Dear Parents/Carers,

RE Day
Thursday 4th July 2019

On Thursday 4th July 2019 our school will be celebrating RE Day. RE day is a way for the children to enrich their knowledge of different faiths from all around the world. This will be an all-day event where each year group will spend an hour in the hall completing a carousel of faiths. Each faith will be stationed at a table and the carousel will give the children 10-15 minutes with each faith. Each representative is there to answer questions that children are curious about, share stories and show artefacts from their religion.

The 5 faiths that will be represented on this day are:
- Judaism
- Christianity
- Baha’i
- Zoroastrian
- Islam

A number of religious leaders from other faiths were contacted regarding this date and event, however they were unavailable and therefore will not be represented on this occasion:
- Hinduism
- Jainism
- Sikhism
- Humanism
- Buddhism

In order for the children to get the best out of this event, the 5 faiths that were not represented will be participating in a second RE Day that will be in the Autumn term of the next academic year.

To any parents who they would like to represent their faith during the second RE day please feel free to contact me, as we have had difficulties finding religious leaders to visit from the faiths above.

Yours sincerely,

Miss Kotecha
RE Coordinator
