SCHOOL FUND MISSION STATEMENT February 2019

The School Fund has been established over many years to assist us in providing additional monies to enhance educational opportunities for the children and to enhance opportunities for the School Community.

School Fund income is derived from fundraising and voluntary contributions. School Fund expenditure is incurred on extra-curriculum activities, provision of additional equipment and transport, charitable donations and support to financially disadvantaged pupils.

In agreement with the governors, the fund can be used to fund/manage the following items and activities:

- School photos
- Sale and purchase of uniforms
- Purchasing of equipment and books
- Paying for specialist activities to enhance curriculum provision

Whilst this list is not exclusive, any items or activities not included should be approved by the Headteacher on their individual merit.
