2. Baptised Roman Catholic children with exceptional need and/or social need.
3. Baptised Roman Catholic children who will have a sibling attending the school at the time of admission and resident in the parish of Christ The King.
4. Baptised Roman Catholic children resident in the parish of Christ The King.
5. Other baptised Roman Catholic children who will have a sibling attending the school at the time of admission and are resident in another parish.
6. Other baptised Roman Catholic children who are resident in another parish.
7. Other looked after children or who were previously looked after children.
8. Other children with exceptional medical and/or social need.
9. Other children with a brother or sister attending the school at the time of admission.
10. Other children.

Notes

(k) Each applicant will be required to complete a supplementary faith request form. For a child to be considered as a Catholic, evidence of a Catholic baptism will be required.

(l) Looked after child. A looked after child is (a) in the care of local authority, or (b) being provided with accommodation by a local authority in the exercise of their social service function under section 22 [1] of The Children Act 1989. A previously looked after child is one who immediately moved on from that status after becoming subject of an adoption, residence or special guardianship order.

(m) If a child has a statement of special educational needs naming a specific school, there is a duty to admit the child.

(n) Exceptional medical and/or social need

Children for whom the governors accept that there are exceptionally strong medical, social or welfare reasons associated with the child and/or family which are directly relevant to the school concerned. Supporting professional evidence will be required. Professional supporting evidence from for example, a doctor, psychologist or social worker is essential if admission is to be made under the criteria for exceptional need and such evidence must set out the particular reasons why this school is the most suitable school for these difficulties.

(o) Sibling is defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister or the child of the parent or carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

(p) Parish boundaries. Parents should check carefully whether they are resident within the parish boundaries. A map is available at the school.

(q) Class size. It is the duty of governors to comply with class size limits at key stage one. This means that the school cannot operate classes in key stage one of more than 30 children.

(r) The governing body may exceed the regulations for twins and children from multiple births where one of the children is the 30th child admitted.

(s) Residence. The parents’ or carers’ address is considered to be the child’s parents’ or carers’ genuine principal place of residence for the child at the time of allocation of places. All applicants resident in the parish of Christ The King will be required to provide proof of address by supplying an original, up to date utility bill or family credit book.

(t) Where a child lives with parents with shared responsibility, each (or part of) a week, the child’s ‘permanent place of residence’ will be determined as the address to where the child benefit is paid.

(u) Tie breaker. If in any category there are more applications than places available, priority will be given on the basis of proximity to the school, for example, the distance is measured along a straight line from the address point of the child’s permanent home address to the centre point of the preferred school using the local authority computer system.

(v) The children who live closest to the school will be those who get priority for places. In the event of distances being the same for two or more applicants where this distance would be last places to be allocated, a random lottery will be carried out in a public place.

(w) All the names will be entered into a hat and the required number of names will be drawn out.

(x) If an application for admission has been turned down by the governing body, parents can appeal to an independent appeals panel. This appeal must be sent in writing to the clerk of the governing body at the school within 20 days of notification of refusal. The date of notification will be two working days after posting by first class post. The parents must give their reasons for appealing in writing and the decision of the appeals panel is binding on the governors.

(y) The outcome of the appeal is binding on the parent’s and on the governing body.

Closing date for applications: 15 January 2019

www.salford.gov.uk/school-admissions-online
Dukesgate Academy
Primary School

Admission policy 2019/2020

Objectives and constraints

The Salford Academy Trust (SAT) is responsible for determining the academy’s admission policy. In undertaking this responsibility, the academy will be guided by the requirements of the law and will conform fully to the Department for Education school admissions code (2014). The admissions oversubscription criteria have been created to ensure fairness, transparency and ease of operation to minimise appeals.

Admission number(s)

The planned admissions number for reception will be 30 children.

Priorities for admissions

The academy will admit children with an education, health and care plan naming Dukesgate Academy. We will then allocate the remaining places in accordance with this policy.

Where more applications are received than there are places available, applications will be considered in accordance with the academy’s published oversubscription criteria following the order stated below.

Oversubscription criteria

Where the number of applications for the Academy received during the normal admissions round exceeds the admission number of the school, or an admission limit set higher than the admission number, then admission will be determined in accordance with the following priority of admission criteria:

1. Looked after children as defined by section 22 of the Children Act 1989 and former looked after children.

2. Children in need, as defined by the Children Act (1989). For example, those who are unlikely to achieve or maintain or have the opportunity of achieving or maintaining a reasonable standard of health or development or a child or children whose health or development would be further impaired without the provision of services of the local authority. Applications under this criterion would need to be supported by an appropriate professional such as a social worker, doctor or educational psychologist, stating that attendance at Dukesgate Academy is essential.

3. Medical reasons. If claiming medical reasons, parents or carers must provide evidence from the doctor that the child has a medical condition which means that admission to Dukesgate Academy is essential.

4. Older brother or sister in attendance at the Academy at the date when the pupil is to be admitted. This includes stepchildren and foster children living with the same family at the same address. Other children may be considered under the sibling criterion provided proof is available to demonstrate that the children are permanently resident at the same address as part of the same family unit. The academy accepts that in some family units children may not be natural brother or sister.

5. Distance from the academy. This will be measured in a straight line (as the crow flies) from the child’s permanent home address to the front entrance of the academy.

Home address

The child’s home address will be deemed to be a residential property at which the person, or persons, with parental responsibility for the child resides at the closing date for receiving applications for admission to the academy. Where parental responsibility is held by more than one person and those persons reside in separate properties, the child’s ordinary place of residence will be deemed to be that property at which the child resides for the greater part of the week including weekends.

Tie Breaker

As noted above, upon oversubscription, places will be allocated up to full capacity by filling up each of the categories in order. Should the Academy need to differentiate between the applicants within any of the categories, the following tie breakers will be applied:

- Tie breakers within criteria 2 to 4 will be distance from the academy (as per criteria 5).
- Tie breakers within criteria 5 (for example if applicants live in a block of flats) then random allocation will apply.

Waiting lists

The academy will operate a waiting list for each year group. Where in any year the academy receives more applications for places than there are places available, a waiting list will operate until the end of the first term after the beginning of the school year. This will be maintained by the academy trust and it will be open to any parent to ask for his or her child’s name to be placed on the waiting list, following an unsuccessful application. Children’s position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

Closing date for applications: 15 January 2019

www.salford.gov.uk/school-admissions-online
Godfrey Ermen Memorial
CE Primary School

Admission policy 2019/2020
Godfrey Ermen Memorial is a Church of England primary school provided by the Diocese of Manchester and is maintained by Salford City Council as a voluntary aided school.

The school’s governing body is the admissions authority and is responsible for taking decisions on applications for admissions. For the school year commencing September 2019, the governing body has set its planned admissions number at:
- 45 for nursery
- 60 for reception, year 1, 2, 3, 4, 5, 6

The school will admit all children with an education, health and care plan in which the school is named.

Admission to the school will be made by the governing body in accordance with the stated parental preferences it receives, subject to the following set of criteria which will be used to form a priority order if there are more applications for admission than the school has places available. See notes for supporting information.

1. Looked after children (children in public care) and previously looked after children.
   - This includes children who have ceased to be looked after because they were adopted or became subject to a special residency order or special guardianship order.

2. Children in need as defined by the Children Act (1989), for example, those who are unlikely to achieve or maintain a reasonable standard of health or development or a child or children whose health or development would be further impaired without the provision of services by the local authority. Confirmation of the child’s needs will be required from their social worker. (see note e).

3. Medical reasons. If claiming medical reasons, parents or carers must provide evidence from a medical professional that the child has a medical condition which means that admission to a particular school is essential (see note f).

4. Older brother or sister in attendance at the school at the date when the pupil is to be admitted. This includes step children and foster children living with the same family at the same address. Other children may be considered under this criterion provided proof is available to demonstrate that the children are permanently resident at the same address and part of the same family unit. The authority accepts that in some family units the children may not be natural brothers and/or sisters.

5. Has at least one parent or carer who worships regularly at the Parish Church of St Michael and All Angels with St Catherine, Barton with Peel Green, (see note g).

6. Has at least one parent or carer who worships regularly in any other Christian church (see notes g and h).

7. The child has been baptised according to the rites and practices of the Church of England – documentary evidence (for example, baptism Certificate) must be produced if making application on this criterion.

8. All other children.

Notes:

(a) No child can automatically transfer from a nursery to a reception class. Where a school is over-subscribed, places in the reception class must be allocated according to the published admission criteria, with children who have attended the nursery being considered on the same basis as those who have not.

(b) All applicants will be considered at the same time by the admissions committee after the closing date for admissions which is 15 January (or the next working day).

(c) It should be understood that the order in which these admission criteria are written is the order in which they will be applied. Therefore children who meet criterion 1 will be admitted before any children who do not and so on.

(d) Should the admission number be exceeded in any one criterion the priority will be given to those who fulfil that criterion and live nearest to the school, distance being calculated on the basis of a straight line using the LLPG (Land and Property Gazetteer) from the front door of the permanent place of residence of the child to the centre of the school. Where more than one criterion apply, the address used will be that to which child benefit is paid. In the event of a tie, where two or more pupils’ home address is the same distance from the preferred school and only one place is available, random allocation will be used. Randomly means that the children’s names will be drawn out of a hat by an independent person, supervised by a member of the admissions panel.

(e) Children in need: in Salford, children who would be eligible for this criterion are those who are at level 3 and have ongoing social worker involvement, and all at level 4 on the ‘Thresholds of needs and response in Salford’ (www.partnersinsalford.org/sscb/thresholds.htm). For children resident in other local authorities, contact will be made with the child’s social worker to confirm that the child’s level of need falls within these boundaries of the Salford thresholds. Salford City Council must have confirmation of an applicant’s level of need from an appropriate professional before they will be considered under this criterion.

(f) Where admission is sought under exceptional medical criteria, applicants will be required to submit a medical form completed by an appropriate medical professional. Attendance will be deemed essential by the admissions panel where, due to the child’s medical needs, the location of the school, the school building, or the support it is able to offer the child is unique in meeting the child’s needs and cannot be provided by another school.

(g) Children’s home address. The child’s home address is essential (see note f).

(h) It is the duty of the governors to comply with class size limits at key stage one. This means that the school cannot operate classes of more than 30 in key stage one with exceptions of the children of multiple births or the children of armed services personnel over 30, should they be the final children to be offered places.

(i) Multiple births. If there is a situation where only one place is available and the next children to be offered are siblings of a multiple birth, all the siblings will be offered places.

(k) The child’s home address. The child’s home address is considered to be the child’s parent or carer(s) place of residence, that is to say, where they are normally and regularly living. If parents are separated and the child spends time at each parent’s address, the address which will be used for admission to schools is that of the main carer. The main carer is determined as the parent who is in receipt of child benefit. If a child is resident with friends or relatives for reasons other than guardianship, the friend or relative’s address will not be considered.

(l) Temporary addresses. The admissions panel may, at its discretion, consider as genuine a child’s temporary address where, for example, the child is living with his or her parent or carer(s) in temporary accommodation due, for example, to their parent or carer(s) working commitments, whilst they are seeking a permanent address in the same area. If the parent or carer(s) main address has changed temporarily, for example where a parent or carer resides with extended family during a period of sickness or takes up temporary accommodation due to building or renovation work, then the parent or carer(s) address remains that at which the child or carer(s) was resident before the temporary residence began.

(m) Change of address. Any permanent change in address must be notified in writing or by email to the school as soon as possible. Where a change of address occurs after the closing date and before the offer date, the local authority will consider a change of preferences to be on time only where the change of address is over two miles from the previous address (measured from address point to address point in a straight line using the LLPG (Land and Property Gazetteer) from the front door of the permanent place of residence of the child).
Closing date for applications: 15 January 2019

Please take note of the following information regarding your child’s home address:

Many schools use children’s addresses when deciding who to offer places to. You must give the correct permanent home address. This is where the child and parent, or the person who has care of the child or parental responsibility, normally lives. We carry out checks to confirm that addresses are genuine.

If we are unable to verify an address, or any issues are raised concerning your address, we may carry out further checks. We may ask to see two forms of evidence of your home address (photocopies are acceptable). This may include:

- proof of where you are registered for council tax
- your television licence
- wage or salary slip
- proof of your child tax credits.

Any evidence you provide must show that the parent or main carer lives at this address.

If your address changes temporarily (for example, if you go to live with a relative) you cannot use this temporary address.

Waiting list: Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible that a child who moves into the area later has a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admission number, the child whose name is at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted. This waiting list will operate until the 31 December only. If a place is still required once the waiting list has ended, then it is necessary to reapply for a place using the in-year process via this link www.salford.gov.uk/inyear.

Deferred admissions: Children will be admitted to the reception class at the beginning of the autumn term before their fifth birthday, and to the nursery class at the beginning of the autumn term before their fourth birthday. Parents may request that their school place be deferred until later in the school year and if they do this the place will be held for the child. They cannot, however, defer entry beyond the beginning of the term after the child’s fifth birthday, nor beyond the school year for which the original application was accepted. Parents can also request that their child attends on a part time basis until the child reaches compulsory school age.

Late applicants: Any application received after the closing date, but before the offer of places, will be deemed late and will be considered after those received on time. The offer of a place will be decided in accordance with the published admission criteria. Any application received after the allocation of places will be considered as they are received.

Appeals:

Where the governors are unable to offer a place because the school is oversubscribed, parents have the right to appeal to an independent admission appeal panel, set up under the School Standards and Framework Act, 1998, as amended by the Education Act, 2002. Parents should notify the clerk to the governors at the school within 20 days of receiving the letter refusing a place. Parents have the opportunity to submit their case to the panel in writing and also attend in order to present their case. You will normally receive 14 days’ notice of the place and time of the hearing.

Nursery admissions:

There are 45 places available in the nursery. The governors shall determine how many of these are to be allocated on a full time or part time basis each year, depending on the number of applicants.
Holy Cross and All Saints
RC Primary School

Admission policy 2019/2020
Holy Cross and All Saints School is a Roman Catholic primary school provided by the Diocese of Salford and is maintained by the Salford education authority as a voluntary aided school. The school’s governing body is the admissions authority and is responsible for taking decisions on applications and admissions. The governing body has set its planned admissions number at 45 for children in reception and at 26 for the nursery class.

Admission to the school will be made by the governing body in accordance with the stated parental preference subject to the following set of criteria, which will be used to form a priority order if there are more applications for admission than the school has places available.

1. Baptised Roman Catholic children who are in public care including previously looked after children who have ceased to be looked after because they were adopted or became subject to a residency order or special guardianship order.
2. Baptised Roman Catholic children who will have a brother or sister attending the school at the time of admission and resident in the parish of Holy Cross (including new additions from St Marys parish border).
3. Baptised Roman Catholic children resident in the parish of Holy Cross (including new additions from St Marys parish border).
4. Other baptised Roman Catholic children who will have a brother or sister attending the school at the time of admission and resident in another parish.
5. Other baptised Roman Catholic children who are resident in another parish.
6. Other children who are in public care including previously looked after children who have ceased to be looked after because they were adopted or became subject to a residency order or special guardianship order.
7. Exceptional needs.
8. Other children with a brother or sister attending the school at the time of admission.
9. Other children.

Notes
(a) The governing body is the admissions authority. Admissions are included in the remit of the curriculum, pupils and admissions committee.
(b) The governing body shall consider all applicants at the same time after the closing date for admissions. Parents will be notified of the governors’ decision by the local authority on a date determined by the local authority and published in the information booklet to parents and on their website.
(c) In the autumn term all parents who have expressed an interest in a school place will be sent a copy of the local authority’s ‘primary admission booklet’ which gives details of the local authority’s co-ordinated admissions arrangements. These are available from local authority offices, public libraries and primary schools.
(d) Admissions to the school will be determined by the governing body. Parents must complete a local authority preference form which can be obtained from the school office or apply online via the website www.salford.gov.uk/school-admissions-online. Parents must adhere to the relevant closing date (see Salford City Council website). All applicants will be considered against the published criteria. Parents who wish to apply to this Roman Catholic school to be considered against the local authority’s faith criteria should also complete the supplementary application. If the school is oversubscribed, a waiting list will be maintained. This will be ordered according to the published criteria.
(e) It is the duty of governors to comply with class size limits which includes infant reception, year one and year twol class size legislation. This means that the school cannot operate classes of more than 30 children.

Additional and supplementary forms
All parents who list their preferred schools on the local authority’s common application form are regarded as having made valid applications. An additional or supplementary form may also have to be completed for applicants considered under faith criteria.

Parents and family members
A parent is any person who has parental responsibility for, or, is the legal guardian of the child. Where admission arrangements refer to parents attendance at church it is sufficient for just one parent to attend. Family members include only parents, as defined above, and siblings.

Exceptions and supplementary forms
Parents should check carefully whether they are resident within the parish boundaries of Holy Cross. Please see the map on Salford City Council and school website.

Baptism and parish boundaries
Each Roman Catholic applicant will be required to produce a baptismal certificate. Parents should check carefully whether they are resident within the parish boundaries of Holy Cross. Please see the map on Salford City Council and school website.

Late applications
Applications received after this date will be treated as a late application and will not be considered until after the main allocation of places has taken place.

Distance
If in any category there are more applications than places available, priority will be given on the basis of proximity to the school.

Special needs
If a child has an education, health and care plan naming a specific school there is a duty for the school to admit the child.

Twins and multiple births
The governing body reserves the right to give special consideration to twins or triplets and so on, to prevent breaking the sibling link.

Waiting lists
If the school is oversubscribed, a waiting list will be maintained. This will be ordered according to our admission oversubscription criteria.

