Dear Parents/ Carers,

**RE Science Club**

There will be **no Science club next week (Monday 1st October 2018)** as staff have training.

The children have enjoyed the last few sessions and Miss. Spencer and I thought it would be worthwhile for the children to work towards their CREST SUPERSTAR award. This means that they must complete 8 experiments (all in Science Club) and at the end they will receive a badge and a certificate.

The cost of the award process is £1.00 per child. We hope that you are able to support your child with this. I’m hoping that the children are enjoying the club and are chatting about it when they come home.

Many thanks as ever for your support,

Mrs. Hughes and Miss Spencer

Dear Mrs. Hughes and Miss Spencer,

**RE CREST SUPERSTAR AWARD**

I give permission for my child to take part in the CREST SUPERSTAR Award and enclose £1.00 so that (Child’s name)____________________________________ can be enrolled on the programme.

Signed ______________________________________.
