Dear Parent/Guardian,

I am writing to inform you that your child’s school is taking part in Bikeability Balance. Training will take place between 13 May and 15 May 2019. The sessions will focus on developing a range of skills such as:

- Identifying parts of a balance Bike
- Getting on and off the bike
- Setting off, pushing and gliding whilst in control of the bike
- Stopping with control using both their feet and the brakes
- Making the bike go in their desired directions whilst being aware of their surroundings

The sessions will be delivered on the school playground and bikes and helmets will be provided. If you would like your child to take part in this course please fill out the slip below and return it to your child’s school by 13 May 2019.

Yours sincerely,
