01 September 2020

Dear Parents

Welcome Back Year 1 & 2!

Welcome back to our new Year 1 and Year 2 children, it is so lovely to see you all again. I hope this new academic year will be successful and without issues.

Thank you all for adhering to the new one-way system, we will try to adapt and update these new systems as and when needed, so please bear with us.

Here are a few reminders and updates:

- **Water Bottles**
  I would like to remind parents that their child should have a school water bottle in school each day, and must only contain water – fruit juice or squash is not allowed. These bottles will be sent home with your child each day to be cleaned thoroughly.

- **Morning Snack**
  Unfortunately, the company that deliver our fruit will not be up and running until Thursday 10 September. Therefore in the meantime, you may provide 1 small piece of fruit or vegetable for your child to eat at snack time if you wish.

- **Personal Belongings**
  Please can you ensure that all belongings and items of clothing, including bookbags and PE kits are clearly labelled with your child’s name.

- **School Office**
  If you wish to speak to the office staff, please contact us via telephone wherever possible (0121 779 5667). If you do need to visit the office in person, please ensure you are wearing a face mask on entry to the building. We also ask that the foyer is limited to one person at a time. Please wait outside the door until it is clear to enter.

I would like to thank you again for your patience during these unusual times.

Yours sincerely

Beverley Elliott
Headteacher
