Dear Parents,

Could I please remind all parents that it is their duty and responsibility to supervise their children at all times whilst on the Academy site.

I have had a number of complaints recently from concerned parents regarding Junior School children who have been using their scooters and bikes on the infant playground; which has resulted in one of our young children being knocked over. The safety of everyone remains my priority and I am dismayed to hear that our young children are being injured by the carelessness of some junior age children who are not being appropriately supervised.

Could I therefore remind all parents that:

- children must be supervised at all times
- scooters and bikes cannot be used on the infant playground or the school path at the start or end of the day. **Scooters and bikes must be dismounted at the entrance to the school**
- the playground equipment and musical instruments are for the sole use of the children during school hours and are not to be used by others
- the gazebos on site can be used as a shelter during inclement weather; however please remind children to sit on the cushions and not remove them.

Thank you for your anticipated support in this matter.

Yours sincerely

Beverley Elliott

Headteacher
