Dear Parents and Carers,

Re. P.T.F.A Charity Closure

On Friday 14th September the PTFA Annual General Meeting took place and as the Charity is unable to continue due to insufficient trustees, the Charity was wound up. This means that the P.T.F.A is no longer operational and there will be no further events organised or funds raised to contribute to school trips or to purchase additional equipment for the children, by this group.

The minutes to the A.G.M will be available to read at school reception and a copy can be made available to you upon request. The assets and remaining monies have now been signed over to school totalling £1363.38, which will go towards the outdoor learning area project.

We would like to take this opportunity to thank you for supporting the school fund raising over the years by attending events and collectively enabling the charity to run for 24 years, raising in excess of £50’000 during this time.

Yours Sincerely

T.Green