Notes
Late applications
All applications will be considered at the same time and after the closing date for admissions which is 15 January 2019. Applications received after this date will be treated as a late application and will not be considered until after the main allocation of places has taken place.

Late applications will be considered in accordance with the published admissions criteria.
Appeals
If an application for admission has been turned down by the governing body parents can appeal to the independent appeals panel. This appeal must be sent in writing to the clerk to the governors at the school within 20 days of notification of refusal. The date of notification will be two working days after posting by first class post. The parents must give their reasons for appealing in writing and the decision of the appeals panel is binding on the governors. The outcome of the appeal is binding on the parents and the governing body.

In-year admissions
For in-year applications received outside the normal admissions round, if places are available they will be offered to those who apply. If there are places available, but more applicants than places, then the published admission criteria will be applied.

Holy Family Roman Catholic Primary School

Admission policy 2019/2020
Holy Family Catholic Primary is a Catholic primary school under the trusteeship of the Diocese of Salford. It is maintained by Salford City Council. As a voluntary aided school, the governing body is the admissions authority and is responsible for taking decisions on applications for admissions. The co-ordination of admissions arrangements for reception to year six is undertaken by the local authority. For the school year commencing September 2019, the governing body has set its admissions number at 30.

Admission to the school will be made by the governing body. All preferences listed on the application form will be considered on an equal basis with the following set of admissions criteria forming a priority order where there are more applications for admissions than places available. The governors will admit all children who have an education health and care plan, in which the school is named. In the event of over subscription for the remaining places they will be allocated by use of the following criteria applied in order:

1. Baptised Catholic looked after children who are in the care of the local authority and previously looked after children*.
2. Baptised Catholic children who have a sibling in the school at the time of admission.
3. Baptised Catholic children resident in the parishes of St James and All Souls.
4. Baptised Catholic children from other parishes.
5. Non Catholic looked after children who are in the care of the local authority.
6. Non Catholic children who have a sibling in the school at the time of admission.
7. Other children.

Notes
(a) All applicants will be considered at the same time and after the closing date for admissions which is 15 January 2019.
(b) All Catholic applicants will be required to produce a baptismal certificate when they apply for a school place. These must be submitted to the school prior to the closing date of 15 January 2018. A copy of the parish map can be obtained on the school website.
(c) It is the duty of governors to comply with class size limits at key stage one.**
(d) If in any category there are more applications than places available, priority will be given on the basis of distance from home to school. Distance will be measured in a straight line from the address point of the child’s home address (including the community entrance to flats) to the centre point of the school using the local authority’s computerised measuring system with those living nearer to the school having priority. In the event of distances being the same for two or more applicants, where this distance would be last place(s) to be allocated, a random lottery will be carried out in a public place. All the names will be entered into a hat and the required number of names will be drawn out. This will be supervised by an independent person.
(e) Where a child lives with parents with shared responsibility, each for part of a week, the child’s permanent place of residence will be determined as the address of the parent who normally has responsibility for the majority of school days in a week.
(f) Sibling is defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent or carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.
(g) A waiting list for children who have not been offered a place will be kept and will be ranked according to the admission criteria. Parents will be informed of their child’s position on the waiting list which will not be operated for longer than the end of the autumn term. This list will be re-ranked each time a new application is received, meaning that applications can move both up and down the waiting list.
Closing date for applications: 15 January 2019

Salford primary schools

Definition:
*Previously looked after children who have ceased to be looked after because they were adopted or became subject to a special residency order or special guardianship order.
**Exceeding statutory infant class size limits will be allowed where the 31st child is a twin or from a multiple birth, or of armed forces personnel.

(h) For in-year applications received outside the normal admissions round and if places are available then children qualifying under the published criteria will be admitted. If there are places available but more applicants than places, then the published oversubscription criteria will be applied. In-year and late applications will be treated as per the co-ordinated arrangements published by the local authority.

(i) If an application for admission has been turned down by the governing body, parents can appeal to an independent appeals panel. Parents must be allowed at least 20 school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the appeals panel is binding on the governors.

(j) The governing body reserves the right to withdraw the offer of a school place where false evidence is received in relation to baptism, sibling connections or place of residence.

(k) Parents are entitled to defer entry on a part time basis, full deferral until compulsory school age or a full deferral until year one for a summer born child applying for a reception place. Parents should contact the head teacher if they wish to defer or delay entry.

(l) Requests for a placement out of age, either at point of entry into the school or requests made during the school year, will be dealt with on an individual basis. The school will seek advice from the Salford City Council where appropriate.

Marlborough Road Academy

Procedure for admitting pupils to the Marlborough Road Academy. Marlborough Road Academy is sponsored by Salford Academy Trust.

Objectives and constraints
Salford Academy Trust is responsible for determining the academy’s admission policy. In undertaking this responsibility, the trust will be guided by the requirements of the law and will conform fully to the admissions code. The admissions oversubscription criteria have been created so as to ensure fairness, transparency and ease of operation to minimise appeals.

Admission number(s)
The planned admissions number for reception will be 60.

Priorities for admissions
The academy will admit children with a statement of special educational needs naming the academy. We will then allocate the remaining places in accordance with this policy.

Where more applications are received than there are places available, applications will be considered in accordance with the academy’s published oversubscription criteria following the order stated below:

Oversubscription criteria
Where the number of applications for the academy received during the normal admissions round exceeds the admission number of the school, or an admission limit set higher than the admission number, then admission will be determined in accordance with the following priority of admission criteria:

1. Looked after children as defined by section 22 of the Children Act 1989 and former looked after children. This includes children who have ceased to be looked after because they were adopted or became subject to a child arrangements order or special guardianship order
2. Children in need - as defined by the Children Act (1989) meaning those who are unlikely to achieve or maintain or have the opportunity of achieving or maintaining a reasonable standard of health or development or a child or children whose health or development would be further impaired without the provision of services of the local authority. Applications under this criterion would need to be supported by an appropriate professional stating that attendance at a particular school is essential.
3. Medical reasons. If claiming medical reasons, parents or carers must provide evidence from the doctor that the child has a medical condition which means that attendance at a particular school is essential.
4. Older brother or sister in attendance at the Academy at the date when the pupil is to be admitted. This includes stepchildren and foster children living with the same family at the same address. Other children may be considered under the sibling criterion provided proof is available to demonstrate that the children are permanently resident at the same address as part of the same family unit. The trust accepts that in some family units children may not be natural brother or sister.
5. Distance from the academy. This will be measured in a straight line (as the crow flies) from the child’s permanent home address to the front entrance of the Academy.

The child’s ordinary place of residence will be deemed to be a residential property at which the person or persons with parental responsibility for the child resides at the closing date for receiving applications for admission to the academy. Where parental responsibility is held by more than one person and those persons reside in separate properties, the child’s ordinary place of residence will be deemed to be that property at which the child resides for the greater part of the week including weekends.

If the academy cannot differentiate between the applications within criteria 2 to 5 a random allocation tie breaker will be applied. This may be required for example, where applicants reside in the same block of flats or are children of a multiple birth living at the same address.
Closing date for applications: 15 January 2019

Waiting lists
The academy will operate a waiting list for each year group. This will be maintained by the academy and it will be open to any parent to ask for his or her child’s name to be placed on the waiting list, following an unsuccessful application.

Children’s position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

Applying for a place at Marlborough Road Academy
At Marlborough Road Academy, we try to accommodate all children who want to come here, although places will be offered in line with the above admissions criteria. We can accept up to 60 children in the nursery class and 60 into the reception class each year.

Children currently in another primary school can be admitted to Marlborough Road Academy at any appropriate age but will only be admitted at certain times throughout the year. The in-year admission dates are as follows:

- First week of autumn term (September)
- First week after October half term holiday
- First week of spring term (January)
- First week after February half term holiday
- First week of summer term (April)
- First week after Whit half term (June)

While children are waiting to be admitted, they will be given work to complete at home and will visit the school at pre-arranged times to help them integrate into their new class.

Children moving into the area and not currently in a school will be admitted as soon as a place becomes available.

Admission to the nursery class
Marlborough Road Academy is on the boundary of the Salford City Council. When applying for a place you complete the Salford application form for entry. You can apply online at www.salford.gov.uk/apply-for-a-primary-place

Children can be admitted to the nursery when they are three years old or if they will reach this age before 31 August in the year they are admitted.

Admission applications should be made through the Salford admissions team for the September intake. Information and application packs will be available from late October in the year before the September intake.

The deadline for applications is usually the middle of January. Places are announced via letter or email usually during the middle of April. You will normally be given at least ten working days to let the local authority know whether you want to accept this offer. If you do not respond within this timescale the place may be offered to another child.

Late applications will only be dealt with once all other applications have been allocated and accepted.

A place in the nursery class does not guarantee a place in the next class, reception, as all parents must re-apply for a reception class place.

Admission to the reception class
Marlborough Road Academy is on the boundary of the Salford City Council. When applying for a place you complete the Salford application form if you pay your council tax to Salford City Council and the Manchester application form if you pay your rates to Manchester City Council. You can apply online at www.salford.gov.uk/apply-for-a-primary-place or http://www.manchester.gov.uk/info/500321/primary_school_admissions

Children transfer into the reception class at the end of the nursery year when they are four years old.

In-year applications for all year groups
Usually, children transfer through the year groups until they are 11, when they normally move to a local secondary school.

If you would like your child to attend Marlborough Road Academy you should first contact the school for information, and complete an application form. The academy will then allocate a place in the required year group if one is available. If a place is not available your name will be placed on a waiting list at Marlborough Road Academy and your application will be referred to the local authority and you will be sent a list of schools that do have places available.

Arrangements for the admission of pupils with disabilities
Most children with special educational needs or disabilities will not be disabled within the meaning of the Equality Act 2010. The admission of pupils with disabilities is considered in the first instance in the same way as non-disabled pupils. Further considerations are made in the light of need and accessibility. In practice we ensure that classroom and extra curricular activities encourage the participation of all pupils, including those having special educational needs or disabilities. Staff organise resources within the school to increase access to learning and participation by all pupils.

How to appeal if a place has been refused
If you are not offered a reception place at the school you have the right to appeal against the decision.

The law on infant class sizes states that no five, six or seven year olds should be in a class of more than 30 pupils; the circumstances where an appeal committee can uphold an appeal for these year groups are therefore limited.

The Department for Education publishes a guide for parents on school admissions and appeals. The guide explains the school admissions and appeals processes, what parents can expect from the admissions system; how to object to unlawful arrangements and how to find further information and support.

This policy should be read in conjunction with the Salford publication “Choosing a school in Salford” which is available from the school; can be downloaded from www.salford.gov.uk/primary-schoolapply.htm; or can be requested by e-mail from school.admissions@salford.gov.uk.
St Augustine’s CE Primary School

Admission policy 2019/20
Admissions to St Augustine’s CE Primary School are the responsibility of the governors, in agreement with the Diocesan Board of Education and the local authority.
The standard number agreed for admission to both the nursery and reception class is 30. No more than 30 applications are received for a place for the reception class all applicants will be offered places. Children will be admitted to the reception class at the beginning of the autumn term before their fifth birthday and to the nursery class at the beginning of the autumn term before their fourth birthday.
The governors will admit all children having an education, health and care plan in which the school is named.
Responsibility for admissions is delegated to the admissions committee.

When the number of applications received is greater than the number of remaining places available, the decision on which children will be admitted will be based on the following criteria:

1. Looked after children (children in public care) and previously looked after children who were looked after but ceased to be so because they were adopted or became subject to a residence order or special guardianship order.
2. Children whose medical or social circumstances mean that their needs are best met at this school. Evidence will be required.
3. Baptised children whose parent(s) or guardian(s) are in regular attendance at any of the churches within the parish of the local Anglican team ministry (St Augustine’s, St Peter’s, All Saints) and can provide evidence of attendance.
4. Baptised children who along with their parent(s) or guardian(s), regularly attend a church that is a member of the Churches Together in Britain and Ireland and can provide evidence of attendance.
5. Baptised children with an older brother or sister attending the school at the time of their admission.
6. Baptised children or evidence of dedication or similar who do not show evidence of regularly attending a church.
7. Children who will have an older brother or sister attending the school at the time of their admission.
8. Any other children with priority for admission given to children who live nearest to the school.

Notes
(a) Evidence of infant baptism or dedication of the child and of regular attendance of parent(s) or guardian(s) must be provided on the supplementary form available from the school office or website. While completing this form is not compulsory, the governors will not be able to give any credit for church attendance without the completed form and this could disadvantage the applicant. Church attendance of one parent or guardian is sufficient. Regular attendance is normally taken to mean a minimum of fortnightly attendance for at least a year prior to 1 September in the year before admission to the school. The supplementary evidence form is to be signed by the clergy or other designated church officer.
(b) Where there are more applicants for the available places within a category, the local authority on behalf of the governing body, use a measuring system (straight line from address point of a child’s permanent home address as defined by the Local Land and Property Gazetteer to the centre point of school), nearer addresses having priority over more distant ones. In the event of a tie, where two or more pupils share an address, the parents of the child with the closest distance to the school and only one place is available, random allocation will be used. The ‘normal’ home of the child will be taken to be the home in which the child wakes for the majority of the school week.
(c) Where admission is sought under special medical or social circumstances criteria, professional supporting evidence, for example from a doctor, psychologist or social worker, is essential. Such evidence must set out the particular reasons why the school is the most suitable for the child and the difficulties that would be caused if the child had to attend another school. The information will be considered by the local authority on behalf of the governing body.
(d) Brother or sister includes step, half, foster and adopted brothers or sisters living at the same address and full brother or sister living apart.
(e) Applications on the basis of medical need (criterion 2) will be considered on behalf of the governing body by the local authority’s medical panel. Applicants under this criterion will be required to submit a medical form completed by an appropriate medical professional. Forms are available from the school, admissions team. These forms will be placed before the medical panel, consisting of a consultant paediatrician, school health lead nurse, educational psychologist and two head teachers. The medical panel will consider all applications under this criterion and whether attendance at the preferred school is considered to be essential by the panel where, due to the child’s medical needs, the local authority, the school building, or the support it is able to offer the child, is unique in meeting the child’s needs and cannot be provided by another school. Parents will be informed of the panel’s decision where places are allocated, so that, where necessary, they may change their preference schools.
(f) Applications with a social need for attending the school (criterion 2) will be those who have involvement with social services. In Salford, children who would be eligible for this criterion are those who are at level three and have ongoing social worker involvement, and all at level four on the Thresholds of needs and response in Salford (www.partnersinsalford.org/sscb/thresholds.htm). For children resident in other local authorities, contact will be made with the child’s social worker to confirm that the child’s level of need falls within these boundaries of the Salford thresholds. The school must have confirmation of an applicant’s level of needs from an appropriate professional before they will be considered under this criterion.

Admissions
There are a maximum of 30 full time places in the nursery and reception. The governors shall determine how many of these places are to be allocated on a full time or part time basis each year, depending on the number of applicants. A place in the nursery does not guarantee a place in the reception class the following year. A separate application must be made for both nursery and reception places. The above criteria and procedures are followed for nursery admissions with the exception of appeals. There is no right of appeal for nursery admission to the school.

Address of pupil
The address used on the school’s admission form must be the current one at the time of application. If the address changes subsequently, the parents should notify the local authority. Where the parents are at different addresses, the current at the time of application, normal address of the child should be used. This will normally be the one where the child wakes up for the majority of Monday to Friday mornings. The local authority will request proof of address.

Waiting list
Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible that a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admission number, the child whose name is at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted. This waiting list will operate until the end of the autumn term only.

Non-routine admissions
If a child needs to change school other than at the normal time, such admissions are known as non-routine admissions and must be made...
through the local authority. The parent should contact the local authority who will issue an application form to the parent. The completed form must be returned to St Augustine’s for consideration by the admissions committee or full governing body. There will still be a right of appeal if a place is refused.

**Appeals**

Where the governors are unable to offer a place because the school is oversubscribed, parents have the right to appeal to an independent admission appeal panel, set up under the School Standards and Framework Act 1998, as amended by the Education Act 2002. Appeals can be submitted at any time after a place has been refused. However, if this is after the initial 20 days, then this may result in the hearing of the appeal being delayed. Parents should notify the clerk to the governors at the school of their intention to appeal. Parents will have the opportunity to submit their case to the panel in writing and also to attend in order to present their case. You will normally receive 14 days notice of the place and time of the hearing.

**Fraudulent applications**

Where the governing body discovers that a child has been awarded a place as the result of an intentionally misleading application from a parent, (for example, a false claim to residence or involvement in a place of worship) which effectively denies a place to a child with a stronger claim, then the governing body is required to withdraw the offer of a place. However, the governors must consider the length of time the child has been at the school, for example, less than one term. The application will be considered afresh and a right of appeal offered if a place is refused.

**Twins**

Where there are children of multiple births wishing to be admitted and the sibling is the 30th child, the governors may admit over the infant class requirement if it is possible to do so.

**Late applicants**

Where there are extenuating circumstances for an application being received after the last date of application, and it is before the governors have established their list of pupils to be admitted, then it will be considered alongside all the others. Otherwise, applications which are received after the last date will be considered after all the others and placed on the waiting list in order according to criteria.

**Deferred admissions**

The school’s policy is that children will be admitted to the reception class at the beginning of the autumn term before their fifth birthday. Children are eligible for a reception place from the beginning of the school year in which they become five years old. However, they do not become of compulsory school age until the start of the term after their fifth birthday. After a place has been allocated and accepted parents can request that the school place be deferred until later in the school year and, if they do this, the place will be held for the child. They cannot however, defer entry beyond the beginning of the term after the child’s fifth birthday, nor beyond the school year for which the original application was accepted. Parents can also request that their child attends on a part time basis until the child reaches compulsory school age.

