Activity 3: Considering viewpoint, should the snail stay or go?

Create a story box, tray or frieze of the sea with the rock, the snail and the whale.

Make and write speech bubbles for the snail and the whale:

*I will take you to places you only dreamt of ....*

Make a snail to put on the rock, with a speech bubble telling him what they think he should do:

Stay here it’s too dangerous...

*Use these templates to help you think about viewpoints and feelings.*
