9 May 2017

Dear Parents

During this half term our topic in Year 1 has been ‘Digging for Victory’. We have been looking at events from the 1940s, studying the lives of children during the war and discussing the emotions on VE Day.

We would like to hold a VE Day celebration of our own on Wednesday 17 May 2017. Children will enjoy a street party, play traditional games and enjoy food and music from the era.

It would add to the atmosphere if you could send your child into school dressed as an evacuee/wartime child for the day. This does not mean you have to purchase a special outfit – boys could wear school shorts and a polo shirt, girls could wear a cotton dress or school uniform without the yellow sweatshirt! Our intention is to have a fun day, not to incur an expense for you.

Yours sincerely
Year 1 Team
