Dear Parents/Carers,

We have been informed that recently an incident took place near Hillside Junior School, Northwood shortly after school had finished. A couple driving a grey Ford Fiesta were seen approaching a pupil whilst walking home along Emmanuel Road. The couple attempted to engage the child in conversation, stating that the child’s parents had asked them to give the child a lift home.

The Police are aware of this incident, but it is a good opportunity to remind your children that they should not engage in conversation with people they do not know and should advise you and the school of any suspicious incident.

Please remain vigilant at all times.

I would like to thank the parents who took the time to pass this information on to the school.

Yours sincerely,

Mr M Bradley
Headteacher
