Activity 4: Story mapping

1. Talk about the events that happened in the story. Map each of each of the places the whale took the snail to.

2. Annotate on your map with key words and phrases to help you recall important points.

3. Choose a scene from your story map and retell in your own words the story from this point onwards in the style of Julia Donaldson. Remember to include rhyme, expanded noun phrases, action verbs and a range of different types of sentences as you write. Don’t forget to punctuate your sentences and proofread writing to help you spot and annotate any spelling errors.
