Dear Year 4 & 5 Parents/Carers,

YEAR 4 and 5 LEARNING CLUB – Wednesdays 3.30pm – 4.30pm

I am delighted to inform you that we are running an after-school Learning Club for all Year 4 and 5 pupils starting on Wednesday 15th May from 3.30pm - 4.30pm until Wednesday 10th July (this will be the last session), excluding half term.

The children will be engaged in extended learning programmes specifically focussed on boosting their reading skills which will enhance their self-confidence and self-esteem. They will have the opportunity to work with pupils from within both year groups in order to extend their thinking and learning. We would ask that children bring a small healthy snack and a drink into school with them in the morning.

There is no charge for Learning Club and your child will be expected to attend every week. Failure to attend all sessions will result in your child missing out on valuable learning time and they may not be asked to attend learning club in the future. I would like to reiterate that attending the Learning Club will support your child’s learning in class and he/she will be covering different aspects of the core curriculum. The focus this term is reading as this is an area where we feel we would really be able to stretch the pupils. The club will also support them in preparing for the rigours of the National Curriculum for the next academic year.

We are always mindful of your child’s safety at the end of Learning Club. Please complete and return the slip below to confirm your child’s going home arrangement.

Yours sincerely,

Miss J Burgess
Assistant Headteacher
