Tuesday 11th September
Dear Parents and Carers,

We would like to invite you to our annual Harvest Festival Service on **Wednesday 3rd October** at Newton Community Hall. This event will start at **1.30pm**.

Each class will either sing a song or do a small presentation.

This year (as in previous years) we would like to support the food bank at Clay Cross. They do tremendous work to support local communities at times when they need it most. There is a comprehensive list of the items that are most helpful to the foodbank on their website: [https://claycross.foodbank.org.uk/get-help/whats-in-a-food-parcel](https://claycross.foodbank.org.uk/get-help/whats-in-a-food-parcel). However the items they are most short of are UHT milk, powdered milk, toilet rolls, instant mash and shower gel. This year we have Barbara from the food bank joining us to explain a little about the work they do.

We would kindly request that any donations be brought to the school during the week beginning Monday 1st October. The children will place them in the hall. We will take a selection to display in the community hall on the 3rd. We look forward to seeing you there and supporting us with this great cause.

Thank you, as always, for your continued and generous support.

Mrs Sarah Hughes

Deputy Head teacher
