Tuesday 14th July - Mulberry

This week you are going to make a lapbook which will be a wonderful memory for you to keep about your time in Year 2. You will add a little extra to it each day.

Today you need an A3 piece of paper or card. Card would be best so that it can be sturdy. You can make this by using a cereal box or similar. If this is not possible, you can selotape 2 A4 pieces of paper together. Have a look at the pictures below to get an idea of what your lapbook may look like. You need to fold your card so that it opens up like two shutters on a window. Hopefully the pictures should help you understand this!

The first task is to decorate the front of your lapbook. It needs a title, some examples could be 'All about Year 2' 'My Memories from Year 2' 'My Year 2 Lapbook' 'My Year 2 memories' You could add a drawing or photo of you, add colours, stickers, anything you like to jazz up the front of your book! There are a few templates if you wish to use them.

Tomorrow we will start adding some sections to the inside of your lapbook.
