14 November 2016

Dear Parents/Guardians

Following on from the recent Mathematics workshops where the school approach to teaching mathematics was explained, we would like to offer you the chance to join your child in school for an hour of maths fun!

This will not be a formal maths lesson but an opportunity to share some problem solving activities and have the opportunity to use some of the school’s resources with your child.

These mathematics inspire workshop sessions will be held on Wednesday 23 November between 9.15 and 10.15am and are for parents/guardians of children in Year 1 and Year 2 only.

Please complete the slip below to indicate if you will be attending and return to school by Monday 21 November 2016. Please sign in at the school office on arrival and you will be escorted to your child’s class at 9.15am.

Yours sincerely

S.Griffiths
Mathematics Subject Leader

Mathematics Inspire Workshop

A parent/guardian will be attending the workshop on Wednesday 23 November 2016 at 9.15am

Childs Name: _____________________________________________________________

Class: _______________
