Dear Parents/ Carers,

RE Reminders about York trip 24.9.19

We head off to York at 8am sharp in the morning and arrive back to school at 5pm. We will keep you updated via text. If the children can make their way straight to the classroom so we can register them before we go.

Children will need to bring a packed lunch and a couple of snacks. We are not due to lunch until 1pm so the children will be able to have a snack between Jorvik and Dig. The children will need to bring their lunch in a rucksack if possible as once we leave the coach we will not return to it until we head home later in the day.

Please remember to send the children in their school uniform and comfortable shoes as we will be walking around York a little. It would also be worth including a light rain coat/Kagool in case of rain.

The children may bring £5 spending money. We ask that this is in a purse or a wallet tucked safely in their bags. The children are responsible for their own money.

We are looking forward to a really good day out learning about how the Vikings settled in England and how the evidence from their settlements was found. We hope they will come home ready to tell you all about it!

Many thanks for your support,

Mrs. Sarah Hughes