**St Boniface RC Primary School**

**Admission policy 2019/20**

St. Boniface is a Catholic school in the trusteeship of the Diocese of Salford. It is maintained by Salford City Council and is a voluntary aided school. The governing board is the admissions authority and is responsible for taking all decisions on applications for admissions. The co-ordination of admissions arrangements is undertaken by the local authority.

For the school year commencing September 2019, the governing body has determined that the number of children to be admitted to reception will be 30.

The school’s role is to participate in the mission of the Catholic church by providing a curriculum, including Catholic religious education and worship, which will help children to grow in their understanding of the good news and in the practice of their faith. The school will help the children develop fully as human beings and prepare them to undertake their responsibilities as Catholics in society. The school requires all parents applying for a place here to understand and respect this ethos and its importance to the school community. This does not affect the rights of parents who are not of the Catholic faith to apply for a place here.

Admissions to the school will be determined by the governing board. Parents must complete a local authority preference form or apply online via the website https://salford.emsonline.citizenspace.com/CitizenPortal_LIVE/Account/Login/?ReturnUrl=%2FCitizenPortal_LIVE%2F If you wish to have your application considered against the school’s religious criteria then you must also complete the supplementary form which will be sent to you by school.

If there are fewer than 30 applications, all applicants will be offered places. If there are more applications than the number of places available, the following oversubscription criteria will be applied:

1. Looked after children and previously looked after children.
2. Children with an exceptional social, medical, educational or religious need which can be best met, or only met at this school,*
3. Baptised Catholic children who have a sibling in the school at the time of admission.
4. Baptised Catholic children resident in the former parish of St. Boniface.
5. Other baptised Catholic children.
6. Other children who have a sibling in the school at the time of admission.
7. Children with exceptional needs.
8. All remaining applicants.

*Exceptional needs of this kind will occur very rarely. It is strongly recommended that a written application is submitted in advance of the normal admissions timetable.

If it is not possible to offer places for all applications within any criterion above, priority will be given to those living closest to the school measured in a straight line using LLPG (Local Land and Property Gazetteer) information to measure the distance between the address point of the child’s home address and the centre of the school in miles.

**Notes**

(a) All applications will be considered at the same time and after the closing date for admissions which is 15 January 2019. Applications received after this date will be treated as a late application and will not be considered until after the main allocation of places has taken place.

(b) A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (under section 22(1) of the Children Act 1989. A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.

(c) For a child to be considered as a Catholic evidence of a Catholic baptism or reception into the Catholic church is required. Written evidence of reception into the Catholic church can be obtained by referring to the register of receptions, or in some
Closing date for applications: 15 January 2019

St Charles RC Primary School

Admission policy 2019/2020
St Charles is a Catholic primary school under the trusteeship of the Diocese of Salford. It is maintained by Salford City Council. As a voluntary aided school, the governing body is the admissions authority and is responsible for taking decisions on applications for admissions. The co-ordination of admissions arrangements is undertaken by the local authority. For the school’s year commencing September 2019, the governing body has set its admissions number at 30.

Admissions to the school will be made by the governing body. All preferences listed on the local authority preference form will be considered on an equal basis with the following set of admissions criteria forming a priority order where there are more applications for admissions than the school has places available. The governors will admit all children who have an education health and care plan in which the school is named. We will then allocate the remaining places in accordance with this policy.

Oversubscription criteria:
1. Baptised Catholic children from other parishes.
2. Baptised Catholic children from the parish of St Charles.
3. Children looked after by the local authority or (b) being cared for by a local authority, or (c) being adopted (or became subject to a residence order or special guardianship order).
4. A sibling in the school at the time of admission.
5. Non-Catholic children who have a sibling in the school at the time of admission.
6. Other children.

Notes
(a) All applicants will be considered at the same time and after the closing date for admissions which is 15 January 2019.
(b) All Roman Catholic applicants not baptised at St Charles Borromeo Church, Swinton will be required to produce a Roman Catholic baptismal certificate at the time of application. The baptism certificate should be hand delivered or sent by recorded delivery directly to the school to arrive before the application closing date.
(c) A looked after child is one who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (under section 22(1) of the Children Act 1989). A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.
(d) It is the duty of governors to comply with class size limits at key stage one.
(e) If in any category there are more applications than places available, priority will be given on the basis of distance from home to school. Distance will be measured in a straight line from the address point of the child’s home address (including flats) to the centre point of the school using the local authority’s computerised measuring system with those living nearer to the school having priority. In the event of distances being the same for two or more applicants where this distance would be last place(s) to be allocated, a random lottery will be carried out in a public place. All the names will be entered into a hat and the required number of names will be drawn out.
(f) Where a child lives with parents with shared responsibility, each for part of a week, the child’s ‘permanent place of residence’ will be determined as the address of the parent who normally has responsibility for the majority of school days in a week.
(g) Sibling is defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the
parent or carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.

(h) A waiting list will be maintained until the end of the autumn term and children will be ranked in the same order as the oversubscription criteria. The waiting list will be re-ranked as new names are added and this can result in applicants moving up and down the waiting list. Parents will be contacted by the school should a place become available for their child. Please note that children with an education, health and care plan, looked after and previously looked after children, and in-year fair access pupils take precedence over the waiting list.

Once the waiting list end date has been reached (end of the autumn term) if a place is still required, the parent will need to reapply for a place using the local authority in-year fair access process.

(i) For in-year applications received outside the normal admissions round and if places are available then children qualifying under the published criteria will be admitted. If there are places available but more applicants than places then the published oversubscription criteria will be applied. In-year and late applications will be treated as per the arrangements published by the local authority.

(j) If an application for admission has been turned down by the governing body, parents can appeal to an independent appeals panel. Parents must be allowed at least 20 school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for their appeal in writing and decision of the appeals panel is binding on the governors.

(k) Late applications will be considered in accordance with the published admissions criteria. If the school is over subscribed, late applications will be placed on a reserve list in priority order according to the published admissions criteria. Parents will be notified if a vacancy subsequently arises. Parents will be expected to provide one or more reasons for the late application. If this is not exceptional the application will be dealt with after all others have been considered.

(l) Governors reserve the right to make individual admission decisions based on exceptionally strong medical, social or welfare reasons associated with the child and/or family, which are directly relevant to the school. When necessary, supporting professional evidence may be requested from external bodies, such as doctors, health visitors and social services. Decisions will always be made in line with the equality act and for the best pupil outcomes.

(m) The governing body reserves the right to give special consideration to twins or triplets and so on to prevent breaking the sibling link

(n) Parents or carers can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age. In-year and late applications will be treated as per the arrangements published by the local authority.

(o) Parents may seek a place for their child outside of their normal age group, for example if the child is gifted and talented or has experienced problems such as ill health. In addition, parents of children born between 1 April and 31 August (summer born children) may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year one, in other words, starting reception a year later than those in their age group. Parents should discuss this with the head teacher of the school first and then they and should make their application to the school admissions committee giving reasons for the request. This should be done at the time the child would usually be expected to apply for a reception place. The request will be considered in conjunction with the school and the parent, and the governing body for the school will decide on whether the child should be offered delayed admission or not. The decision, and the reasons for it, will be communicated to the parent in writing. Where a child is offered a place at a school but not in the year group preferred there will be no right of appeal.

(p) Admission arrangements to the reception class are separate from those for the nursery. Attendance at nursery does not give a child any guarantee or priority when it comes to consideration by the governing body of applicants for admission to the reception class.

(q) The governing body reserves the right to withdraw the offer of a school place where false evidence is received in relation to the application.
St Edmunds RC Primary School

Admission policy 2019/2020

St. Edmund’s is a Roman Catholic primary school in the trusteeship of the Diocese of Salford. It is maintained by Salford City Council and is a voluntary aided school. The governing body is the admissions authority and is responsible for taking all decisions on applications for admissions. The co-ordination of admissions arrangements is undertaken by the local authority.

For the school’s year commencing September 2019, the governing body has determined that the number of children to be admitted to reception will be 45.

The school’s role is to participate in the mission of the Catholic Church by providing a curriculum, including Catholic religious education and worship, which will help children to grow in their understanding of the good news and in the practice of their faith. The school will help the children develop fully as human beings and prepare them to undertake their responsibilities as Catholics in society.

The school requires all parents applying for a place here to understand and respect this ethos and its importance to the school community. This does not affect the rights of parents who are not of the Catholic faith to apply for a place here.

Admissions to the school will be determined by the governing body. Parents must complete a local authority preference form or apply online via the website www.salford.gov.uk/school-admissions-online.

Closing date for applications: 15 January 2019

1. Looked after children and previously looked after children.
2. Children with an exceptional social, medical, educational or religious need which can be best met, or only met at this school,*
3. Baptised Catholic children who have a sibling in the school at the time of admission.
4. Baptised Catholic children resident in the parishes of St[Edmunds and Lancashire Martyrs].
5. Other baptised Catholic children.
6. Other children who have a sibling in the school at the time of admission.
7. All remaining applicants.

*Exceptional needs of this kind will occur very rarely. It is strongly recommended that a written application is submitted in advance of the normal admissions timetable.

If it is not possible to offer places for all applications within any criterion above, priority will be given to those living closest to the school measured by the method used by the local authority. In the event of distances being the same for two or more applicants, places will be allocated by the method used by the local authority.

Notes
(a) All applications will be considered at the same time and after the closing date for admissions in line with the local authority. Applications received after this date will be treated as a late application and will not be considered until after the main allocation of places has taken place.
(b) A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (under section 22(1) of the Children Act 1989. A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.
(c) For a child to be considered as a Catholic evidence of reception into the Catholic church can be obtained by referring to the register of receptions, or in some cases a subsection of the baptismal registers of the church in which the rite of reception took place. If, for example, a child has been baptised in the church of England and the parents are subsequently admitted to the Catholic church through the RCIA programme, the child must also be admitted to the church by the rite of reception.
(d) Home address is considered to be the address where the child normally lives. Where care is split and a child moves between two addresses, the household in receipt of the child benefit would normally be the address used but the admission authority body reserves the right to request other evidence as fit the individual circumstance.
(e) ‘Sibling’ is defined in these arrangements as full, half or step brothers and sisters, adopted and foster brothers and sisters who are living at the same address and are part of the same family unit. This does not include cousins or other family relationships.
(f) A waiting list for children who have not been offered a place will be kept and will be ranked according to the admission criteria. The waiting list does not consider the date the application was received or the length of time a child’s name has been on the waiting list. This means that a child’s position on the list may change if another applicant is refused a place and their child has higher priority in the admissions criteria.
(g) For in-year applications received outside the normal admissions round, if places are available they will be offered to those who apply. If there are places available but more applicants than places then the oversubscription criteria will be applied.
(h) If an application for admission has been turned down by the governing body, parents may appeal to an independent appeals panel. Parents must be allowed at least twenty school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the appeals panel is binding on the governors.
(i) The governing body reserve the right to withdraw the offer of a school place where false evidence is received in relation to the application.
(j) It is the duty of governors to comply with regulations on class size limits for children aged between rising five and seven. The governing body may exceed the regulations for twins and children from multiple births where one of the children is the 30th child admitted. This also applies to in-year applicants who are looked after or previously looked after, children of UK service personnel or children who move into the area for whom there is no other school available within a reasonable distance.
(k) If a child is summer-born, parents may request that the date their child is admitted to school is deferred to later in the school year. However, the child must start school before the end of that school year. If a parent wishes their child to be educated out of their normal school year (kept back a year), they must discuss this with the school before applying. However, the final decision on this rests with the head teacher.
(l) Parents may request that their child attend school part time until he or she reaches his or her fifth birthday.

The admission of a non Catholic child in a year when there are vacancies remaining after the demand from Catholics is met does not guarantee a place for a sibling in a year where the Catholic demand is greater.

www.salford.gov.uk/school-admissions-online
St Gilbert’s Roman Catholic Primary School

Admission policy 2019/20

St Gilbert’s is a Catholic school in the trusteeship of the Diocese of Salford. It is maintained by Salford City Council and is a voluntary aided school. The governing board is the admissions authority and is responsible for taking all decisions on applications for admissions. The co-ordination of admissions arrangements is undertaken by the local authority.

For the school’s year commencing September 2019, the governing body has determined that the number of children to be admitted to reception to year six will be 30. The school’s role is to participate in the mission of the Catholic church by providing a curriculum, including Catholic religious education and worship, which will help children to grow in their understanding of the good news and in the practice of their faith. The school will help the children develop fully as human beings and prepare them to undertake their responsibilities as Catholics in society. The school requires all parents applying for a place here to understand and respect this ethos and its importance to the school community. This does not affect the rights of parents who are not of the Catholic faith to apply for a place here.

Admissions to the school will be determined by the governing board. Parents must complete a local authority preference form or apply online via the Salford City Council website. If you wish to have your application considered against the school’s religious criteria then you must also complete the supplementary form which is available from the school.

If there are fewer than 30 applications, all applicants will be offered places. If there are more applications than the number of places available, the following oversubscription criteria will be applied:

1. Baptised Catholic looked after children and baptised Catholic previously looked after children.
2. Baptised Catholic children resident in the former parishes of St Matthew’s Winton and St. Gilbert’s Brookhouse who have a sibling in the school at the time of admission.
3. Baptised Catholic children resident in the former parishes of St Matthew’s Winton and St. Gilbert’s Brookhouse.
4. Baptised Catholic children who have a sibling in the school at the time of admission.
5. Other baptised Catholic children.
7. Children with an exceptional social, medical, educational or religious need which can be best met, or only met at this school.*
8. Other children who have a sibling in the school at the time of admission.
9. All remaining applicants.

*Exceptional needs of this kind will occur very rarely. It is strongly recommended that a written application is submitted in advance of the normal admissions timetable.

If it is not possible to offer places for all applications within any criterion above, priority will be given to those living closest to the school measured by the method used by the local authority. In the event of distances being the same for two or more applicants, places will be allocated by the method used by the local authority.

Notes

(a) All applications will be considered at the same time and after the closing date for admissions which is set by Salford City Council. Applications received after this date will be treated as a late application and will not be considered until after the main allocation of places has taken place.
(b) A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (under section 20(1) of the Children Act 1989). A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.

(c) For a child to be considered as a Catholic evidence of a Catholic baptism or reception into the Catholic church is required. Written evidence of reception into the Catholic church can be obtained by referring to the register of receptions, or in some cases a subsection of the baptismal registers of the church in which the rite of reception took place. If, for example, a child has been baptised in the church of England and the parents are subsequently admitted to the Catholic church through the RCIA programme, the child must also be admitted to the church by the rite of reception. The governing board will require written evidence in the form of a certificate of reception before applications for school places can be considered for categories of baptised Catholics. A certificate of reception is to include full name, date of birth, date of reception and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of reception.

Those who have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to the parish priest who, after consulting with the appropriate diocesan authority will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the church.

(d) Home address is considered to be the address where the child normally lives. Where care is split and a child moves between two addresses, the household in receipt of the child benefit would normally be the address used but the admission authority body reserves the right to request other evidence as fit the individual circumstance. Applicants should not state the address of another relative or person who has daily care of the child.

(e) Sibling is defined in these arrangements as full, half or step brothers and sisters, adopted and foster brothers and sisters who are living at the same address and are part of the same family unit. This does not include cousins or other family relationships.

(f) A waiting list for children who have not been offered a place will be kept and will be ranked according to the admission criteria. The waiting list does not consider the date the application was received or the length of time a child’s name has been on the waiting list. This means that a child’s position on the list may change if another applicant is refused a place and their child has higher priority in the admissions criteria.

(g) For in-year applications received outside the normal admissions round, if places are available they will be offered to those who apply. If there are places available but more applicants than places then the published oversubscription criteria will be applied.

(h) If an application for admission has been turned down by the governing board, parents may appeal to an independent appeals panel. Parents must be allowed at least twenty school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the appeals panel is binding on the governors.

(i) The governing body reserves the right to withdraw the offer of a school place where false evidence is received in relation to the application.

(j) It is the duty of governors to comply with regulations on class size limits for children aged between rising five and seven. The governing board may exceed the regulations for twins and children from multiple births where one of the children is the 30th child admitted. This also applies to in-year applicants who are looked after or previously looked after children of UK service personnel or children who move into the area for whom there is no other school available within a reasonable distance.

(k) If a child is summer-born, parents may request that their child is admitted to school is deferred to later in the school year. However, the child must start school before the end of that school year.
If a parent wishes their child to be educated out of their normal school year (kept back a year), they must discuss this with the school before applying. However, the final decision on this rests with the head teacher.

Parents may request that their child attend school part time until he or she reaches his or her fifth birthday.

Admissions are decided using the criteria only. Having a place in St Gilbert’s nursery does not guarantee a place in the school.

St Joseph’s RC
Primary School, Ordsall

Admission policy 2019/20

St Joseph’s is a Catholic school in the trusteeship of the Diocese of Salford. It is maintained by Salford City Council and is a voluntary aided school. The governing board is the admissions authority and is responsible for taking all decisions on applications for admissions. The co-ordination of admissions arrangements is undertaken by the local authority.

For the school year commencing September 2019, the governing board has determined that the number of children to be admitted to 2019/2020 year will be 22.

