25 October 2018

Dear Parents

Nursery Open Sessions

At Marston Green Nursery we realise the importance of building up partnerships with parents and we understand the positive impact that close links can have upon your child’s learning and development.

To help strengthen these links further we are going to have a short open session every Friday morning/afternoon where parents are welcome to come into Nursery, have a look at displays of current work and take part in a range of activities with their child.

These sessions will commence from:

**Friday 16th November 2018**

They will last for 30 minutes, starting at 8.30am/12.30pm and finishing at 9.00am/1.00pm respectively. The sessions will be an opportunity for you to work alongside your child in the Nursery environment and you will also gain an idea of activities that you can do at home to help your child’s development.

Please note that younger children are welcome to attend but must be closely supervised as this is an opportunity for parents to spend quality time with their child in Nursery. If you have older children please drop your child at Nursery and then drop your older child as normal, you can then return to Nursery and you will still have time to complete an activity with your child.

There will be a signing in sheet at the Nursery door so please ensure that you sign in when you enter Nursery. If you have any further questions about these sessions please do not hesitate to ask a member of the Nursery staff.

We look forward to seeing you.

Yours sincerely

S. Mason
Early Years Leader
