17 January 2019

Dear Parents

**Bertie Bookworm Club – Bluebell**

As you are aware the enjoyment of books and the ability to learn to read is of paramount importance to us at Marston Green Infant Academy. We are always looking for new ways to promote a love of reading and develop reading skills both within school and within the home environment.

We have purchased a range of books with a CD included that can be used at home so that you can enjoy the book together, encourage speaking and listening skills and develop a love of reading.

If you would like your child to join the ‘Bertie Bookworm Club’ please complete the slip below and return to the class teacher or reply to this email stating child’s name, and indicating consent by **Monday 21 January 2019**.

The cost of joining is free but as you can appreciate the cost of resources provided must be met if an item is lost, mislaid or broken.

The story packs will be changed on a fortnightly basis and the class teacher will inform you of the day that it should be returned to school.

I hope that you choose to be part of this club in order to promote a love of reading with your child.

Yours sincerely

Beverley Elliott
Headteacher
