22 September 2017

Dear Parents

**School Meals Promotional Week**

We will be holding a promotional meal week at school from **Monday 25 September 2017**, where children will be able to sample the different items on our lunch menu.

As your child normally has a packed lunch from home, we would like to give them this opportunity to take part in this opportunity.

Please see next week’s menu on the reverse of this letter.

If you would like your child to have school dinners for the week commencing Monday 25 September 2017, please complete the slip below and return to school on Monday.

We hope to see lots of children taking part!

Yours sincerely

Beverley Elliott
Headteacher
