24 November 2017

Dear Parents

Mathematics Inspire Workshop

Following on from the success of last year’s Mathematics workshops, we would like to offer you the chance to join your child in school for an hour of maths fun!

This will not be a formal maths lesson but an opportunity to share some problem solving activities with your child and have the opportunity to see some of the school’s maths resources in action.

These mathematics inspire workshop sessions will be held on Monday 4 December between 2pm and 3pm and are for parents/guardians of children in Year 1 and 2 only. This will allow parents enough time to walk to the Junior School if they need to collect siblings.

Please complete the slip below to indicate if you will be attending and return to school by Wednesday 29 November. Please sign in at the school office on arrival, and you will be escorted to your child’s classroom at 2pm.

Yours sincerely

S.Griffiths
Mathematics Subject Leader
