Occasionally we may take photographs of the children at school. We use these images as part of our school displays and sometimes in other publications like local press and our school website.

To comply with data protection laws we need parental permission before we can photograph or make any recording of our children.

All parents are required to have completed a consent form and completed forms are kept centrally in the school office for reference.

If a parent wishes to change their level of consent they should complete a new form and return it to the school office to inform the school of the change.

From time to time, our school may be visited by the media who will take photographs or film footage of a high profile event. Children may appear in these images, which will sometimes be published in local or national newspapers, or on approved websites such as MEN.
