Dear Parents/Carers,

RE: Reading and Film Evening – Wednesday 27th February

We will be holding an informative event on how you can support your children the best in their reading progression. As many of you are aware, the ever-changing and challenging curriculum has incredibly high expectations for children’s reading and comprehension skills. We think it would be a fantastic opportunity to share resources, techniques and give you an opportunity to experience first-hand the reading activities your children experience on a day-to-day basis in school. This will be an invaluable learning opportunity for yourselves, and ultimately provide a stronger working partnership with school to support your children.

During the event, we will be holding a children’s film club in a different part of the school so that you are able to bring your children with you for ease. Refreshments will be provided for both adults and children.

In order to cater to all families, we will be hosting the event at two different times. Straight after school at 3:20 – 4:15 and 5:30 – 6:15. This way we hope to see as many of you as possible.

Yours sincerely,
Miss L. McCabe

Dear Miss McCabe,

I will be attending the 3:20 – 4:15 reading event on Wednesday 27th February and my child(ren) will attend the film club  

I will be attending the 5:30 – 6:15 reading event on Wednesday 27th February and my child(ren) will attend the film club  

Please state your name and number of children to expect:
