6 March 2020

Dear Parents

RSE Parent Workshop
‘Talking about our bodies, relationships and keeping ourselves safe’

We are working on reviewing and updating our current RSE Policy, so that we are ready for the statutory requirements which come into place in September 2020. We would therefore like to invite you to a Parent workshop to share developments within this area. The workshop will be led by Natasha Chamberlain who is Senior Education Improvement Advisor for Health and Well-being within Solihull Education and Improvement Service.

The workshop will take place in the school hall on:

Thursday 12 March 2020 at 2:00pm

The session will last approximately 1 hour, which will enable the children to be picked up as normal on the playground at home time. We would like to gain some idea as to the level of interest and would therefore appreciate your help by completing the slip below and returning to school if you are able to attend.

Yours sincerely

Kate Burden
PSHE Subject Leader