The school’s role is to participate in the mission of the Catholic church by providing a curriculum, including Catholic religious education and worship, which will help children to grow in their understanding of the good news and in the practice of their faith. The school will help the children develop fully as human beings and prepare them to undertake their responsibilities as Catholics in society. The school requires all parents applying for a place here to understand and respect this ethos and its importance to the school community. This does not affect the rights of parents who are not of the Catholic faith to apply for a place here.

Admission to the school will be determined by the governing board. Parents must complete a local authority preference form or apply online via the website https://www.salford.gov.uk/apply-for-a-primary-place.htm.

Special needs – as required by law, all children with a statement of special educational needs or education health and care plan naming the school will be admitted before the application of the oversubscription criteria.

If there are fewer than 22 applications, all applicants will be offered places. If there are more applications than the number of places available, the following oversubscription criteria will be applied:

1. Looked after children and previously looked after children.
2. Children with an exceptional social, medical, educational or religious need which can be best met, or only met at this school,*
3. Baptised Catholic children who have a sibling in the school at the time of admission.
4. Baptised Catholic children resident in the parish of St Joseph’s.
5. Other baptised Catholic children.
6. Other children who have a sibling in the school at the time of admission.
7. All remaining applicants.

*Exceptional needs – this includes children for whom the governors accept that there are exceptionally strong medical, social or welfare reasons associated with the child and/or family, which are directly relevant to the school concerned. Supporting professional evidence will be required. This may be from whatever sources the applicant feels are most appropriate. Examples of such evidence are doctors, health visitors and social services.

If it is not possible to offer places for all applications within any criterion above, priority will be given to those living closest to the school measured in a straight line from the address point of the child’s home address to the centre point of the school in miles. Distance will be measured by the local authority’s computerised measuring system with those living nearer to the school having priority. In the event of distances being the same for two or more applicants and only one place left to be allocated, a random lottery will be carried out in a public place. All names will be entered into a hat and the required number of names will be drawn out.

Closing date for applications: 15 January 2019

www.salford.gov.uk/school-admissions-online
Notes

(a) All applications will be considered at the same time and after the closing date for admissions which is 15 January 2019. Applications received after this date will be treated as a late application and will not be considered until after the main allocation of places has taken place.

(b) A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (under section 22(1) of the Children Act 1989). A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, child arrangements order or special guardianship order.

(c) For a child to be considered as a Catholic evidence of a Catholic baptism or reception into the Catholic church is required. Written evidence of reception into the Catholic church can be obtained by referring to the register of receptions, or in some cases a subsection of the baptismal registers of the church in which the rite of reception took place. If, for example, a child has been baptised in the Church of England and the parents are subsequently admitted to the Catholic church through the RIA programme, the child must also be admitted to the church by the rite of reception. The governing board will require written evidence in the form of a certificate of reception before applications for school places can be considered for categories of baptised Catholics. A certificate of reception is to include full name, date of birth, date of reception and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of reception. Those who have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to the parish priest who, after consulting with the Salford Diocesan Authority will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the church. After the closing date for admission, the local authority will then notify schools of applicants. School will write to parents or carers when they receive this notification to ask for proof of baptism. Parents or carers will have two weeks to submit this written evidence. Two weeks after the request for evidence, the list will be re-ranked accordingly.

(d) Home address is considered to be the address where the child normally lives. Where care is split and a child moves between two addresses, the household in receipt of the child benefit would normally be the address used but the admission authority body reserves the right to request other evidence as fits the individual circumstance. Applicants should not state the address of another relative or person who has daily care of the child.

(e) Sibling is defined in these arrangements as full, half or step brothers and sisters, adopted and foster brothers and sisters who are living at the same address and are part of the same family unit. This does not include cousins or other family relationships living at the same address.

(f) A waiting list for children who have not been offered a place will be kept until the 31 December of the application year and will be ranked according to the admission criteria. The waiting list does not consider the date the application was received or the length of time a child’s name has been on the waiting list. This means that a child’s position on the list may change if another applicant is refused a place and their child has higher priority in the admissions criteria.

(g) For in-year applications received outside the normal admissions round, if places are available they will be offered to those who apply. If there are places available but more applicants than places then the published oversubscription criteria will be applied. Some in-year applications, meeting certain criteria, may be referred to the in-year fair access process. In-year fair access pupils take precedence for admission over pupils on the waiting list.

(h) If an application for admission has been turned down by the governing board, parents may appeal to an independent appeals panel. Parents must be allowed at least 20 school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the appeals panel is binding on the governors.

(i) The governing board reserve the right to withdraw the offer of a school place where false evidence is received in relation to the application.

(j) It is the duty of governors to comply with regulations on class size limits for children aged between rising five and seven. The governing board may exceed the regulations for twins and children from multiple births where one of the children is the 22nd child admitted. This also applies to in-year applicants who are looked after or previously looked after, children of UK service personnel or children who move into the area for whom there is no other school available within a reasonable distance.

(k) Parents may request that the date their child is admitted to school is deferred to later in the school year. However, the child must start school before the end of that school year. If a parent wishes their child to be educated out of their normal school year (kept back a year), they must discuss this with the school before applying. However, the final decision on this rests with the governing board.

(l) Parents may request that their child attend school part time until he or she reaches his or her fifth birthday.
Admission policy 2019/20

St Joseph the Worker R.C. is a Roman Catholic primary school provided by the Diocese of Salford and maintained by Salford City Council as a voluntary aided school.

The school’s governing body is the admissions authority and is responsible for taking decisions on applications for admissions. For the school year, commencing 2019-20, the Governing body has set its planned admissions number at 26 nursery, and 30 for reception, year one, year two, year three, year four, year five and year six.

Admission to the school will be made by the governing body, in accordance with the stated parental preferences it receives, subject to the following set of criteria, which will be used to form a priority order in the case of there being more applications than places available.

Admission criteria to St Joseph the Worker R.C. School.

1. Baptised Roman Catholic children who are in public care and previously looked after children who have ceased to be looked after because they were adopted or became subject to a special residency order or special guardianship order.
2. Baptised Roman Catholic children who will have a brother or sister attending the school at the time of admission.
3. Baptised Roman Catholic children resident in the parish of St Joseph’s.
4. Other baptised Roman Catholic children.
5. Other children who are in public care and previously looked after children who have ceased to be looked after because they were adopted or became subject to a special residency order or special guardianship order.
6. Other children with a brother or sister attending the school at the time of admission.
7. Exceptional needs.
8. Other children.

Notes

(a) Each Roman Catholic applicant must produce a baptismal certificate with their application.
(b) Parents should check whether they are residents within the parish boundaries (a map is available in the school office).
(c) Governors will comply with class size limits in key stage one.
(d) Special needs – as required by law all children with an educational health care plan naming the school – there is a duty for the school to admit the child.
(e) If in any category there are more applications than places available, priority will be given on the basis of distance in miles from home to school. Distance will be measured in a straight line from the address point of the child’s home address (including the community entrance to flats) to the centre point of the school using the local authority’s computerised measuring system with those living nearer to the school having priority. In the event of distances being the same for two or more applicants where this distance would apply to the last place(s) to be allocated, a random lottery will be carried out in a public place. All the names will be entered into a hat and the required number of names will be drawn out. *Governors have identified the sibling link to include step siblings, foster children in the same household and other children of parents within the same household (Proof should be provided to demonstrate that such children are permanently resident at the same address as part of the family unit). It has been agreed that, whenever possible, siblings which are twins or triplets or siblings within the same year group and soon, should be treated as one unit so as to avoid splitting a family. Governors are aware that the class size of 26 or 30 is the determining factor, therefore, for late applications parents would have to decide which child is to go through an appeal. The appeal panel may class this as unreasonable and may decide to uphold an appeal. The onus will fall on the school to make provisions for the following year, for example, appoint an additional teacher.
(f) Refusal to admit can be referred to an independent appeals panel. This appeal must be sent in writing to the chair of governors at the school within 20 days of notification or refusal. The date of notification will be two working days after posting by first class post. The parents must give their reasons for appealing in writing and the decision of the appeals panel is binding on the governors. The outcome of the appeal is binding on the parents and on the governing body.
(g) Admissions to the nursery are explained in the nursery prospectus and closely follow the local authority arrangements. Attendance in the nursery does not guarantee a place in the reception class.
(h) It has been agreed with governors and nursery staff that we will admit up to a maximum of 26 children into the nursery, on the assumption that all health and safety requirements have been met.
(i) For in-year applications received outside the normal admissions round and if places are available then children qualifying under the published criteria will be admitted. Applications to the school should be made to the school admissions team. If there are places available but more applicants than places then the published oversubscription criteria will be applied.
(j) If a child is summer born, parents may request that the date their child is admitted to school is deferred to later in the school year. However, the child must start school before the end of that school year. If a parent wishes their child to be educated out of their normal school year (kept back a year), they must discuss this with the school before applying. However, the final decision on this rests with the head teacher.
(k) Parents may request that their child attend school part time until he or she reaches his or her fifth birthday. When seeking a place in nursery, time spent on the request list is not a criterion of admission. Applications to the school should be made to the school admissions team. The closing date for the nursery applications is 15 January 2019 and places will be allocated on 18 April 2019. Any requests received after that date will be placed on the nursery waiting list, if any nursery places have been allocated. The admission criteria apply when filling any spare place from the waiting list, the waiting list will be kept until 31 December 2019. Any application received after the closing date, but before the offer of places, will be deemed late and will be considered after those received on time. Late applications will be considered in accordance with the published admissions criteria. If the school is oversubscribed, late applications will be placed on a reserve list in priority order according to the published admissions criteria. Parents will be notified if a vacancy subsequently arises. This arrangement also applies to the reception class. The closing date for applications is 15 January 2019 and the date when places are allocated is the 16 April 2019. This will be preceded by a confirmation letter to these parents to be sent out on the last day of the spring term. Pupils on waiting lists for these and other classes will also have to meet the selection criteria, if and when places become available until 31 December 2019.
St Luke’s RC Primary School

Admission policy 2019/2020

St Luke’s is a Roman Catholic primary school provided by the Diocese of Salford and is maintained by Salford City Council as a voluntary aided primary school. The school’s governing body is the admission authority and is responsible for taking decisions on applicants for admission. For the school year commencing September 2019, the governing body’s planned admissions number is 60.

Admission to the school will be made by the governing body in accordance with the stated parental preferences it receives subject to the following criteria which will be used to form a priority order if there are more applications for admission than the school has places available.

The governors will admit all children with an education health and care plan in which the school is named.

The remaining places will be prioritised on the basis of the following criteria:

1. Baptised Roman Catholic looked after children and previously looked after children.
2. Baptised Roman Catholic children who will have a brother or sister attending the school at the time of admission and resident in the parish of St Luke’s and the designated part of SS Peter and Paul.
3. Other baptised Roman Catholic children who are resident in the parish of St Luke’s and the designated part of SS Peter and Paul.
4. Other baptised Roman Catholic children who will have a brother or sister attending the school at the time of admission and resident in another parish.
5. Other baptised Roman Catholic children resident in another parish.
6. Other looked after children or previously looked after children.
7. Other children with a brother or sister attending the school at the time of admission.
8. Other children.

A brother or sister is defined as a natural brother or sister, or step brother or sister, or foster or adopted brother or sister who live in the same household and which is the child’s genuine main residence.

Residence

The parents or carers address is considered to be child’s parents or carers genuine principal place of residence for the child at the time of allocation of places. All applications will be required to provide proof of address, by supplying an original, up to date, utility bill or family credit book.

Notes

(a) All applicants will be considered at the same time by the admissions committee after the closing date for admissions.
(b) Parents must complete the common application form.
(c) Each Roman Catholic applicant will be required to produce a baptismal certificate with their original application.
(d) Parents or carers should check carefully whether they are within the parish boundaries of St Luke’s or the designated part of the parish of SS Peter and Paul. To do so contact the school or resident parish.
(e) If an applicant for admission has been turned down by the governing body, parents or carers can appeal to an independent appeals panel. This appeal must be sent in writing to the clerk to the governors at the school within 20 days of notification of refusal. The date of notification will be two working days after posting by first class post. The parents or carers must give their reasons for appealing in writing. The decision of the appeals panel is binding on the governors and the parents or carers.
(f) Parents can request that the date their child (if below compulsory school age) is admitted to school is deferred to later in the school year or until the term when they reach compulsory school age.
(g) The governing body reserve the right to withdraw the offer of a school place where false evidence is received in relation to baptism, sibling connections or place of residence.
(h) Admission arrangements to the reception class are separate to those for the nursery. Attendance at the nursery does not give a child any guarantee of priority when it comes to consideration by the governors of applicants for admission to the reception class.
(i) 30 full time places are available in the nursery.

Late applicants

Any application received after the closing date but before the offer of places will be deemed late and will only be considered after those received on time irrespective of category. The offer of a place will be decided in accordance with the published admission criteria. Any application received after the allocation of places will be considered as they are received.

For in-year applications received outside the normal admissions round and if places are available then children qualifying under the published criteria will be admitted.

Applications to the school should be made to the school admissions team. If there are places available but more applicants than places then the published oversubscription criteria will be applied.

Closing date for applications:
15 January 2019

www.salford.gov.uk/school-admissions-online
St Mark’s Church of England Primary School, Worsley

Admission policy 2018/2019
Admissions to the school are the responsibility of the governing body. Salford City Council will manage the admissions process. The following agreement between the governors, The Diocese of Manchester and the local authority lays down the criteria for admissions and procedures to be followed.

Published admission number
The school’s published admission number for admission to the reception year in September 2019 is 60. If no more than 60 applications are received for admission to the reception year, all applicants will be offered places.

The school also has a nursery class, providing places for 30 children. A separate application must be made for any child wishing to transfer from the nursery class to the reception year in the primary school.

Aims and objectives of the policy
In drawing up the admissions arrangements the governors of the school aim to ensure that the admissions criteria are clear, fair and objective for the benefit of all children, including those with special educational needs and disabilities as required by the school admissions code.

The governors will admit all children having an education health and care plan that names the school as the preferred school. Those children whose home address is the same distance from the preferred school and only one place is available, random allocation will be used. This will be carried out by an independent person. Eligible names will be placed in a hat. One name will be drawn from the preferred school and only one place will be offered to that person. This process for random allocation also applies to the waiting list where two or more pupils’ home address is the same distance from the preferred school and only one place is available.

In the event of a tie, where two or more pupils’ home address is the same distance from the address point of the home as identified by the local Land and Property Gazetteer (LLPGI) to the centre point of the school. Those children whose home address is closest to the school will be those who get priority for places.

The attendance of one parent or guardian is sufficient. Regular attendance means a minimum of 90% attendance for at least 12 months prior to the January closing date for applications. Evidence of church attendance will be sought from clergy or other church officer. A supplementary form is provided for this purpose and is attached. While completing this form is not compulsory, the governors will not be able to give any credit for church attendance without the completed form and this could disadvantage the applicant. Churches in the parish of the Worsley team ministry are St Mark’s Worsley, St Mary’s Ellenbrook and St Andrew’s Boothstown. Members of Churches Together in Britain and Ireland can be viewed at https://cbi.org.uk/member-churches/schools-information/

Oversubscription criteria and tie breaker
1. All other children

Notes
(l) Church attendance
The attendance of one parent or guardian is sufficient. Regular attendance means a minimum of 90% attendance for at least 12 months prior to the January closing date for applications. Evidence of church attendance will be sought from clergy or other church officer. A supplementary form is provided for this purpose and is attached. While completing this form is not compulsory, the governors will not be able to give any credit for church attendance without the completed form and this could disadvantage the applicant. Churches in the parish of the Worsley team ministry are St Mark’s Worsley, St Mary’s Ellenbrook and St Andrew’s Boothstown. Members of Churches Together in Britain and Ireland can be viewed at https://cbi.org.uk/member-churches/schools-information/

(m) Oversubscription criteria and tie breaker
In the event of oversubscription between children within the same criteria, geographical proximity to the school will be the determining factor. Geographical proximity is measured in a straight line from the address point of the home as identified by the local Land and Property Gazetteer (LLPGI) to the centre point of the school. Those children whose home address is closest to the school will be those who get priority for places.

In the event of a tie, where two or more pupils’ home address is the same distance from the preferred school and only one place is available, random allocation will be used. This will be carried out by an independent person. Eligible names will be placed in a hat. One name will be drawn from the hat and the remaining place will be offered to that person. This process for random allocation also applies to the waiting list where two or more pupils are eligible for one vacancy because they live the same distance from the preferred school.

(n) Shared custody and home address
Home is the child’s normal place of residence during the school week. Where a child lives with parents with shared responsibility and the child spends time at each parent’s address, the address used will be the one of the main carer. The main carer is defined as the parent who is in receipt of child benefit.

(o) Waiting lists
Children who are not offered a nursery or reception place for the September intake will be placed on the school’s waiting list. The waiting list will be maintained only for the statutory period (until 31 December following admissions in September). Should any places become available they will be allocated in accordance with the published admission criteria. This means that children can move both up and down the waiting list. After 31 December, if a parent wishes their child to continue to be considered for a school place, they will need to reapply for a place using the procedure for in-year admissions.

(p) Right to appeal
Where the governors are unable to offer a place because the school is oversubscribed, parents will be informed of the reason why admission was refused and will be advised of their right to appeal to an independent admission appeal panel, set up under the School Standards and Framework Act, 1998, as amended by the Education Act, 2002. All appeals will need to be submitted within 20 days of the date of the offer letter. Parents will have the opportunity to submit their case to the panel in writing and also to attend in order to present their case. You will normally receive 14 days’ notice of the place and time of the hearing.

(q) Siblings
A sibling is defined as a brother or sister, a step brother or sister, a half brother or sister living at the same address as the child for whom the application is being made.

