31 January 2018

Dear Parents

‘Learn, Create, Play’ Music Club

We are looking to enhance our music provision at Marston Green Infant Academy and have been exploring music services which are able to come into school and provide music tuition for small groups after school. We have found a professional music tuition service called ‘Learn, Create, Play’.

At this stage we are keen to find out who would be interested. At the moment there are spaces available for Percussion Club and Guitar Club.

Please note fees would be payable in advance (please see attached letter) and should you wish for your child to take part in the Guitar Club, you would need to acquire a guitar for your child to bring along with them (these can be purchased from music shops or Argos and prices start from £19.99 for a junior guitar).

Clubs will only proceed subject to the response received. If you are interested, please complete the form overleaf and return it to school by Monday 5 February 2018.

Kind regards

Ms Waters
Music Co-ordinator
