Dear Parents

Seesaw Learning Journal

I am delighted to share with you that this academic year, our class will be using Seesaw (http://seesaw.me); a secure online journal where the children can document their learning in class. Your child will be able to add the things we work on to their Seesaw journal and we can share them privately with you and other family members to view and comment on throughout the school year.

In order for your child to use Seesaw, the app needs your child’s name to associate work like their photos or videos. Seesaw only uses this information to provide the service, and doesn’t advertise in Seesaw, create profiles of students, or share or sell your child’s personal information or journal content. You can read more about their strong privacy promises here: https://web.seesaw.me/privacy.

Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent. For more information on GDPR, please visit https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens.

I hope that your child will enjoy using Seesaw to document and share their learning this year. Please sign below and return this permission slip to your child’s class teacher, or reply to this email by Wednesday 30 January so that your child can begin using Seesaw.

Once we have all of the consent letters returned we will be able to add children to the system and you will receive details about how to log on. So, please await further details to follow.

Many thanks

James Moore
Assistant Head Teacher
