**Longford Park Activity Area**

From time to time some classes take the children on a short visit to Longford Park (which is adjacent to our school) during the school day. We consider these mini visits an important part of our learning programme and we hope you will support us in this.

Within the park there are various playground apparatus which include: usual playground equipment (swings, slides… etc) and a climbing boulder.

Please complete and return the overall permission slip printed below as soon as possible if you are happy for your child to be included in this ad-hoc class activity and use the equipment whilst at the park.

**If we do not receive a completed permission slip we will assume you object to your child going out of school on these visits and they will not be able to attend.**

Thank you.

Dear Parents/Carers

Minor First Aid in School

With the many activities our children are involved in during the school day, more particularly during PE or outdoor play/learning for example, occasionally there might be a need to administer some minor First Aid – which would include applying a plaster and/or using an antiseptic wipe to clean a small cut or graze.

Following advice recently received, it has been recommended that we obtain permission from parents/carers before we can use such items as plasters and antiseptic/alcohol-free wipes.

Please return the consent form below stating if you wish (should the situation arise) for your child to be treated with minor First Aid.

If we do not receive a completed permission slip, we will assume you object to your child using the bicycles at Longford Park and they will not be able to attend.

Dear Parent/Carer

This letter explains why we will need to ask for your consent before we are able to take photographs of your child during their time at Longford Park School.

Generally photographs are a source of pleasure and pride. We believe that the taking and use of photographs can enhance the self-esteem of children and their families and therefore is something to be welcomed and appreciated.

We may take photographs for a number of reasons whilst your child is with us, including:

- documenting and recording educational activities;
- recording their learning and development progress;
- recording special events and achievements.

We will also encourage children to be active learners, and to become involved in using cameras themselves by taking photos of their surroundings, activities and of each other.

We do however recognise that with the increased use of technology, particularly digitally and online, the potential for misuse has become greater and we understand that this can give rise to concern. We will therefore endeavour to put effective safeguards in place to protect children and young people by minimising risk.

We are mindful of the fact that some families may have reasons why protecting a child’s identity is a matter of particular anxiety. If you have special circumstances either now or at any time in the future which would affect your position regarding consent, please let us know immediately in writing.

We include the safe use of cameras and images as part of our eSafety Policy and Acceptable Use Policy which you are welcome to view or take a copy of at any time.

To comply with the Data Protection Act 1988, we need your permission before we can photograph or make any recordings of your child. If your child is old enough to express their own view, you may want to consult with them about categories of consent and we invite you to use this letter to explore their feelings about being photographed at the setting.

Please read and complete the attached form and do not hesitate to contact me should you have any queries.
