15 May 2017

Dear Parents

**Year 1 Museum**

As you are aware, the children have been learning all about Britain in the 1940’s and all the staff have been very impressed with the children’s enthusiasm, interest and are proud of the work they have produced.

We thought it would be nice to share the children’s learning with you; as we know you will be equally proud of them, so we have decided to create a museum. The children are very excited at the prospect of turning their classroom into a museum for people to visit. The children themselves will decide on the layout of their museum, write information reports, create models and maps and even produce entrance tickets!

On **Tuesday 23rd May** the museum doors will open for you to visit at **3.30pm**. Please arrive on the school playground as usual, but on this particular day the teaching assistants will accompany you back into school to visit your child’s class museum. The museum will stay open until 4pm but you are able to take your child home as soon as you have completed your tour of the museum.

If for any reason, you are unable to stay and visit, don’t worry; simply accompany the teaching assistant back into school and take your child straight away. If your child normally attends an After School Provision on a Tuesday, we will ensure they get there at 4pm!

We look forward to welcoming you to our museum next week and if you have any questions, please ask a member of the year 1 Team.

Yours sincerely

Mrs S Griffiths
Year 1
