26 June 2020

Dear Parents

Nursery – Timetable Extension

As you will know, we have successfully welcomed a wider number of pupils back to school on a reduced timetable from 1 June.

Following social distancing rules, Nursery, Reception and Year 1 were initially offered a place at school for two days per week. This was to ensure each ‘bubble’ of children, as well as their parents and our staff can keep a safe distance, with limited chance of people crossing paths.

After reviewing the situation over the last few weeks, I am pleased to confirm that we are able to extend the School Nursery timetable for one extra day each week.

Children attending Nursery in the Leapfrogs Nursery building will be able to come to school on Tuesdays, Wednesdays and Thursdays (08:30-11:30am) from next week, commencing Tuesday 30 June 2020.

Thank you for your continued support.

Yours sincerely

Beverley Elliott
Headteacher
