Dear Parents,

I am writing to you about the Year 6 residential trip. Last year, we consulted with you about the potential of running the trip and the majority of parents responded positively to the questionnaire, so we have decided to go ahead with the trip.

This will be a 5 day trip (Monday to Friday) after SATs where the children will be involved in a range of activities to test both their physical and mental skills. I am sure you will agree that this would be a fantastic experience for your children to further develop intellectually and socially in an environment outside the classroom.

Some of the activities the students will participate in include: Climbing, Abseiling, Caving (with man-made caves), Human Table Football, Land Zorbs and various Team Challenges such as Nightline, Spiders Web, Treasure Quest and the Swamp Challenge depending on availability.

We would like to invite you to attend a parent’s forum on Thursday 18th October 2018 at either 9am or 5.30pm to discuss the trip in more detail and so we can answer any questions that you may have.

I do hope that you can see the benefits of this experience and would be happy for your child to participate.

Yours sincerely,

Miss Burgess
