Dear Year 2 Children

I hope that you are all well and looking after yourself and your family.

I know that recently things have been a little strange for you and many of you have not been able to return to school. For those of you who have returned, I know that things have been different and you have not been with the same friends, teachers or even in your classrooms.

I want you all to know that all of the staff have really missed you and we are so proud of each one of you. It has been lovely to see all the wonderful things that you have done during your time at home; learning instruments, cooking, baking, sewing, craft and even growing flowers and vegetables. I know that some of you have helped in your community, helping to get shopping, making masks and looking out for older and more vulnerable people within the community – that is amazing!

I hope that you have a lovely summer time with your family and that the sunshine comes out and you can have lots of fun.

As you get ready for the start of September and prepare to join your new school, please do not worry. You will have a wonderful time and the teachers will look after you. I am sure that you will make lots of new friends and will continue to work hard for your new teachers.

I hope that you leave the Academy with some happy memories of your time in Nursery, Reception, Year 1 and Year 2. I am sure that in years to come you will talk about your experiences during this time and be proud of the way that you coped during this time.

With love from everyone at the Academy.

Kind regards

Beverley Elliott
Headteacher
