05 March 2018

Dear Parents

**Outdoor PE Kit**

Year 2 will soon be participating in outdoor PE sessions, so it would be helpful if you could provide your child with a pair of leggings or joggers which they can keep in school and please ensure they have either PE pumps or trainers that fit in their PE bag.

If you would like to send in some additional items for your child just send it in with your child in a carrier bag and we will put into their PE bag for you.

If you have any questions about either activity please ask a member of Year 2 staff.

Yours Sincerely

Year 2 Team
