Marston Green Infant Academy

14 September 2017

Dear Parents

The children have had a super first few days in Nursery and are beginning to settle in to their new groups really well.

Our priority is to keep a calm and safe environment for the children and this is particularly important at the beginning and the end of the session. In order to achieve this can we please ask that you as parents/carers (at the beginning and end of each session) wait outside the main gate until a member of staff come to greet you and walk you onto the playground. We also ask that you do not enter the cloakroom area as it becomes very crowded and can be upsetting for the children.

If your child is particularly upset please wait until other children have come into Nursery and a member of staff will support your child to enter Nursery.

Please also ensure that your child’s uniform and coats are named.

Thank you for your co-operation in this matter and if you have any questions then please do not hesitate to talk to one of the Nursery team.

Yours sincerely

Ms Waters and Miss Shepheard
