21 September 2017

Dear Parents,

On Friday 29 September Solihull Age UK are holding a fundraising day to coincide with UN International Day of Older Persons. Often older people in society are forgotten, as an Academy we feel that everyone should be valued and supported in their own right.

Therefore we are inviting all the children and staff to donate £1 and attend school in their slippers to raise awareness and essential funds for this cause. All money raised will help to support local elderly residents.

School uniform should be worn as usual but children can bring their slippers to change into whilst in school.

We look forward to seeing you all in your most outrageous slippers!

Thank you for your anticipated support.

Yours sincerely

Beverley Elliott
Headteacher
