3rd June 2020.

Dear Parents and Carers,

We are approaching the second week of the summer term, 2020, and we have given priority to the children of Key Workers*, Vulnerable and Disadvantaged, during the first phase of *wider* reopening.

As we predicted, the number of children attending in this group has risen, due to parents being asked to return to their workplace. Quite a few parents have spoken to me this week outlining their imminent change in circumstances beginning on 15th June, which will mean they will fall in to the above group and therefore require their child/ren to return to school.

Using data from the scientists (SAGE: see below) and following our core principles of protecting staff, children, family members and our local community, we will continue to plan and re-plan for a phased re-opening. We will always strive to reduce risk by adhering to the guidance and safety practices, but we are unable to guarantee the complete removal of risk.

</table>

**Week beginning 8th June (week 2):**

We will continue to add to the group of Key Workers*, Vulnerable and Disadvantaged, whilst continuing to accept those pupils already established with this group.

If you are a Key Worker*, required to return to the workplace from 8th June, please contact the school by Thursday 4th June via email to: headteacher@kirklangley.derbyshire.sch.uk or phone the office before 3.15pm
Week beginning 15th June (week 3):

Those parents who requested a place, in May, for their child in Reception, Year 1 and Year 6, who are not currently attending within the Key Worker*, Vulnerable and Disadvantaged Group, may be invited into school from the week beginning 15th June. However, if the Key Worker, Disadvantaged and Vulnerable group grow it may not be possible. I will inform those parents by Wednesday, 10th June if we are able to accept their child.

Week beginning 22nd June 2020 (week 4):

We predict more parents will be requesting places for their child within the Key Worker*, Vulnerable and Disadvantaged Group. July 4th has been identified as another key date for businesses to resume and therefore we will give priority to these children.

Due to the majority of our parents, who have communicated they would not send their child back before September, we may start to, safely, invite more pupils from whose parents indicated this preference in May 2020.

Remote Learning:

Teachers will now be accessing Class Dojo at least three times across a week in order to support progress via feedback on learning. To further build consistency of learning between those at school and home, we will be using the Oak National Academy to follow the same objectives. If the class teacher feels more engagement with ‘posting’ evidence is required we will share this with you. If your child is having any difficulty with Class Dojo or the Oak Academy, please let us know so that we can support them further.

As always, please do not hesitate to ask for clarification on any information about remote learning or the phased planning.

Keep safe and well,

Mrs Jayne Stevenson

*From June 1st our definition of ‘Key Worker’ is any parents who can no longer work from home and must return to the workplace.