(r) Admissions to the reception year
A place in the nursery class does not guarantee a place in reception year the following year. As from September 2011
all children have the right to start school from the September following their fourth birthday. All parents seeking a place must apply for their child to be admitted to the reception year*, even if they have previously attended the nursery class at the school or an associated nursery setting. Reception places will be allocated using the above criteria (*see below for information on requests for admission outside a child’s normal age group).

(s) Multiple births

Where applications are made for the admission of twins, triplets and so on, and the sibling (brother or sister) is offered the final available place the governors may admit over the published admission number if it is possible to do so. This is one of the limited exceptional circumstances, set out in the school admissions code, in which a school may exceed the infant class size limit.

(t) Part time, deferred and delayed admission, and requests for admission outside a child’s normal age group

The admission authority provides for the admission of all children in the September following their fourth birthday. However, where a child has been offered a place at a school the child’s parents or carers can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made. Alternatively, where parents wish, children may attend part time until later in the school year but not beyond the point at which they reach compulsory school age. Parents wishing to take either of the above options should inform the school as soon as a place is offered so that the appropriate arrangements can be made. Parents may seek a place for their child outside of their normal age group, for example if the child is gifted and talented or has experienced problems such as ill health. Parents should contact the head teacher of the school in the first instance to discuss an application for admission outside of the normal age group. In addition, parents of children born between 1 April and 31 August (summer born children) may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year one, for example, starting reception a year later than those in their age group. This request should be made to the school admissions team in writing giving reasons for the request. This should be done at the time the child would usually be expected to apply for a reception place. The request will be considered in conjunction with the school and the parent, and the admission authority for the school will decide on whether the child should be offered delayed admission or not. The decision, and the reasons for it, will be communicated to the parent in writing. Where a child is offered a place at a school but not in the year group preferred there will be no right of appeal.

(u) Applying for places in reception

Applications for places in reception must be made via the local authority. Parents can apply online via the family portal before the closing date. If you apply for a reception place using the online service there is no need to fill in a paper form. Details of all applications made will be forwarded to the school by the local authority. In addition to your application, please complete the school’s supplementary information form if you wish your application to be considered under the faith-based criteria (criteria 2, 3, 4, 5, 7, 9 and 10 above). The supplementary information form should be obtained from the school and the parent, and the admission authority for the school will decide on whether the child should be offered delayed admission or not. The decision, and the reasons for it, will be communicated to the parent in writing. Where a child is offered a place at a school but not in the year group preferred there will be no right of appeal.

(v) Applying for places in the nursery class

Applications for places in the nursery class should be made via the local authority. Parents can apply online via the family portal before the closing date. If you apply for a nursery place using the online service there is no need to fill in a paper form. Details of all applications made will be forwarded to the school by the local authority. In addition to your application, please complete the school’s supplementary information form if you wish your application to be considered under the faith-based criteria (criteria 2, 3, 4, 5, 7, 9 and 10 above). The supplementary information form should be obtained from and returned to the school by the closing date for applications.

(w) Fraudulent applications

Where the admissions body discovers that a child has been awarded a place as a result of a fraudulent or intentionally misleading application (for example, a false claim to residence in the Worsley ward, or of regular attendance at worship) which effectively denies a place to a child with a stronger claim, then under the school admissions code the governing body may withdraw the offer of the place. The application will be considered afresh and a right of appeal offered if a place is refused.

(x) In-year admissions

In-year or non-routine applications are applications received outside the normal admissions round and if places are available then children qualifying under the published criteria will be admitted. Applications to the school should be made to the school admissions team. If there are places available but more applicants than places then the published oversubscription criteria will be applied. Applications can be made online at www.salford.gov.uk/in-year.
Admissions Criteria

1. Looked after children and previously looked after children.
2. Baptised Roman Catholic children with a sibling attending the school at the time of admission, resident in the parish of St Mark’s.
3. Baptised Roman Catholic children resident in the parish of St Mark’s.
4. Baptised Roman Catholic children with a sibling attending the school at the time of admission, resident in another parish.
5. Baptised Roman Catholic children resident in another parish.
6. Baptised children of other Christian denominations with at least one Catholic parent or guardian (proof required - see notes i and j).
7. Baptised children of other Christian denominations with a sibling in the school at the time of admission (see note i).
8. Baptised children of other Christian denominations (see note i).
9. Other children with a sibling in the school at the time of admission.
10. Other children.

Notes

All children whose education health and care plan names the school must be admitted.

(a) Parents must complete a common application form and express all their preferences for primary school admission. The closing date for all applications is January. The closing date for admissions and the offer of a place is in line with the Salford City Council co-ordinated admissions arrangements. All applicants will be considered at the same time by the admissions committee after the closing date for admissions (as supplied by the local authority).

(b) All applicants will be considered by the governors at the same time in a fair way according to the published criteria.

(c) Parents will be informed of the governors’ decision by Salford City Council in April. An offer of a place does not guarantee a place for siblings in subsequent years.

(d) It is the duty of governors to comply with class size limits. This means that the school cannot operate classes in reception and key stage one of more than 30 children. The governing body may exceed the regulations for twins and children from multiple births where one of the children is the 30th child admitted. This also applies to in-year applicants who are looked after or previously looked after, children of UK service personnel.

(e) If the school is oversubscribed, a waiting list will be maintained for the full academic year. It will be maintained in accordance with the law of the church. The governing body reserves the right to request other evidence as fit the individual circumstance. Applicants should not state the address of another relative or person who has daily care of the child.

(f) Sibling is defined in these arrangements as full, half or step brothers and sisters, adopted and foster brothers and sisters who are living at the same address and are part of the same family unit. This does not include cousins or other family relationships.

(g) The governing body reserves the right to withdraw the offer of a school place where false evidence is received in relation to baptism, sibling connections or places of residence.

(h) Each Roman Catholic applicant will be required to produce a baptismal certificate. Those who have difficulty obtaining written evidence of baptism for a reason, may still be considered as baptised Catholics but only after they have been referred to the parish priest. For in-year applications received outside the normal admissions round, if places are available but more applications than places available, priority will be given on the basis of proximity to the school. This will be determined by the nearest, safest walking routes from the front door of the house to the main entrance of the school. This will be digitally measured using the local authority system with those living closer to the school receiving the higher priority. In the case of an equal distance measurement a random draw will be held by the local authority.

(i) Evidence of other Christian baptism will be required (copy of baptismal certificate required with application).

(j) For criteria 6 to be applied the Catholic parent or guardian will need to provide a copy of own Catholic baptism certificate.

(k) All applicants will be required to provide proof of address, for example, up to date utility bill and council tax bill (within the last three months).

Home address is considered to be the address where the child normally lives. Where care is split and a child moves between two addresses, the household in receipt of the child benefit would normally be the address used but the admission authority body reserves the right to request other evidence as fit the individual circumstance. Applicants should not state the address of another relative or person who has daily care of the child.
normal school year (kept back a year), they
must discuss this with the school before
applying. However, the final decision on this
rests with the head teacher.

(r) Parents may request that their child attend
school part time until he or she reaches his
or her fifth birthday.

(s) Late applications will be considered in
accordance with the published admissions
criteria after applications received by the
closing date.

(t) If an application for admission has been
turned down by the governing body parents
can appeal to an independent appeals panel.
This appeal must be sent in writing to the
clerk to the governors at the school within
20 days of notification of refusal. The parents
must give their reasons for appealing in
writing and the decision of the appeals panel
is binding on the governors and parents.

(u) Twins or triplets and so on. Where there
are twins seeking admission and there is
only a single place left within the admission
number, then the governing body will
exercise as much flexibility as possible. If
places for twins or all triplets, and so on,
cannot be offered, the family will be advised
accordingly. This may also apply to siblings
who are in the same year group. If only a
single place can be offered for twins, then
the local authority’s system for a random
draw will decide which pupil receives an
offer.

Oversubscription
Where the admission number is reached
before all the children in any given criterion
have been allocated places, then all children
within that criterion (but not those in higher
criterion whose places will be assured) will be
ranked according to distance from the school
(as described in note f). Those children living
nearest to the school will be allocated places
until the admission number is reached. The
distance measure is calculated by the local
authority using a software programme.

St Mary’s RC
Primary School, Eccles

Admission policy 2019/20
St Mary’s is a Catholic primary school under
the trusteeship of the Diocese of Salford. It is
maintained by Salford City Council. As a
voluntary aided school, the governing body is
the admissions authority and is responsible for
taking decisions on applications for
admissions. The co-ordination of admissions
arrangements is undertaken by the local
authority. For the school year commencing
September 2019, the governing body has set
its admissions number at 30.

Admissions to the school will be made by the
governing body. All preferences listed on the
local authority application form.

Where the school receives more applications
than places available, the following
oversubscription criteria will be applied, once
places have first been allocated to children
who have a education, health and care plan
which names the school.

1. Looked after children and previously looked
after children.

2. Baptised Catholic children who have
a sibling in the school at the time of
admission.

3. Baptised Catholic children resident in the
parishes of St Mary’s and SS Peter and
Paul.

4. Baptised Catholic children from other
parishes.

5. Non Catholic children who have a sibling in
the school at the time of admission.

6. Other children.

Notes
(a) All applicants will be considered at
the same time and after the closing date for
admissions which is 15 January 2018.

(b) All Catholic applicants will be required to
produce baptismal certificates at the time
of application. The parish map boundaries
for St Mary’s and SS Peter and Paul are
available on both the school and local
authority websites.

(c) It is the duty of governors to comply with
class size limits at key stage one and
therefore no class of five, six and seven
year olds (reception, year one and twol
 can contain more than 30 pupils with one
teacher.

(d) If in any category there are more
applications than places available, priority
will be given on the basis of distance from
home to school. Distance will be measured
(using local land and property gazetteer
information) in a straight line in miles
from the address point of the child’s home
address to the centre point of the school
using the local authority’s computerised
measuring system with those living nearer
to the school having priority. In the event
of distances being the same for two or
more applicants where this distance would
be last place[s] to be allocated, a random
lottery will be carried out in a public place.
All the names will be entered into a hat
and the required number of names will be
drawn out. This process will be supervised
by an independent person.

(e) Where a child lives with parents with shared
responsibility, each for part of a week, the
child’s permanent place of residence will
be determined as the address of the parent
who normally has responsibility for the
majority of school days in a week.

(f) Sibling is defined as a brother or sister, half
brother or sister, adopted brother or sister,
foster brother or sister, step brother or
sister, or the child of the parent or carer’s
partner where the child for whom
the school place is sought is living in the
same family unit at the same address as that
sibling.

(g) Children who are not offered a nursery or
reception place for the September intakes
will be placed on the school’s waiting list.
The waiting list will be maintained only
for the statutory period (until 31 December).
Should any places become available they
will be allocated in accordance with the
admission criteria. As children are added to
the waiting list, the list will be re-ranked in
accordance with the published admission
criteria. This means that children can move
both up and down the waiting list. After 31
December, if a parent wishes their child
to continue to be considered for a school
place, they will need to reapply for a place.
Closing date for applications: 15 January 2019

www.salford.gov.uk/school-admissions-online

Salford primary schools

Making applications

(h) For in-year applications received outside the normal admissions round and if places are available then children qualifying under the published criteria will be admitted. If there are places available but more applicants than places then the published oversubscription criteria will be applied. In-year and late applications will be treated as per the coordinated admissions published by the local authority.

(i) If an application for admission has been turned down by the governing body, parents can appeal to an independent appeals panel. Parents must be allowed at least 20 school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the appeals panel is binding on the governors.

(j) The governing body reserves the right to withdraw the offer of a school place where false evidence is received in relation to baptism, sibling connections or place of residence.

(k) A looked after child is a child who is (a) in the care of the local authority, or (b) being provided with accommodation by a local authority in the exercise of the social services functions under section 22(1) of the Children Act 1989. A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence order or special guardianship order.

(l) Part time, deferred and delayed admission. The school provides for the admission of all children in the September following their fourth birthday. However, parents or carers can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made. Alternatively, where parents wish, children may attend part time until later in the school year but not beyond the point at which they reach compulsory school age. Parents wishing to take either of the above options should inform the head teacher of the school as soon as a place is offered so that the appropriate arrangements can be made. Parents may seek a place for their child outside of their normal age group, for example if the child is gifted and talented or has experienced problems such as ill health. Parents should contact the head teacher of the school in the first instance to discuss an application for admission outside of the normal age group. In addition, parents of children born between 1 April and 31 August (summer born children) may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year one, for example, starting reception a year later than those in their age group. This request should be made to the school admissions team in writing giving reasons for the request. This should be done at the time the child would usually be expected to apply for a reception place. The request will be considered in conjunction with the school and the parent, and the admission authority for the school will decide on whether the child should be offered delayed admission or not. The decision, and the reasons for it, will be communicated to the parent in writing. Where a child is offered a place at the school but not in the year group preferred there will be no right of appeal.

(m) Entrance to reception. No child can automatically transfer from a nursery to a reception class. Where the school is oversubscribed, places in the reception class must be allocated according to the published admission criteria, with children who have attended the nursery being considered on the same basis as those who have not.

St Mary’s RC Primary School, Swinton

Admission policy 2019/20

St Mary’s RC Primary School is a Catholic school in the trusteeship of the Diocese of Salford. It is maintained by Salford City Council and is a voluntary aided school. The governing body is the admission authority and is responsible for taking all decisions on applications for admissions. The co-ordination of admission arrangements is undertaken by the local authority.

For the school’s year commencing September 2019 the governing body has determined that the number of children to be admitted to 2019/20 will be 30.

The school’s role is to participate in the mission of the Catholic church by providing a curriculum, including Catholic religious education and worship, which will help children to grow in their understanding of the good news and in the practice of their faith. The school will help the children develop fully as human beings and prepare them to undertake their responsibilities as Catholics in society. The school requires all parents applying for a place here to understand and respect this ethos and its importance to the school community. This does not affect the rights of parents who are not of the Catholic faith to apply for a place here.

Admissions to the school will be determined by the governing body. Parents must complete a local authority preference form or apply online via the website www.salford.gov.uk/school-admissions-online

If you wish to have your application considered against that school’s religious criteria then you must also provide a copy of your child’s baptismal certificate and a utility bill.

If there are fewer than 30 applications, all applicants will be offered places. If there are more applications than the number of places available, the following oversubscription criteria will be applied:

1. Looked after children and previously looked after children.
2. Children with an exceptional social, medical, educational or religious need which can be best met, or only met at this school.*
3. Baptised Catholic children who have a sibling in the school at the time of admission.
4. Baptised Catholic children resident in the parish of St. Mary’s.
5. Other baptised Catholic children.
6. Other children who have a sibling in the school at the time of admission.
7. All remaining applicants.

*Exceptional needs of this kind will occur very rarely.

It is strongly recommended that a written application is submitted in advance of the normal admissions timetable.

If it is not possible to offer places for all applications within any criterion above, priority will be given to those living closest to the school measured by LLPG (Local Land and Property Gazetteer) information. In the event of distances being the same for two or more applicants, places will be allocated by a random lottery carried out in a public place. All the names will be entered into a hat and the required number of names will be drawn out.

Notes

(a) All applications will be considered at the same time and after the closing date for admissions which is 15 January 2019. Applications received after this date will be treated as a late application and will not be considered until after the main allocation of places has taken place.

(b) A looked after child is a child who is in the care of a local authority, or being provided with accommodation by a local authority in the exercise of their social services functions (under section 22(1)) of the Children Act 1989. A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.

Notes

1. All remaining applicants.
2. None.

2. None.
For a child to be considered as a Catholic evidence of a Catholic baptism or reception into the Catholic church is required. Written evidence of reception into the Catholic church can be obtained by referring to the register of receptions, or in some cases a subsection of the baptismal registers of the church in which the rite of reception took place. If, for example, a child has been baptised in the Church of England and the parents are subsequently admitted to the Catholic church through the RCIA programme, the child must also be admitted to the church by the rite of reception. The governing body will require written evidence in the form of a certificate of reception before applications for school places can be considered for categories of baptised Catholics. A certificate of reception is to include full name, date of birth, date of reception and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of reception. Those who have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to the parish priest who, after consulting with the Salford diocesan authority will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the church.

Home address is considered to be the address where the child normally lives. Where care is split and a child moves between two addresses, the household in receipt of the child benefit would normally be the address used but the admission authority body reserves the right to request other evidence as fit the individual circumstance. Applicants should not state the address of another relative or person who has daily care of the child.

Sibling is defined in these arrangements as full, half or step brothers and sisters, adopted and foster brothers and sisters who are living at the same address and are part of the same family unit. This does not include cousins or other family relationships.

A waiting list for children who have not been offered a place will be kept and will be ranked according to the admission criteria. The waiting list does not consider the date the application was received or the length of time a child’s name has been on the waiting list. This means that a child’s position on the list may change if another applicant is refused a place and their child has higher priority in the admissions criteria.

For in-year applications received outside the normal admissions round, if places are available they will be offered to those who apply. If there are places available but more applicants than places then the published oversubscription criteria will be applied.

If an application for admission has been turned down by the governing body, parents may appeal to an independent appeals panel. Parents must be allowed at least 20 school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the appeals panel is binding on the governors.

The governing body reserve the right to withdraw the offer of a school place where false evidence is received in relation to the application.

It is the duty of governors to comply with regulations on class size limits for children aged between rising five and seven. The governing body may exceed the regulations for twins and children from multiple births where one of the children is the 30th child admitted. This also applies to in-year applicants who are looked after or previously looked after, children of UK service personnel or children who move into the area for whom there is a good school available within a reasonable distance.

