Dear Parents and Carers,

**Forest School**
The first forest school of the term took place last Friday and was a huge success. The children enjoyed learning about how to stay safe in the forest, playing a range of safety games. They had a fabulous time exploring the environment and identifying the trees and animals that might live there.

**Swimming**
The staff thank all parents for their understanding and flexibility with swimming being cancelled on Wednesday 18 September. We apologise again for any inconvenience this may have caused.

**Arriving Late into School**
If your child is late for school, please ensure that you sign them in outside the office. It is important that this action is taken to ensure the safety of the children as the registers can then be updated accordingly. Please note that a reason for your child being late to school will be requested and recorded on their attendance.

**Parking**
It has been brought to our attention that cars are being parked on the white lines. It is imperative that the local parking restrictions are observed to protect the safety of our families.
**ParentPay**
As you are aware, we have a new administration team in the school office who have arranged training for ParentPay; this will take place early October. In the meantime, if you wish to forward payment for your child/children you may either send it by cheque, payable to Buckinghamshire County Council (not BCC please), or by cash. Please ensure your payment is in sealed envelope with your child’s name, class and payment information. Thank you for your patience during this time.

**School Entry Health Screening 2019/20 – Reception Class (Wrens)**
A flyer from the School Nursing Service has been emailed to all Reception parents today, regarding the School Entry Health Screening 2019/20. If you do not wish your child to take part, you will need to opt-out, please see the flyer for details as to how to do this.
