The Mystery of the Missing Sunglasses

All of the emojis know Cool Emoji. He’s a calm and relaxed guy who’s often being kind and helpful. Everyone knows him by the trademark sunglasses he always wears, whatever the weather.

On a hot and sunny day, Cool Emoji went for a swim to cool down. But while he was swimming, something awful happened... Another emoji stole his sunglasses from the side of the pool! Now Cool Emoji is too upset to even leave the house, saying that it’s too bright outside and no one will recognise him without his shades!

As Chief Detective on the case, it is your job to find out which emoji took Cool Emoji’s sunglasses. You have taken down the names and descriptions of ten emojis who were at the swimming pool when the sunglasses disappeared. You also have five important clues to find along the way.

To crack the case, you will need to solve each clue and check the information with the list of names. Will you be able to solve the mystery and find out who stole the sunglasses?

Good luck!

Clue 1
What’s the Scoop?

Drips of ice cream have been discovered by the side of the pool! Can you add the correct punctuation to the sentence scoops and draw lines to show what kind of sentence they are? The sentence form that is used the most will show the flavour of the drips found at the scene of the crime and the emoji’s favourite flavour.

Find the emoji responsible and punish them.
Who would do such a thing?
What can we do to cheer up Cool Emoji?
Keep looking until you have found them.
Do you think it was an accident?
What a terrible crime to commit?
How sneaky they are to have done it?
How can I help to solve the mystery?

**Question**
If question is used the most, the emoji’s favourite flavour is chocolate.

**Exclamation**
If exclamation is used the most, the emoji’s favourite flavour is strawberry.

**Command**
If command is used the most, the emoji’s favourite flavour is vanilla.

The sentence form used the most is ___________ so the emoji’s favourite ice cream flavour is ______________.
Clue 2
Mouthy Emojis

All the emojis have a different reason why they couldn’t have stolen the sunglasses. But their reasons are missing some full stops or capital letters. Can you write out the corrected reasons in the correct box to reveal whether the emoji has its mouth open or closed.

It wasn’t me. I was in the shower.

I didn’t do it. We’re best friends.

I only wear sunglasses on Sunday.

I can’t believe someone would do this to him in July!

We were in the cafe eating cake.

Why would I do it? I’ve already got a pair.

I was with my mum all day. You can ask her.

I’m too lazy to make a plan like that.
Clue 2
Mouthy Emojis

Full Stop
If the most reasons were missing **full stops**, the emoji’s mouth is **open**.

Capital Letter
If the most reasons were missing **capital letters**, the emoji’s mouth is **closed**.

The most common correction is ________________ so the emoji’s mouth is ________________.
Clue 3
Eyes Wide in Amaze-ment

What kind of emoji would steal from their friend?! Read the words that describe the emoji’s expressions and decide which suffixes can be added to create new words. Sometimes the spelling of the root word will need to change. More than one suffix may fit with each word. The suffix that is used the least will show whether the sunglasses thief’s eyes are open, winking or closed.