If a child is summer born, parents may request that the date their child is admitted to school is deferred to later in the school year. However, the child must start school before the end of that school year. If a parent wishes their child to be educated out of their normal school year (kept back a year), they must discuss this with the school before applying. However, the final decision on this rests with the head teacher.

Parents may request that their child attend school part time until he or she reaches his or her fifth birthday.

Admission policy 2019/20

Admissions to an aided school are the responsibility of the governors, in agreement with the Diocesan Board of Education and the local authority. This policy lays down the criteria for admissions and the procedure to be followed. It is important to read the definitions below to gain a full understanding of the admissions criteria.

Responsibility for admissions is delegated to the administration and staff committee, of which the head teacher is a member.

Admission number

The standard number agreed for admission to nursery class is 26 and the published admission number for admission to the reception class is 30. Governors must adhere to infant class size legislation and therefore no class of five, six and seven year olds can contain more than 30 pupils with one teacher, except in limited permitted circumstances in the school admissions code (2014) section 2.15.

Admission arrangements

All applications for places in reception should be made on the common application form available from the local authority. This form must be returned to the local authority by the due date. Applicants seeking a place under one of the school’s faith-based criteria should also complete the school’s supplementary information form and return it to the school by the date set out on the form.

Failure to complete and return the form will mean that the governors will not be able to apply the school’s faith-based criteria.

If no more than 30 applications are received for admission to reception, all applicants will be offered places.

Allocation of places

The governors will admit all children who have an education, health and care plan in which the school is named. In the event of oversubscription for the remaining places, decisions on the allocation of places will be made using the following criteria, which will be applied in the order of priority shown:

1. Looked after children and previously looked after children
2. Children who have special medical or social circumstances. Professional supporting evidence will be needed in support of their application to this school.
3. Children who have evidence of baptism (baptism certificate will be requested as evidence and should be submitted with the supplementary information form) and who are in regular attendance (40 weeks between 1 January 2018 and 31 December 2018) at St Paul’s Church, Walkden Moor, St. John the Baptist, Little Hulton or St. Paul’s Peel.
4. Children and parents or guardians, who are in regular attendance (40 weeks between 1 January 2018 and 31 December 2018) at St Paul’s Church, Walkden Moor, St. John the Baptist, Little Hulton or St. Paul’s Peel.
5. Children with an older sibling attending school at the time of admission
6. Children and parents or guardians who are in regular attendance at any other Christian Church within the team boundary.
7. Children and parents or guardians who are in regular attendance (40 weeks between 1 January 2018 and 31 December 2018) at any other religious establishment within the team boundary.
8. Any other children, with priority given to those living nearest to the school.

Tie breakers:

(a) In the case of oversubscription in categories 1, 2 and 3. Within any of categories 1, 2 and 3 above priority will be given first to children who have an older sibling in school at the time of admission.

(b) In the case of oversubscription in categories 1, 2 and 3 after the application of tie breaker [A], and oversubscription in categories 4, 5, 6, 7 and 8, the proximity rule will be applied as follows:

Geographical proximity will be taken into account, as defined by Salford City Council, with distance being measured in a straight line from the centre point of the home address to the centre point of the school in miles, with highest priority given to those living nearest the school. In the event of any determination being necessary between
Closing date for applications: 15 January 2019

Salford primary schools

www.ctbi.org.uk To verify attendance of the child.

Evidence of attendance at another Christian church or other religious establishment: other Christian churches are defined as churches in membership of Churches Together in Britain and Ireland. A list of member churches can be viewed at www.ctbi.org.uk. If a place is sought for Christians or other religions, in order for the governors to apply the school’s faith based criteria a supplementary form must be completed and signed by an officer from the church or religious establishment to verify attendance of the child.

Notes

(a) Nursery admissions. There is a maximum of 26 nursery places. The governors shall determine how many of these places are to be allocated on a full time or part time basis. The criteria for nursery places follow the school admissions policy. A place in the nursery does not place the child in the school’s admission form. nursery and reception places.

(b) Reception admissions. Children will be admitted into the reception class at the beginning of the autumn term before their fourth birthday. The governing body shall consider all the applicants at the same time after the closing date for admissions. Parents will be notified of the governor’s decision by the local authority on a date determined by the local authority and published in the Information to parents and on their website.

(c) The governing body shall consider all the applicants at the same time after the closing date for admissions. Parents will be notified of the governor’s decision by the local authority on a date determined by the local authority and published in the Information to parents and on their website.

(d) Late applicants and waiting list. The authority accepts that where there are extenuating circumstances for an application being received after the last date of application, and if it is before the governors have established their list of pupils to be admitted, then it will be considered alongside all others. Otherwise, applications which are received after the last date will be considered after all the others and placed on a waiting list using the oversubscription criteria and as new applications are received the list will be re-ranked, meaning children may move up or down the list according to applications received. The waiting list will be kept until 31 December following admissions in September. Looked after children previously looked after children and in-year fair access pupils take precedence for admission over pupils on the waiting list.

(e) Multiple births. Where there are children of multiple births wishing to be admitted and the 30th child, the governors may admit over the infant class requirement if it is possible to do so.

(f) Appeals. Where the governors are unable to offer a place because the school is oversubscribed, parents have the right to appeal to an independent admission appeal panel, set up under the School Standards and Framework Act, 1998, as amended by the Education Act 2002. Appeals can be submitted at any time after a place has been refused. Downloadable forms can be obtained from www.salford.gov.uk/primary-appeal and returned to the admissions team, Children’s services, Second floor, Salford Civic centre, Chorley Road, Swinton, M27 5AW. Parents will have the opportunity to submit their case to the panel in writing and also attend to present their case. You will normally receive 14 days notice of the place and time of the meeting.

(g) Address of pupil. The address used on the school’s admission form must be the current one at the time of the application. If the address changes subsequently, the parents should notify the local authority. Where the parents live at different addresses the current at the time of application, address of the child should be used. This will be the one where the child wakes up for the majority of Monday to Friday mornings. The local authority will request proof of address.

(h) Fraudulent applications. Where a governing body discovers that a child has been awarded a place as a result of intentionally misleading application from a parent or guardian (for example, a false claim to residence or involvement in a place of worship) which effectively denies a child with a stronger claim, then the governing body is required to withdraw the offer of a place. However, the governors must consider the length of time the child has been at the school, for example, less than one term.

(i) Non routine admissions. If a child needs to change schools other than at the ‘normal’ time, such admissions are known as non routine admissions. From September 2010 in-year admissions should be made through the local authority. The parent should contact the local authority who will issue an application form to the parent.

(j) Deferred admissions. Children are eligible for a reception place from the beginning of the school year in which they become five years old. However they do not become of compulsory age until the start of the term after their fifth birthday. After a place has been allocated and accepted parents can ask that the place be deferred until later in the school year and if they do this the place will be held for the child. They cannot however defer entry beyond the term after the child’s fifth birthday, nor beyond the school year for which the original application was accepted. Parents can also request that their child attends on a part time basis until the child reaches compulsory school age.

(k) Requests for admission outside normal age group. Please contact Salford school admissions team for admission outside normal age group. Information can be found at www.salford.gov.uk/school-admissions-online.

Notes

(a) Nursery admissions. There is a maximum of 26 nursery places. The governors shall determine how many of these places are to be allocated on a full time or part time basis. The criteria for nursery places follow the school admissions policy. A place in the nursery does not place the child in the school’s admission form. nursery and reception places.

(b) Reception admissions. Children will be admitted into the reception class at the beginning of the autumn term before their fifth birthday and to the nursery class at the beginning of the autumn term before their fourth birthday. The governing body shall consider all the applicants at the same time after the closing date for admissions. Parents will be notified of the governor’s decision by the local authority on a date determined by the local authority and published in the Information to parents and on their website.

(c) The governing body shall consider all the applicants at the same time after the closing date for admissions. Parents will be notified of the governor’s decision by the local authority on a date determined by the local authority and published in the Information to parents and on their website.

(d) Late applicants and waiting list. The authority accepts that where there are extenuating circumstances for an application being received after the last date of application, and if it is before the governors have established their list of pupils to be admitted, then it will be considered alongside all others. Otherwise, applications which are received after the last date will be considered after all the others and placed on a waiting list using the oversubscription criteria and as new applications are received the list will be re-ranked, meaning children may move up or down the list according to applications received. The waiting list will be kept until 31 December following admissions in September. Looked after children previously looked after children and in-year fair access pupils take precedence for admission over pupils on the waiting list.

(e) Multiple births. Where there are children of multiple births wishing to be admitted and the 30th child, the governors may admit over the infant class requirement if it is possible to do so.

(f) Appeals. Where the governors are unable to offer a place because the school is oversubscribed, parents have the right to appeal to an independent admission appeal panel, set up under the School Standards and Framework Act, 1998, as amended by the Education Act 2002. Appeals can be submitted at any time after a place has been refused. Downloadable forms can be obtained from www.salford.gov.uk/primary-appeal and returned to the admissions team, Children’s services, Second floor, Salford Civic centre, Chorley Road, Swinton, M27 5AW. Parents will have the opportunity to submit their case to the panel in writing and also attend to present their case. You will normally receive 14 days notice of the place and time of the meeting.

(g) Address of pupil. The address used on the school’s admission form must be the current one at the time of the application. If the address changes subsequently, the parents should notify the local authority. Where the parents live at different addresses the current at the time of application, address of the child should be used. This will be the one where the child wakes up for the majority of Monday to Friday mornings. The local authority will request proof of address.

(h) Fraudulent applications. Where a governing body discovers that a child has been awarded a place as a result of intentionally misleading application from a parent or guardian (for example, a false claim to residence or involvement in a place of worship) which effectively denies a child with a stronger claim, then the governing body is required to withdraw the offer of a place. However, the governors must consider the length of time the child has been at the school, for example, less than one term.

(i) Non routine admissions. If a child needs to change schools other than at the ‘normal’ time, such admissions are known as non routine admissions. From September 2010 in-year admissions should be made through the local authority. The parent should contact the local authority who will issue an application form to the parent.

(j) Deferred admissions. Children are eligible for a reception place from the beginning of the school year in which they become five years old. However they do not become of compulsory age until the start of the term after their fifth birthday. After a place has been allocated and accepted parents can ask that the place be deferred until later in the school year and if they do this the place will be held for the child. They cannot however defer entry beyond the term after the child’s fifth birthday, nor beyond the school year for which the original application was accepted. Parents can also request that their child attends on a part time basis until the child reaches compulsory school age.

(k) Requests for admission outside normal age group. Please contact Salford school admissions team for admission outside normal age group. Information can be found at www.salford.gov.uk/school-admissions-online.
St Paul's CE Primary School, Cross Lane

Admission policy 2019/2020
St Paul's is a Church of England primary school provided by the Diocese of Manchester and is maintained by the Salford City Council as a voluntary aided school. The school’s governing body is the admissions authority and is responsible for taking decisions on applications for admissions. For the school year commencing September 2019 the governing body has set its planned admissions number at 30. This admissions policy has been agreed with the Diocese of Manchester and the local authority.

The governors will admit all children who have an educational, health and care plan in which the school is named. In the event of oversubscription for the remaining places they will be allocated by use of the following criteria applied in order:

1. Looked after children and previously looked after children who were looked after but ceased to be so because they were adopted or became subject to a residence order or special guardianship order.
2. Anglican children who are baptised and are resident in the parish of St Paul with Christ Church, or have a parent on the electoral roll of the parish.
3. Children who, on their admission, will have a brother or sister in attendance at the school, a sibling, step sibling, adoptive sibling or foster sibling who is ordinarily resident at the same address as a pupil who occupies a place in St Paul’s school.
4. Other baptised or dedicated Christian children of denominations which are members of Churches Together in Britain and Ireland or a local Churches Together organisation.
5. Children of parents practising the faith of one or other of the world’s great religious traditions, and who can provide evidence of this, who are resident in the parish of St Paul with Christ Church.
6. Children whose medical or social circumstances mean that their needs can best be met at this school as shown by professional supporting evidence, for example, from a doctor, psychologist, social worker.
7. Any other children resident in the parish.
8. Any other children.

Notes
(a) The governing body shall consider all applicants at the same time after the closing date for admissions. Parents will be notified of the governors’ decision by the local authority on a date determined by the local authority and published in the information booklet to parents and on their website.
(b) Late applicants. Any application received after the closing date, but before the offer of places, will be deemed late and will be considered after those received on time. The offer of a place will be decided in accordance with the published admission criteria. Any application received after the allocation of places will be considered as they are received.
(c) Parents claiming eligibility on the grounds of Christian baptism or dedication (criterion 2 and 4) or other religious beliefs (criterion 5) should submit a completed supplementary form as evidence.
(d) Parents should be aware that a nursery place at the school does not mean automatic entitlement to a reception place at the school.
(e) Parents should check carefully whether they are resident in the parish boundary of St Paul with Christ Church. The school office will keep a map showing parish boundaries, which parents may consult.
(f) It is the duty of the governors to comply with class size limits at key stage one. This means that the school cannot operate classes in key stage one of more than 30
(g) Tie breaker, if in any category, there are more applications than places available, priority will be given on the basis of proximity to the school. Proximity to the school is defined in terms of straight line distance from home to school pedestrian gate. In the event of a tie, where two or more pupil’s home address is the same distance from the school and only one place is available, random allocation will be used.
(h) Parents will be required to provide proof of address when a child is admitted.
(i) Twins, triplets. Where there are children of multiple births wishing to be admitted and the sibling is the 30th child, the governors may admit over the infant class requirement if it is possible to do so.
(j) Appeals. If an application for admission is turned down by the governing body, parents can appeal to an independent appeals panel. This appeal must be sent in writing to the clerk to the governors at the school within 14 days of notification of refusal. Parents must give their reasons for appealing in writing and the decision of the appeals panel is binding on the governors.
(k) Waiting list. The school maintains a waiting list. The admission criteria will be applied to all applicants on the waiting list in the event that a place becomes available.
(l) Shared parenting. Where a child lives with parents with shared responsibility, each for part of the week, the home address will be decided by using the address on the child benefit paperwork.
(m) Deferred admissions. Children will be admitted to the reception class at the beginning of the autumn term before their fifth birthday and to the nursery class at the beginning of the autumn term before their fourth birthday. Parents may request that their school place be deferred until later in the school year and if they do this a place will be held for the child. They cannot, however, defer entry beyond the beginning of the term after the child’s fifth birthday, nor beyond the school year for which the original application was accepted. Parents can also request that their child attends on a part time basis until the child reaches compulsory school age.
(n) In-year admissions. Applications for in-year admission should be made to the school. If there is more than one application for a place available, the criteria above will apply.

www.salford.gov.uk/school-admissions-online
St Peter’s CE Primary School

Admission policy 2019/20

The capacity of the school, excluding nursery places, is 210. The maximum admission number is 30. Admissions will be made within these limits. The governing body is responsible for admissions to the school. The governors will admit all children who have an educational, health and care plan in which the school is named. In the event of oversubscription for the remaining places, the following criteria will be applied in the priority listed.

1. Looked after children and previously looked after children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

2. Baptised children, who are themselves, or of whom at least one parent or guardian is in regular attendance at any of the churches within the parish of the local Anglican team ministry – All Saints, Wardley; St Augustine, Pendlebury; St Peter, Swinton.

3. Baptised children, of whom at least one parent or guardian is, in regular attendance at any of the churches in the ecclesiastical parish of Swinton and Pendlebury.

4. Practising Christian children, resident in the ecclesiastical parish of Swinton and Pendlebury, who are themselves, or of whom at least one parent or guardian is, in regular attendance at a church which is a member of Churches Together in Britain and Ireland or a local Churches Together organisation.

5. Baptised children with an elder sibling in attendance at the school when the younger child commences education. A brother or sister will include a step, adoptive or foster sibling who ordinarily resides at the same address as the child.

6. Children with exceptional medical needs. If claiming for exceptional medical reasons on behalf of a child or parent or guardian, evidence must be provided that the child or parent or guardian has a medical condition which means that admission to this school is most suitable (this must be in the form of written, professional evidence from, for example, a doctor, psychologist or social worker). The school will give priority to children who have exceptional medical needs.

7. Children with an elder sibling in attendance at the school when the younger child commences education. A brother or sister will include a step, adoptive or foster sibling who ordinarily resides at the same address as the child.

8. Baptised children, resident in the ecclesiastical parish of Swinton and Pendlebury.

9. Distance from the school. The distance will be measured in a straight line using Local Land and Property Gazetteer (LLPG) information to measure the distance between the address point of the child’s home address and the centre of the school in miles. Those children whose home address is closest to the school will be those who get priority for places.

Notes

(a) Where more than one child meets the same criteria, these children will be distinguished by the application of the other admission criteria in the same order of priority. In the event of a tie, where two or more pupil’s home address is the same distance from the preferred school, only one place is available, random allocation will be carried out. The names of the equidistant pupils only will be entered into a draw and the required number of names drawn out.

(b) A copy of the ecclesiastical parish boundary information to measure the distance will be secured in advance by phoning 0161 794 2616.

(c) All applicants claiming under priority criteria relating to baptism must produce a baptism certificate.

(d) All applicants claiming under priority criteria relating to church attendance must provide written evidence that the child or at least one parent or guardian attends church at least once every four weeks.

(e) Nursery. The nursery class accepts children from the September after their third birthday. Part time places are not offered. It is the policy of Salford City Council that parents are not allowed to take two part time nursery places in Salford schools.

(f) Reception. In accordance with the policy of Salford City Council, admissions are made into the reception class in the September following a child’s fourth birthday.

