HELP
YOUR PA NEEDS YOU!!!

Why?
As you are probably aware via the media, some cuts have been made to educational funding.
This means that there will be less funding for the extras that the children love.

What would I need to do?
Tasks vary & there is no obligation to join in with everything! We all have busy lives and many people doing a little each is the best way forward. You could:

- PLAN - attend meetings to plan events and give your ideas (approximately once every half term, don’t worry if you can’t do this, it’s not essential).
- MAN – a stall at events like Summer & Christmas Fairs, Open Day, Coffee Morning, etc.
- RAFFLE - obtaining raffle prizes from family, work etc or help selling tickets or doing admin.
- CRAFT - help make items to sell at fairs, eg, Reindeer Dust for Christmas Fair.

What happens to the funds we raise?
They are used to enrich the essentials and provide children with great experiences.
Things like extra books, musical instruments, ICT equipment, PE equipment, play equipment, signage, visitors such as the pantomime company, etc.

Funds can't be used for essentials such as stationary, exercise books and staff costs.

How much have the PA raised in recent years?

2014/15 Academic Year - £2,458.16
2015/16 Academic Year - £6,714.59
2016/17 Academic Year - £3,716.63

Target for 2017/18 - £3,500

We are also keen to speak to people who can obtain MATCHED FUNDING from their employer as this is an avenue we are hoping to explore to double our efforts.

Next Meeting
Friday 22 September 2:15pm
Everyone welcome, just arrive at the office.
If you can’t make or don’t want to attend meetings don’t worry, just let the office know how you can help.
