Dear Parents

Your child’s inhaler or medicine is being sent home today in order that you can check the expiry date and clean the spacer (if used) in readiness for the new term.

In September, a new ‘Consent to Administer Medicines’ form will be sent out to you. If your child still requires this medication, will you please complete the form and return it to school along with your child’s prescribed medication / inhaler in the original box, clearly labelled with your child’s name. May I remind you that it is parents’ responsibility to maintain the upkeep of any inhalers/medicines kept in school.

Yours sincerely

Beverley Elliott
Headteacher