(g) Where an application for a place is unsuccessful, parents have a statutory right of appeal and, if wishing to do so, should contact the admissions and exclusions team at Salford Civic Centre: 0161 793 2500.

(h) It should be noted that the length of time on the school’s waiting list is not considered a relevant factor and that a place in nursery class does not guarantee a place in the reception class.

(i) We are happy for any parents or guardians to look around the school. Visits are to be arranged in advance by phoning 0161 794 2616.

(j) Multiple births (twins, triplets and so on). Where there are children of multiple births wishing to be admitted and one sibling is the 30th child with one or more siblings beyond this point, the governors may admit over the infant class size requirement if it is possible to do so.

(k) Late applications. Applications received after the set local authority deadline will be treated as late, regardless of the admission criteria met. After initial school places have been allocated, late applicants will take the relevant criteria-related position on the waiting list (see below).

(l) Waiting list. Where there are more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list, the names on this list will be in the order resulting from the application of the admission criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the admission criteria. Thus it is possible for a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time.

If a place becomes available, within the admission number, the child whose name is at the top of the list will be offered a place. This is not dependent upon whether an appeal has been submitted. The waiting list will operate until the end of the autumn term only.

(m) It should be noted that the length of time on the nursery class does not guarantee a place in the reception class.

(n) Deferred admissions. Parents or guardians of children admitted into the nursery or reception class at the beginning of the autumn term may request that their school place be deferred until later in the school year, if they do this the place will be held for their child. They cannot, however, defer entry beyond the beginning of the term after their child’s fifth birthday, nor beyond the school year for which the original application was accepted. Parents or guardians can also request that their child attends on a part time basis until he or she reaches compulsory school age.

(o) Shared custody arrangements. The child’s home address is considered to be the child’s parent or carer[s] place of residence, that is to say where they are normally and regularly living. If parents are separated and the child spends time at each parent’s address, the address which will be used for admission to school is that of the main carer. The main carer is determined as the parent who is in receipt of child benefit.
The Cathedral School of St Peter and St John RC

Admission policy 2019/20
The Cathedral School of St Peter and St John is a Roman Catholic primary school under the trusteeship of the Diocese of Salford. It is maintained by the Salford City Council as a voluntary aided school. The school’s governing body is the admissions authority and is responsible for taking decisions on applications and admissions. For the school year commencing September 2019 the governing body has set its planned admissions number at 30.

The Catholic faith and teachings of the Catholic church have an essential role in school life and influence every aspect of the curriculum. We ask all parents applying for a place at this school to respect this ethos and its importance to the school community. This does not affect the right of parents who are not of the faith of this school to apply for and be considered for a place here.

Admission to the school will be made by the governing body. All preferences listed on the local authority application form will be considered on an equal basis with the following set of criteria used to form a priority order if there are more applications for admission than the school has places available.

Admission criteria
1. Children who are in public care or looked after, or have previously been in public care or looked after.
2. Baptised Roman Catholic children who will have a sibling attending the school at the time of admission and resident in the parish of St John’s Cathedral.
3. Baptised Roman Catholic children resident in the parish of St John’s Cathedral.
4. Other baptised Roman Catholic children who will have a sibling attending the school at the time of admission and resident in another parish.
5. Other baptised Roman Catholic children resident in another parish.
6. Children with exceptional needs.
7. Other children who will have a sibling attending the school at the time of admission.
8. Other children.

Notes
(a) The governing body is the admissions authority. The admissions committee is comprised of the following governors: chair of governors, parish priest and head teacher.
(b) Parents must complete a common application form and can express up to three preferences for primary school school admission. The closing date for all applicants is 15 January 2019. All applicants will be considered by the governors at the same time in a fair way according to the published criteria. The common application form can also be accessed and completed online at www.salford.gov.uk/school-admissions-online.
(c) A looked after child is a child who is (a) in the care of the local authority, or (b) being provided with accommodation by a local authority in the exercise of the social services functions under section 22(1) of the Children Act 1989. A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.
(d) Supplementary form. The supplementary form must only request information relating to the fact of baptism. Any further information usually collected by the school should be requested on admission.
(e) Parents will be informed of the governors’ decision by Salford City Council on 16 April 2019. An offer of a place does not guarantee a place for brothers and sisters in subsequent years.
(f) Each Roman Catholic applicant will be required to produce a baptismal certificate.
(g) Parents should check carefully whether they are resident within the parish boundaries of St John’s Cathedral, Chapel Street, Manchester.
(h) All applicants resident in the parish of St John’s Cathedral will be required to provide proof of address, by supplying an original, up to date utility bill or family credit book.
(i) It is the duty of governors to comply with regulations on class size limits at key stage one. The governing body may exceed key stage one class size regulations for twins, siblings in the same year group and children from multiple births where one of the children is the 30th child admitted.
(j) Exceptional needs. Children for whom the governors accept that there are exceptionally strong medical, social or welfare needs associated with the child and/or family, where these needs can only be met by this school. Supporting professional evidence is essential under this criterion. This may be from, for example, a doctor, a psychiatrist, a social worker and such evidence must set out the particular reasons why this school is the most suitable one for those particular difficulties.
(k) Special needs. If a child has an educational, health and care plan naming a specific school there is a duty for the school to admit the child.
(l) If in any category there are more applications than places available, priority will be given on the basis of proximity to the school.
(m) In the event of distances being the same for two or more applicants where this distance would be the last place(s) to be allocated, a random lottery will be carried out in a public place.
(n) Where a child lives with parents with shared responsibility, each for part of the week, the home address will be determined as being where the child resides for the majority of the school week. The address shown on the child benefit notification letter will be taken as evidence of residency. If this is not available then the child’s medical card must be provided.
(o) Sibling is defined as a natural brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent or carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. The governing body must comply with maximum class size of 30 children but if there is one place remaining and the next qualifying application is for children of a multiple birth, then all children of that multiple birth will be admitted.
(p) If the school is oversubscribed, a waiting list will be maintained until the end of the autumn term. This will be ordered according to the admission oversubscription criteria.
(q) Late applications will be considered in accordance with the published admissions criteria. If the school is oversubscribed, late applications will be placed on a reserve list in priority order according to the published admissions criteria. Parents will be notified if a vacancy subsequently arises. Parents will be expected to provide reasons for the late application. If this is not exceptional the application will be dealt with after all others have been dealt with.
(r) For in-year applications received outside the normal admissions round and if places are available then children qualifying under the published criteria will be admitted. Direct applications to the school can now be made under this heading. If there are places available but more applicants than places then the published oversubscription criteria will be applied.
(s) Parents are asked to read and confirm receipt of the governors’ published admission policy. Any changes to the policy will be circulated to all applicants on file for subsequent years.
(t) If an application form admission has been turned down by the governing body parents can appeal to an independent appeals panel. This appeal must be sent in writing to the clerk to the governors at the school within 20 school days of notification of refusal. The date of notification will be two working days after posting by first class post. The parents must give their reasons for appealing in writing and the outcome of the appeal is binding in the parents and the governing body.
(u) The governing body reserve the right to withdraw the offer of a school place where false evidence is received in relation to baptism, sibling connections or place of residence.
(v) Admission to the nursery class does not necessarily secure admission to the primary school. Admission to the nursery class will be made on a full time basis.
St Philip’s CE Primary School

Admission policy 2019/2020
St Philip’s is a Church of England primary school provided by the Diocese of Manchester and is maintained by Salford City Council as a voluntary aided school. The school’s governing body is the admissions authority and is responsible for taking decisions on applications for admissions. Responsibility for admissions is delegated to the governing body admissions committee. For the school year commencing September 2019 the governing body has set its planned admissions number at 30.

This admissions policy has been agreed in consultation with the Diocesan Board of Education and Salford City Council.

The school will admit all children who have an educational, health and care plan and who have this school named.

If no more than 30 applications are received for admission to reception class all applicants will be offered a place.

When the number of applications received is greater than the number of remaining places available after the admission of any children with an educational, health care plan and who have this school named.

If an application for admission is refused the parents have a right of appeal. Parents can also request that the place will be held for the child. They may later in the school year and if they do this the place will be held for the child. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to what extent to which they meet the criteria. This waiting list will operate until the end of the autumn term only.

Notes
(a) All applicants will be considered at the same time and after the closing date for applications which is 15 January 2019.
(b) Late applicants. Any application received after the closing date, but before the offer of places, will be deemed late and will be considered after those received on time. The offer of a place will be decided in accordance with the published admission criteria. Any application received after the allocation of places will be considered as they are received.
(c) Applicants seeking admission under criteria 4, 5 and 6 should complete a supplementary form giving evidence of their faith commitment. This information will be used in allocating places when the school is oversubscribed. There is a link on the school website to obtain this form www.stphilipssalford.org.uk

3. Children whose medical or social circumstances mean that their needs can only be met at this school. Where admission is sought under this criteria, professional supporting written evidence, for example, from a doctor, social worker or psychologist is essential. Such evidence must set out the particular reasons why the school is the most suitable for the child, and the difficulties that would be caused if the child has to attend another school.

4. Anglican children who are baptised, and are resident in the parish of St Philip’s and St Stephen. Evidence of a baptism certificate is required.

5. Other baptised or dedicated Christian children of denominations which are members of Churches Together in Britain and Ireland. A list of churches together can be viewed at www.ctib.org.uk

6. Children of parents practising the faith of one or other of the world’s great religious traditions, and who can provide evidence of this, who are resident in the parish of St Philip and St Stephen. (Parents should complete the supplementary form to evidence practise of a faith. This is available on the school website www.stphilipssalford.org.uk or from the council website www.salford.gov.uk/vaforms).

7. Any other children resident in the parish.

8. Any other children.

(d) Parents should be aware that a nursery place at the school does not mean automatic entitlement to a reception place at the school.
(e) Parents should check carefully whether they are resident in the parish boundary of St Philip and St Stephen. There is a map available in school and on the school website www.stphilipssalford.org.uk and on the local authority website www.salford.gov.uk/parishmaps.
(f) It is the duty of the governors to comply with class size limits at key stage one. Where there are children of multiple births wishing to be admitted and the sibling is the 30th child, the governors may admit over the infant class requirement if it is possible to do so.

(g) If, in any category, there are more applications than places available, priority will be given on the basis of proximity to the school. Proximity to the school is defined in terms of straight line distance from home to school, as measured by Salford City Council’s computer system and protocol. Where two applicants are equidistant from the school and only one place is remaining, random allocation will be used to determine which of these two children will be offered the place. This will be supervised by someone independent of the school.

(h) If an application for admission is refused by the governing body, parents can appeal to an independent appeals panel. This appeal must be sent in writing to the clerk to the governors at the school within 20 days of notification of refusal. Parents must give their reasons for appealing in writing and the decision of the appeals panel is binding on the governors.

(i) Where there are more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to what extent to which they meet the criteria. This waiting list will operate until the end of the autumn term only.

(j) Shared parenting. Where a child lives with parents with shared responsibility, each for part of the week, the home address will be decided by using the address on the child benefit paperwork.

(k) Deferred admissions. Children will be admitted to the reception class at the beginning of the autumn term before their fifth birthday, and to the nursery class at the beginning of the autumn term before their fourth birthday. Parents may request that their school place be deferred until later in the school year and if they do this the place will be held for the child. They cannot, however, defer entry beyond the beginning of the term after the child’s fifth birthday, nor beyond the school year for which the original application was accepted. Parents can also request that their child attends on a part time basis until the child reaches compulsory school age.
School has a separate in-year admissions policy which is available from the school office. All admissions should follow the Salford City Council admission policy which is available at www.salford.gov.uk.

Admission outside the child’s normal age group. Parents may seek a place for their child outside of their normal age group for example if the child is gifted and talented or has experienced problems such as ill health. In addition the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year one.

Parents requesting admission out of the normal age group must put their request in writing addressed to the head teacher with any supporting evidence that the parent wishes to be taken into account. The governing body will make decisions on requests for admission outside the normal age group on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of parents views; any information provided about the child’s academic, social and emotional development; where relevant their medical history and the views of a medical professional; whether they have previously been educated outside their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The governing body will also take into account the views of the head teacher. When informing a parent of their decision on the year group the child should be admitted to the governing body will clearly set out the reasons for their decision.

Where the governing body agrees to a parent’s request for their child to be admitted out of their normal age group and as a consequence of that decision the child will be admitted to a relevant age group [for example, reception – the age group which pupils are normally admitted to school the local authority and governing body must process the application as part of the main admissions rounds unless the parental request is made too late for this to be possible and on the basis of their determined admission arrangements only including the application of the oversubscription criteria where applicable. The governing body must not give the application lower priority on the basis that the child is being admitted out of their normal age group.

Parents have the statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at a school but it is not in their preferred age group.

Where the governing body agrees to a parent’s request for their child to be admitted out of their normal age group – to reception rather than year one. Parents requesting admission out of the normal age group must put their request in writing addressed to the head teacher with any supporting evidence that the parent wishes to be taken into account. The governing body will make decisions on requests for admission outside the normal age group on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of parents views; any information provided about the child’s academic, social and emotional development; where relevant their medical history and the views of a medical professional; whether they have previously been educated outside their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The governing body will also take into account the views of the head teacher. When informing a parent of their decision on the year group the child should be admitted to the governing body will clearly set out the reasons for their decision.

Where the governing body agrees to a parent’s request for their child to be admitted out of their normal age group and as a consequence of that decision the child will be admitted to a relevant age group [for example, reception – the age group which pupils are normally admitted to school the local authority and governing body must process the application as part of the main admissions rounds unless the parental request is made too late for this to be possible and on the basis of their defined admission arrangements only including the application of the oversubscription criteria where applicable. The governing body must not give the application lower priority on the basis that the child is being admitted out of their normal age group.

Parents have the statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at a school but it is not in their preferred age group.

St Philip’s RC Primary School

Admission policy 2019/20

Please note that a nursery place does not guarantee a place in reception class.

St. Philip’s is a Roman Catholic primary school provided by the Diocese of Salford and is maintained by the Salford City Council as a voluntary aided school. The school’s governing body is the admissions authority and is responsible for taking decisions on applications and admissions. For the school year commencing September 2019, the governing body has set its planned admissions number at 45.

The governors will admit all children with an education health and care plan in which the school is named.

Admission to the school will be made by the governing body in accordance with the stated preferences it receives, subject to the following set of criteria, which will be used to form a priority order if there are more applications for admissions than the school has places available.

1. Baptised Roman Catholic looked after children and previously looked after children (as defined in point 4).
2. Baptised Roman Catholic children resident in the parish of Our Lady of Dolours who will have a brother or sister attending the school at the time of admission (as defined in point 8).
3. Baptised Roman Catholic children who are resident in the parish of Our Lady of Dolours (as defined in point 5).
4. Other baptised Roman Catholic children who will have a brother or sister attending the school at the time of admission and resident in another parish (as defined in point 8).
5. Other baptised Roman Catholic children resident in another parish.
6. Other looked after children and previously looked after children.
7. Exceptional needs (as defined in point 4).
8. Other children.

If in any category there are more applications than places available, priority will be given on the basis of distance from the school (as defined by Salford City Council).

Nursery and reception

Admission arrangements to the nursery are separate to those for the nursery. There are 30 places available in the nursery and the governors shall determine how many of these places are to be allocated on a full time or part time basis each year depending on the number of applications. Attendance at the nursery does not give a child any guarantee of priority when it comes to consideration by the governors of applicants for admission to the reception class. Parents must make a separate application for a reception place.

Late applications

Any applications received after the closing date, but before the offer of places, will be deemed late and will be considered after those received on time. The offer of a place will be decided in accordance with the published admission criteria. Any applications received after the allocation of places will be considered as they are received.

Notes

(a) The governing body is the admissions authority. The admissions committee is comprised of the following governors: chair of governors, parish priest and head teacher.

(b) All applicants will be considered at the same time and after the closing date for admissions as published by Salford City Council.

(c) For a child to be considered as a Catholic, evidence of a Catholic baptism will be required. Proof of address in the form of council tax statement, child benefit or working or family tax credit documentation, driving licence (photocard style only), addressed payslip or P45 or P60 statement will be required before a place is offered.
A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (under section 22(1) of the Children Act 1989). A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.

(e) If any category there are more applications than places available, priority will be given on the basis of distance from home to school. Distance will be measured in a straight line from the address point of the child’s home address (including the community entrance to flats) to the centre point of the school using the local authority’s computerised measuring system with those living nearer to the school having priority. In the event of distances being the same for two or more applicants where this distance would be last place(s) to be allocated, a random lottery will be carried out in a public place. All the names will be entered into a box and the required number of names will be drawn out.

(f) Parents need to ensure that they are resident in the parish of Our Lady of Dolours.

(g) Where the admission criteria refer to a brother or sister currently in school, this means that the older child will be attending the school at the time of admission of the younger child. A brother or sister is defined as a natural brother or sister, or step brother or sister, or foster or adopted brother or sister who lives in the same household and which is the child’s genuine main residence.

(h) Where a child has parents with shared responsibility and lives with each parent part of the week, the home address will be decided by using the address to which the child benefit is paid.

(i) The governing body reserve the right to admit children with proven exceptional medical and social needs where admission to the school might best help satisfy those exceptional needs, providing that such application is submitted with appropriate evidence from a doctor or social worker.

(j) The governing body reserve the right to withdraw the offer of a school place where false evidence is received in relation to baptism, sibling connections or place of residence.

(k) A waiting list for children who have not been offered a place will be kept and will be ranked according to the admission criteria. Parents will be informed of their child’s position on the waiting list which will be reviewed on a termly basis.

