This week all of your English work will be based around this photo.

Read the story starter below.

She had already travelled so far, yet still had so much further to go. This was just the beginning of her journey.

She began today like every other: sitting with her line in the water, hoping to catch a bite for breakfast.

It had been over three weeks since she had seen another person, three weeks since the land had disappeared...

**Comprehension** – look at the picture and answer the following questions. You could write your answers in questions in your book. Remember to use information from the picture and story starter. Even if it doesn’t clearly tell you the answer, you can use inference and imagination.

- Where do you think the land has gone?
- How will people survive in this ‘water-world’?
- Why does the girl begin every day in the same way?
- Is it better to live in a place with too much water or not enough water?
- What do you think the girl had to drink when she was out at sea?
