Dear Parents,

**Year 1 Design Technology Workshop**

We will be conducting a Design Technology Workshop within Year 1 on:

**Friday 6 July 2018**
**2:00pm – 3:00pm**

This will provide parents with the opportunity to see the children working within their own classroom and enable parents to help and support their child during the lesson.

The lesson will look at buildings and structures and the children will have the opportunity to make their own lighthouse. This links in with our current topic ‘Sea and Coast’.

We hope that you will be very much part of the workshop.

Please complete the slip below to indicate your interest and return to school by the **29 June 2018**.

Thank you

Year 1 Team
