Dear Parents,
I can’t believe we are already at the end of my second half term! It’s been a very busy one, with lots of exciting learning opportunities for the children. One of our key messages this term has been road safety, which included our safety morning with the truck. We will continue to share this message next term. I have included some photos of some of our activities, however we will be updating the photos on our website shortly, so you can see more photos in the ‘Children’ section. As the warmer days are hopefully here, please can you ensure children come to school with a water bottle next term. Thank you once again for all of your continued support and I wish all of our families an exciting, yet safe, break and we look forward to seeing you all again on Monday 15th April.

Clothes Collection
£237.60
All proceeds went directly to Great North Air Ambulance.

Class 4 had a great time on their residential visit to Lockerbie Manor and Tullie House. They learnt a lot about being independent and some overcame their fears by taking part in some of the activities! Well done!
To help Class 3 learn about electricity, they went to Cragside Manor to learn how electricity is generated by water. They were also lucky enough to receive a visit from Mr. Meldrum and his Tesla electric car.

Class 2 and Pre-school really enjoyed their visit to the Cowins’ farm. Thank you Mr. and Mrs. Cowin for inviting us!

The whole school received a visit from 2 gentlemen at Gist and their truck to explain road safety. The main messages were to wear bright clothing, stop, look and listen before crossing, and to wear a helmet when riding your bike. We also had a visit from PCSO Dakin who will join us again to help us continue to learn about road safety.
