20 September 2017

Dear Parents

Meet the Teacher and Curriculum Evening

Our next ‘Meet the Teacher’ and Curriculum evening will be held on:

**Monday 25 September 2017 at 6pm**

You will be able to visit your child’s classroom to learn about the Literacy, Maths and Science that will be taught throughout the Autumn Term. You will have the opportunity to discuss the school’s approach to these subjects, as well as the many ways in which you can support your child’s learning at home.

Please note that these meetings are for parents only and I would therefore suggest that you make plans for your childcare on these occasions. The development of a partnership between home and school is an extremely important aspect of your child’s learning. We hope that after these meetings you will have a clearer understanding of our approach to the core curriculum and the ways in which you will be able to support your child’s progress.

Yours sincerely
