Dear Parents

Easter Egg Competition!

As Easter is fast approaching, it is time to introduce our Easter competition. This year, instead of the Easter Bonnet competition, we have decided to invite you to use your creative skills to decorate an egg.

This could be a hardboiled egg or a plastic/polystyrene egg. Think about the different materials that you could use, such as:

- Feathers
- Sequins
- Wool
- Googly eyes etc.

It is up to you if you would like to create a patterned egg or maybe even turn yours into a character.

All completed eggs will need to be returned to school by **Friday 3 April 2020**, as judging will be taking place throughout the day.

Good luck everyone, and have an **eggcellent** time getting creative!

Yours sincerely
