Dear Parents

‘Superstar’ Scheme

At Marston Green Infant Academy we are always looking for ways to strengthen our partnership with parents. One way in which we do this is through a “Superstar” scheme which will allow your child to share their achievements at home with staff and their friends at school.

Your child will have some superstar cards sent home which you can fill in if they do an activity at home particularly well. If you could then send the card back to school with any accompanying work or photographs we can celebrate your child’s achievements and this information can feed directly into their school profile.

Please note that because of this, work and photographs will not be returned unless requested. The observations can relate to anything from writing to an art activity, a comment about their local environment to playing well with a group of friends.

The only thing that we ask is that the comments relate to something you’re your child has achieved independently. We will send home four cards for use over the term but please let us know if you require more.

Thank you for your continued support and we look forward to hearing about all the wonderful things your child does at home.

Yours sincerely

S. Mason
(Early Years Leader)
