Thursday 9th July

Activity 1 - A golf game. Set up 4 or 5 cups or plant pots on their side, spread out around your room or garden. Put labels on them so each cup has a score on them. i.e 5 points, 3 points etc.

Then set a place up to stand, at least 1 metre away from the cups. Use a broom or a brush handle to hit a small ball into the cups. Add up your scores!

Activity 2 - Plan a sports day event for tomorrow. Look at the list of sports day events on the class page and choose some that you would like to take part in (hopefully with your family too!) There is also a poster for you to make and a medal to design.

Activity 3 - sports day wordsearch
