Journeys Topic lesson 6

Making a boat

Today you are going to make and evaluate your boat.

1. Look at your plan
2. Gather all your equipment
3. Make your boat
4. Add the cargo
5. Sail your boat
6. Evaluate it’s maiden voyage (there is an evaluation sheet on the next page if you would like to use it, or you could design your own).
My boat

I am proud of my boat because ______________________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________  
_____________________________________________________________________________________

Next time I would improve my boat by _______________________________________________________
_____________________________________________________________________________________
_____________________________________________________________________________________  
_____________________________________________________________________________________  
_____________________________________________________________________________________  
_____________________________________________________________________________________  

Draw a picture or insert a photograph of your boat here
