Dear Parents

SCHOOL CLOSURE DUE TO INCLEMENT WEATHER

During the winter, when ice and snow are excessive and road conditions make travelling dangerous, the Academy may take the decision to close school premises. This decision will be made before 6.30am, when closure notices are broadcast on local radio and television stations.

Parents will receive a text message informing them of the school situation. Please be aware that such a message will be sent to one Parent only (priority 1 on the pupil information form) and therefore, it is important that mobile phone numbers are kept up-to-date.

Please do not telephone school for advice because staff will be expected to work from home.

If the children are in school and the weather deteriorates during the daytime, then Parents will be asked via text message, to collect their child as soon as possible.

Yours sincerely