(l) If an application for admission has been turned down by the governing body parents can appeal to an independent appeals panel. This appeal must be sent in writing to the clerk to the governors at the school within 20 days of notification of a refusal. The parents must give their reasons for appealing in writing and the decision of the appeals panel is binding on the governors.

(m) For in-year applications received outside the normal admissions round, if places are available, then children qualifying under the published criteria will be admitted. If there are places available but more applicants than places then the published oversubscription criteria will be applied.

St Sebastian’s RC Primary School

Admissions policy 2019/20

St Sebastian’s RC Primary is a Roman Catholic Primary school provided by the Diocese of Salford and is maintained by Salford City Council as a voluntary aided school. The school’s governing body is the admissions authority and is responsible for taking decisions on applications and admissions. For the school year commencing September 2019, the governing body has set its planned admissions number at 30.

Admission to the school will be made by the governing body. All preferences listed on the local authority preference form will be considered on an equal basis, with the following set of admissions criteria forming a priority order where they are more applications for admissions than the school has places available.

1. Baptised Roman Catholic looked after children and previously looked after children.
2. Baptised Roman Catholic children who will have a brother or sister attending the school at the time of admission and resident in the parish of St Sebastian’s.
3. Baptised Roman Catholic children who are resident in the parish of St Sebastian’s.
4. Other baptised Roman Catholic children who will have a brother or sister attending the school at the time of admissions and are resident in another parish.
5. Other baptised Roman Catholic children resident in another parish.
6. Other looked after children and previously looked after children.
7. Other children with a brother or sister attending the school at the time of admission.
8. Children with exceptional medical or social needs where these needs can only be met at this school.
9. Other children.

Notes

(a) The governing body is the admissions authority. The admissions sub committee is comprised of the following governors: chair of governors, two additional governors and head teacher.

(b) Parents must complete a common application form and express their preferences for primary school admission. The closing date for all applicants is indicated on the form. All applicants will be considered by the governors at the same time in a fair way according to the published criteria.

(c) Each Roman Catholic applicant is required to produce a baptismal certificate. A copy can be obtained from the church in which your child was baptised.

(d) All applicants may be required to provide proof of address, by supplying original, up to date evidence, such as utility bills or family credit book.

(e) If in any category there are more applications than places available, priority will be given on the basis of proximity to the school. This will be determined by the straight line distance from the address point of the house to the centre point of the school. This will be digitally measured using the local authority system with those living closer to the school receiving the higher priority. In the case of an equal distance measurement a random draw will be made.

(f) Where a child lives with parents with shared responsibility, each part of the week, the home address will be determined as being where the child resides for the majority of the school week.

(g) Governors reserve the right to admit children where there are exceptionally strong medical, social or welfare reasons associated with the child and/or family, which are directly relevant to the school concerned. Supporting professional evidence will be required. This may be from whichever sources the applicant feels are most appropriate. Examples of such evidence are doctors, health visitors and social workers. As required by law all children with an education, health and care plan naming the school will be admitted before the application of the oversubscription criteria.
(h) It is the duty of governors to comply with regulations on class size limits at key stage one. The governing body may exceed the regulations for twins and children from multiple births where one of the children is the 30th child admitted.

(i) A brother or sister is defined as a natural brother or sister, or stepbrother or sister, or foster or adopted brother or sister who lives in the same household and which is the child’s genuine main residence.

(j) If the school is oversubscribed, a waiting list will be maintained for the full autumn term in the academic year of admission. It will be ordered according to the admission oversubscription criteria.

(k) Late applications will be considered in accordance with the published admissions criteria. If the school is oversubscribed, late applications will be placed on a reserve list in priority order according to the published admissions criteria. Parent will be notified if a vacancy subsequently arises. Parents will be expected to provide a reason(s) for the late application. If this is not exceptional the application will be dealt with after all others have been dealt with.

(l) For in-year applications received outside the normal admissions round and if places are available then children qualifying under the published criteria will be admitted. Applications to the school should be made to the school admissions team. If there are places available but more applicants than places then the published oversubscription criteria will be applied.

(m) St. Sebastian’s also operate a nursery class. The planned admission number for the nursery is 30. The head teacher will apply the above criteria to those parents wishing a place in the nursery class. A place in the nursery does not necessarily guarantee a place in the reception class.

(n) If an applicant for admission has been turned down by the governing body, parents can appeal to an independent appeals panel. This appeal must be sent in writing to the clerk to the governors at the school within 20 days of notification of refusal. The parents must give their reasons for appealing in writing and the decision of the appeals panel is binding by the governors.

(o) Looked after child. A looked after child is (a) in the care of the local authority, or (b) being provided with accommodation by the local authority in the exercise of their social service function under the section 22(1) of The Children Act 1989. A previously looked after child is one who immediately moved on from that status after becoming the subject to an adoption, social residence or guardianship order.

St Teresa’s RC Primary School

Admission policy 2019/20

St Teresa’s R.C. Primary school is a Roman Catholic primary school in the trusteeship of the Diocese of Salford. It is maintained by Salford City Council and is a voluntary aided school.

The school’s governing body is the admissions authority and is responsible for taking decisions on applications for admissions. The coordination of admissions arrangements is undertaken by the local authority for our reception class and by the school for the nursery class.

For the school year, commencing September 2019, the governing body has set its planned admissions number at 30.

The school’s role is to participate in the mission of the Catholic church by providing a curriculum, including Catholic religious education and worship, which will help children to grow in their understanding of the good news and in the practice of their faith. The school will help the children develop fully as human beings and prepare them to undertake their responsibilities as Catholics in society. The school requires all parents to respect this ethos and its importance to the school community. This does not affect the rights of parents who are not of the Catholic faith to apply for a place here.

Admission to the school will be made by the governing body, in accordance with the stated parental preferences it receives, subject to the following set of criteria, which will be used to form a priority order in the case of there being more applications than places available.

If there are fewer than 30 applications, all applicants will be offered places. If there are more applications than the number of places available, the following oversubscription criteria will be applied:

1. Looked after children and previously looked after children.
2. Children with an exceptional social, medical, educational or religious need which can be best met, or only met at this school,*
3. Baptised Catholic children who have a sibling in the school at the time of admission.
4. Baptised Catholic children resident in the parish of St Teresa’s.
5. Other baptised Catholic children.
6. Other children who have a sibling in the school at the time of admission.
7. All remaining applicants.

*Exceptional needs of this kind will occur very rarely. It is strongly recommended that a written application is submitted in advance of the normal admissions timetable. This includes children for whom the governors accept that there are exceptionally strong medical, social or welfare reasons associated with the child and/or family, which are directly relevant to the school concerned. Supporting professional evidence will be required. This may be from whichever sources the applicant feels are most appropriate. Examples of such evidence are doctors, health visitors and social services.

If it is not possible to offer places for all applications within any criterion above, priority will be given to those living closest to the school measured in a straight line from the address point of the child’s home address to the centre point of the school. Distance will be measured by the local authority’s computerised measuring system with those living nearer to the school having priority. In the event of distances being the same for two or more applicants and only one place left to be allocated, a random lottery will be carried out in a public place. All names will be entered into a hat and the required number of names will be drawn out.

The governing body is the admissions authority. The admissions committee is comprised of the following governors; chair of governors, two additional governors and head teacher.
Each Roman Catholic applicant must produce a baptismal certificate. The criteria of being a baptised Catholic is that of being baptised on, or before the deadline date for applications in January.

Parents should check whether they are residents within the parish borders (a map is available in the school office and on the school website www.st-teresas.salford.sch.uk). All applicants will be required to follow local authority recommendations and provide proof of address, by supplying original proof of residence at the point of application. At the point of offer, you will be asked to provide such information.

Governors will comply with class size limits in key stage one.

Notes for applicants

(a) All applications will be considered at the same time and after the closing date for admissions which is 15 January 2019. Applications received after this date will be treated as a late application and will not be considered until after the main allocation of places has taken place.

(b) A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (under section 22(1) of the Children Act 1989). A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.

(c) For a child to be considered as a Catholic evidence of a Catholic baptism or reception into the Catholic church is required. Written evidence of baptism into the Catholic church may be obtained by referring to the register of baptisms, or in some cases a subsection of the baptismal registers of the church in which the rite of reception took place. If, for example, a child has been baptised in the Church of England and the parents are subsequently admitted to the Catholic church through the R.C.I.A programme, the child must also be admitted to the church by the rite of reception.

(d) Home address is considered to be the address where the child normally lives. Where care is split and a child moves between two addresses, the household in receipt of the child benefit will normally be the address used but the admission authority body reserves the right to request other evidence as fit the individual circumstance. Applicants should not state the address of another relative or person who has daily care of the child.

(e) Sibling is defined in these arrangements as full, half or step brothers and sisters, adopted and foster brothers and sisters who are living at the same address and are part of the same family unit. This does not include cousins or other family relationships.

(f) A waiting list for children who have not been offered a place will be kept until 31 December of the application year and will be ranked according to the admission criteria. The waiting list does not consider the date the application was received or the length of time a child’s name has been on the waiting list. This means that a child’s position on the list may change if another applicant is refused a place and their child has higher priority in the admissions criteria.

(g) For in-year applications received outside the normal admissions round, if places are available they will be offered to those who apply. Applications need to be made through the local authority. If there are places available but more applicants than places then the published oversubscription criteria will be applied.

(h) If an application for admission has been turned down by the governing body, parents may appeal to an independent appeals panel. Parents must be allowed at least 20 school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the appeals panel is binding on the governors. Please note that there are no appeals for nursery places.

(i) The governing body reserves the right to withdraw the offer of a school place where false evidence is received in relation to the application.

(j) It is the duty of governors to comply with regulations on class size limits for children aged between rising five and seven. The governing body may exceed the regulations for twins and children from multiple births where one of the children is the 30th child admitted. This also applies to in-year applicants who are looked after or previously looked after, children of UK service personnel or children who move into the area for whom there is no other school available within a reasonable distance.

(k) Parents may request that the date their child is admitted to school is deferred to later in the school year. However, the child must start school before the end of that school year. If a parent wishes their child to be educated out of their normal school year they must discuss this with the school before applying. However, the final decision on this rests with the head teacher.

(l) Parents may request that their child attend school part time until he or she reaches his or her fifth birthday.

Admissions to the nursery class

Admissions to the nursery class are explained in the school prospectus and closely follow the local authority arrangements. As from September 2014, the school became its own admissions authority for nursery applications. As such, all applications are made directly to the school and not on the online authority website. Opportunity to list up to five nursery schools in preference order is given. All applications are administered using the admissions criteria stated above at the closing date of applications.

It has been agreed with governors and nursery staff that we will admit up to a maximum of 30 children into the nursery, on the assumption that all health and safety requirements have been met.

When seeking a place in nursery, time spent on the request list is not a criterion of admission.

On making an application to the school a detailed form will be filled in and you will be requested to supply supporting documents in the form of: birth certificate, baptismal certificate.

The closing date for the nursery applications is 15 January 2019 and places will be allocated on 16 April 2019. Parents will have two weeks to respond to the offer of a place. They will need to provide proof of residence at the given home address on the allocation date.

Unsuccessful applications will also be informed and there will be an option to remain on the school waiting list.

Any requests received after the closing date will be treated as a late application and will be placed on the school waiting list in priority order according to the published admissions criteria. There is no right to appeal for a nursery place. Attendance in the nursery does not guarantee a place in the reception class.
Admissions to the reception class
Admissions to the reception class are explained in the school prospectus and follow the local authority arrangements. All applications are made online on Salford City Council website using the online application form - www.salford.gov.uk/school-admissions-online

The closing date for the reception applications is 15 January 2019 and places will be allocated on 16 April 2019. Parents will have two weeks to respond to the offer of a place. They will need to provide proof of residence at the given home address on the allocation date and also show an original copy of the birth certificate and baptismal certificate where applicable. The school will inform the authority of any child not taking up their offer of a place.

Requests received after the closing date will be treated as a late application by the authority and will be placed on a waiting list in priority order according to the published admissions criteria.

In-year applications
In-year applications for all year groups should be made directly to the local authority: www.salford.gov.uk/school-admissions-online

The authority will contact the school to request a school place. The published criteria for admissions will be followed. If there are places available but more applicants than places, then the published oversubscription criteria will be applied. A waiting list for children who have not been offered a place will be kept and will be ranked according to the admissions criteria. Each time a child is added to the list this will require the waiting list to be ranked again in line with the criteria – priority will not be given to children based on the date their application was received. The waiting list expires after 20 days after which time a reappplication will be required, except in the case of an application for a reception place when the waiting list will expire on the 31 December 2019.

Please note that children meeting certain criteria may be referred to the in-year fair access process which the school has signed up to. This means that they might take precedence over all children on the waiting list.

In-year fair access protocols
Each local authority is required to prepare and agree with the majority of schools a fair access protocol the purpose of which is to ensure that the most vulnerable and hard to place children (as defined in the protocol) requiring places outside the normal admissions cycle are offered school places as quickly as possible.

By virtue of section 96 of the School Standards and Framework Act, 1998, the local authority retains a very broad power to direct schools to admit what were in 1998 described as hard to place children. The purpose of the protocol is to ensure that this power of direction is used fairly and according to agreed criteria. It must include arrangements for monitoring so it can be demonstrated that schools are being treated equitably.

It is therefore in the interests of schools to co-operate with the local authority in carrying out this challenging and sometimes controversial duty.

The fair access protocol is not required to take account of faith designation of the school (although some do) or of class size legislation.

Governing boards must not refuse to admit a child thought to be potentially disruptive or likely to exhibit challenging behaviour. The fair access protocol must not require a school automatically to admit another child with challenging behaviour to replace a child excluded from the school.

The admission of children with special educational needs
By virtue of Section 324 of the Education Act 1996, governing boards are obliged to admit a child with a statement of special educational needs that names their school. However in advance of that process the local authority must provide either a copy of the proposed statement and appendices or, where they are proposing to amend part four of an existing statement, either the proposed amended statement or the amendment notice together with a copy of the existing statement, and in either case, the appendices and give the governing body the opportunity to make observations.

The governing body may object to the direction on the grounds that the school is unsuitable for the child’s age, ability, aptitude or special educational needs, or that the placement would be incompatible with the efficient education of the other children with whom the child will be educated, or with the efficient use of resources. The local authority has a duty to consider such objections and may consider these sufficient to warrant the naming of another school.

In turn the parents may also appeal against that decision to the special educational needs and disability tribunal.

For the child’s needs to be best addressed it is important that the process outlined is applied thoroughly and with a clear understanding of the responsibilities resting on all parties.
St Thomas of Canterbury
RC Primary School

Admission policy 2019/20
St Thomas of Canterbury RC Primary School is a Roman Catholic primary school provided by the Diocese of Salford and is maintained by Salford City Council as a voluntary aided school. The school’s governing body is the admissions authority and is responsible for taking decisions on applications and admissions. For the school year commencing September 2019, the governing body has set its planned admissions number at 60.

Admission to the school will be made by the governing body in accordance with the stated preferences it receives, subject to the following set of criteria, which will be used to form a priority order if there are more applications for admission than the school has places available.

The governors will admit all children with an education health and care plan in which the priority order if there are more applications for admission than the school has places available.

Notes
(a) All applicants will be considered at the same time by the admissions committee after the closing date for admissions, which is 15 January 2019.
(b) Each Roman Catholic applicant will be required to produce a baptismal certificate.
(c) Parents or carers should check carefully whether they are within the parish boundary of the school concerned. A map illustrating the parish boundary will be available at the school.
(d) It is the duty of the governors to comply with class size limits at key stage one. This means that the school cannot operate classes of more than 30 in key stage one.
(e) The terms brother or sister will be defined as a natural brother or sister, or step brother or sister, or foster or adopted brother or sister who live in the same household and which is the child’s genuine main residence.
(f) The governing body reserves the right to admit children proven with exceptional medical and social needs where admission to the school might best help satisfy those exceptional needs, providing that such application is submitted with appropriate evidence from a doctor or social worker.

Oversubscription
In the course of allocating places for children within 1 to 8 of the criteria, it is possible that the school’s admission number will be reached before all the children within that criterion have been allocated places. If that happens, all of the children within that criterion (but not children in higher criteria whose places will be assured) will be ranked according to distance from the school. Priority is given to children who have lived nearest the school. The distance is measured along a straight line between the home address and the school. This exercise will be carried out by the local authority using a computer package.

In the event of distances being the same for two or more applicants where this distance would be for the last place(s) allocated, a random lottery will be carried out in a public place.

Notes
(f) If an applicant for admission has been turned down by the governing body, parents or carers can appeal to an independent appeals panel. This appeal must be sent in writing to the clerk to the governors at the school within 20 days of notification of refusal.
(h) A looked after child is a child who is a) in the care of the local authority or, b) been provided with accommodation by a local authority in the exercise of their social services functions under section 22(1) of the Children’s Act 1989. A previously looked after child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order.

Part time, deferred and delayed admission
The admission authority provides for the admission of all children in the September following their fourth birthday. However, where a child has been offered a place at a school the child’s parents or carers can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made. Alternatively, where parents wish, children may attend part time until later in the school year but not beyond the point at which they reach compulsory school age.

Parents wishing to take either of the above options should inform their allocated school as soon as a place is offered so that the appropriate arrangements can be made. Parents may seek a place for their child outside of their normal age group, for example if the child is gifted and talented or has experienced problems such as ill health. Parents should contact the head teacher in the first instance to discuss and application for admission outside of the normal age group. In addition, parents of children born between 1 April and 31 August (summer born children) may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year one, for example, starting reception a year later than those in
