Dear Parents

**Anti Bullying/Stonewall Parent Workshop**

We would like to run a parents workshop to share with you the academy’s approach to anti bullying and make you aware of our Stonewall training. We have provisionally planned a date for Tuesday 15th November, but before we go ahead we would like to gain some idea as to the level of interest and would therefore appreciate your help by completing the following slip.

Yours sincerely

Kate Burden
PSHE Subject Leader
